

He'll never know the Difference

Home Sweet Home Style!

It took a whole night's soaking and a whole day's attention to make the old fashioned baked beans. And it was worth it. But now it isn't necessary. Just heat a can of Ben's: neither in looks or taste can you tell them from the best old home make. Now you can have Saturday off. Now you can save fuel and labour. Keep some spare cans in the pantry and you can always have a meal in a minute.

..*SAVAGE HARBOR—The regular monthly meeting of the S. H. W. I. was held at the home of Mrs. P. L. Coffin on Feb. 9th, and despite the bad roads, was largely attended. In the absence of the President, the vice-president presided. After the usual opening exercises, the roll call was answered by "My Earliest Recollection." Reports of School and Sick Committees showed work faithfully performed. Bills were presented and given due consideration. A case of need was brought to our notice, and ways and means of helping were freely discussed. It was finally decided to purchase material and do some sewing. Mrs. Frank Pigott and Mrs. V. E. Coffin volunteered to attend to the sewing. A program consisting of a reading, recitation, music and song was given by Mrs. James Campbell, Mrs. V. E. Coffin, Mrs. Fulton Pigott, Mrs. Wilfred Coffin and Miss Corbett. In order to stimulate a greater interest in our meetings, it was decided that our next meeting's program take the form of a contest, divided into two teams and captained by Mrs. F. Pigott and Miss Corbett. A very tempting lunch was served by the hostess and one of our most pleasant and profitable meetings was brought to a close. Next meeting will be held at the home of Mrs. Frank Pigott.

Canada's known mineral resources comprise almost every variety of mineral, many of the deposits being sufficiently large to be of world importance.

—MAYOR LIDSTONE GUEST OF HONOR—The annual banquet of the Workmen's Association of Summerside was held on Tuesday evening in their hall. There was a large attendance of members and their wives. Mayor Lidstone was the guest of honor and gave a short but fitting speech and congratulated the Association on the splendid work they have accomplished during the past year. The president, Mr. Henry DesRoches, gave an excellent address on the activities of the Association and the benefits derived from it. A program of music with dancing was a feature of the evening's entertainment. Much credit is due to the ladies for the splendid repast which they served.

—FUNERAL SERVICES—The funeral of the late Archibald McGregor, whose remains arrived last Saturday from Winnipeg took place last Sunday from his late residence at East Bideford to the United Church at Bideford, Rev. Mr. Cook officiating. The choir, of which Mr. McGregor was a former member, was in attendance and rendered very beautifully the favorite hymns of the departed. The many lovely floral tributes and the large number of friends attending the service testified to the esteem in which Mr. McGregor was held. Interment was in the United Cemetery at Bideford. The pall bearers were Messrs James and William Duncan, Oliver MacKay, Claude Hayes, W. Burley and W. D. MacKay.—S.

—DAY OF PRAYER AT SUMMERSIDE—The world wide Day of Prayer was fittingly observed in Summerside with an impressive and beautiful service in the Central Christian Church. All the churches sent representatives. Mrs. A. P. Wells presided. The program opened with a silent meditation by Archbishop Trench. Call to worship by the leader with responsive readings. A beautiful part of the service was the singing of the hymn, Breathe on me Breath of God, by all present with head bowed. Readings by members from the different churches were very beautiful. A prayer for King, Empire, Country and Social Service was rendered by members of St. Mary's church. Readings and prayers for the Church and for our youth especially were very uplifting. The service closed with the Benediction. S

MacDOUGALL—CARVER

A quiet, but pretty wedding took place on Jan. 7th at the lovely home of Mr. and Mrs. George T. Binns 62 Rochford St., Charlottetown, when Emma May, eldest daughter of the late Rev. Jas. MacDougall, was united in marriage to Harold R. Carver of Hazelbrook. Rev. Ewen MacDougall, uncle of the bride officiated in the presence of very near relatives.

The bride who carried a lovely bouquet of Carnations and lilies of the valley, looked very charming in a beautiful gown of turquoise georgette trimmed with deep yellow lace which touched the heels of her satin slippers, wearing a debonair hat to match. After the ceremony a dainty supper was served by Mrs. Binns in her usual capable manner.

Many lovely presents were received by the bride, the Hazelbrook Church two beautiful chairs, two purses, one from Birch Hill and the other Bethel also other numerous presents, which goes to show the popularity of the young couple. The young couple will reside in Hazelbrook.

ALBERTON

Harvey Hutt, a member of the Bank of Nova Scotia staff, who was dangerously ill some time ago, has greatly recovered, much to the relief of his friends.

The Tignish Senators journeyed to Alberton and played the 2nd Regals a friendly game of hockey on the night of the 16th. A fair house of fans witnessed the game which was exceptionally fast. Few penalties were handed out. The first period opened up very slowly and the Senators were in the lead at the end by one goal. Score 1-0 in favor of Tignish. The second period opened up fast but try as they might the Regals could not score and the Senators added two more tallies to their total, thereby making the score 3-0 in their favor. The third period started with the Regals playing strong defensive hockey and endeavoring to overcome the lead piled up against them. The Senators fought back with spirit until hard work and nice play enabled them to add one more counter. The Regals tried desperately to score, but their efforts proved useless, and the game ended with the score 4-0 in favor of Tignish. Mr. Allison Leavitt refereed, and proved very efficient handling all troubles without difficulty.

M. Louis Nadeau Used Dodd's Kidney Pills With Beneficial Results

He Suffered from His Kidneys and Pains in the Back.

Pohenagamooke, P. Q., Feb. 24.—(Special)—M. Louis Nadeau, a well known resident of this place, is a sworn friend of Dodd's Kidney Pills. He has tried them and found them good. He writes:—"After taking seven boxes of Dodd's Kidney Pills my kidneys began to feel stronger. I had pains in my back and they disappeared. It is rare now that my kidneys trouble me or that I have backache. Thanks to Dodd's Kidney Pills. I always keep a box or two in the house now and recommend them to all who suffer with their kidneys."

1871 Sixty Years' Security and Stability 1931

1931 Commemorates the 60th Anniversary of the Founding of the Confederation Life Association.

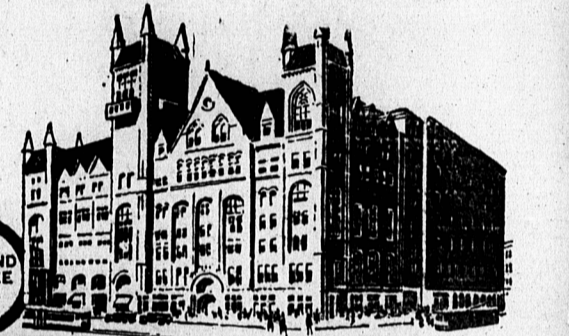

Linking... TRADITION with PROGRESS!

ONE MILLION DOLLARS of life insurance in force! An impressive volume of business for a new company to write in a little over a year... its first year... during the early seventies. Though the achievements of later years may have diminished the significance of the amount, the thought of the early success of the Confederation Life Association remains a prized tradition. For it clearly demonstrated the need of the service offered the insuring public by the Association, and conclusively proved that progress follows such service to human necessity.

But this was only a beginning. To expand and render greater service was the destiny of the Confederation Life Association. Today it is an international institution. The one million of business on the books has become 370 millions of insurance in force. Over the long period of sixty years the Confederation Life Association has kept pace with the growing needs of Canada... and it is proud of its opportunities for still greater service.

Much sympathy is extended Mr. and Mrs. Michael Kinch for the loss of their two small children who died recently.

On Tuesday night, February 17th a whist was held at the home of Mr. and Mrs. J. B. Cunningham. Nine tables were retained for whist and a lunch was served shortly after. Congratulations were showered upon the hostess for providing such a pleasant evening. Mrs. Cunningham's whist was the last held before the Lenten season.

A very interesting and instructive debate was held on Friday evening, February 20th in the Alberton High School, the subject being "Resolved that women should be paid as much wages as men for doing the same work." The cause of the women was upheld by three girls, Lulu Bowness, Lucille McQuaid and Grace Callaghan, while the cause of the men was upheld by Herbert Matthews, Frank O'Connor and Ralph McRae. The speeches were well prepared and equally spoken. The debate was judged by the senior pupils who gave their decision in favor of the young ladies. The speakers are to be commended for their speeches and those who are interested hope for another one soon. Mr. Keefe, the principal, is to be given due praise for sponsoring the debates.—A.

Veterans Asked For Dud Shells

PARIS, Feb. 23.—The Paris Police have decided to put a definite end to the World War by recalling all hand grenades and trench shells on

exhibition in French veterans homes. The war would have been forgotten long ago if a bomb or shell did not explode daily in the home of some veteran. They were generally considered "duds", and often rested on the mantle piece until they were set off.

Hardly a day passes but the Police Department is not hurriedly called to care for a veteran, or a member of his family, injured from a supposed harmless shell. Many of them had been made into objects of decoration without removing the powder.

WAYBILL OF EARLY '90'S IS SIMPLICITY ITSELF

Compared with a railway company's present-day explicit forms, the ragged and yellow waybill of the early '90's is simplicity itself. It goes so far as to note in an indistinguishable line in the centre: "Agents of waybilling freight will not enter the odd pounds. When the fraction is 5 or over, call it 10; when it is under 5, call it 0."

000 pounds was paid at the Arncliffe end. Some mysterious and long-since forgotten "C. & C." was consignee.

The date reads "July 7, 1882," and it is the fifteenth document of the kind signed by the conductor of the Canadian Pacific Railway train, G. F. Risteen, whose signature is on the reverse side. Conductor Risteen served the road in the early years when practically all of the railway and building supplies came of necessity from across the border. He was transferred to the Coast and died ten years ago in Vancouver. His brother, W. C. Risteen, now in the employ of the Canadian Pacific, lives in Winnipeg.
