Owing to a heavy amount of advertising today's Saturday Guardian is without its usual amount of the news of the week culled from each day's paper.

Attention is called to the ad of Geo. A. Wright, Cherry Valley, for farm for sale. This is a splendid chance for intending purchasers to secure an up-to-date farm.

Any person in this Province, who intends to visit New York City, either for business of pleasure, may find it to their advantage to write "P. H.," care of Guardian, Charlottetown.

On Sunday evening in the Central Christian Church, Charlottetown, Rev. J. F. Floyd will begin a series of sermons on the general subject of Millennial Dawnism, the subject of the first sermon being, "The Importance of Sound Doctrine."

The following prices were secured on the Charlottetown market square today and have prevailed since last Tuesday: Oats, 38 to 40c; potatoes, 25c; beef (quarter), per lb., 10c; beef (small), per lb., 12 to 17c. The prices quoted by the wholesalers are: Potatoes, 25c; hay, 50 to 60c; oats, 38 to 40c; straw, \$5.50 to \$6.50.

Wednesday night at the Y. M. C. A. a group of the students of P. W. C. met and organized the Cabinet for the Student department for the year. The election of officers and committee chairmen resulted as follows: President of the Cabinet, David McLean; Chairman of committee on Religious work, C. C. McLean; Physical work, Kenneth Martin; Special work, J. Fred. Donald; Bible Study, Thane Campbell; Music, Cuyler McKenzie. Each of these chairmen will select others to act with them and these will form the committee forces of the Student Department. Thane Campbell was selected as the leader for the boys' meeting on next Sunday morning. The Cabinet will meet again on Saturday evening to continue the work of planning the work for the fall and early winter. The young men forming these committees this year are all new to the work. It speaks well for the training secured in this type of service when it is known that the chairman of every committee for the past two years has this year gone on to take a University course and most of the fellows will eventually take up theology and will in the years to come be leaders in the churches of the country. The members of last year's Cabinet, under the direction of Secretary Reddy, supplied the pulpits of several island churches this last summer for three months while the regular pastors came to the city to supply Zion Church pulpit.

The picnic held on August 31st by the Mission Band and W. M. S. Auxiliary at North Witshire on the attractive and suitable grounds of John Edwards was in every sense of the word a success. In spite of the cold and stormy weather a goodly company gathered and greatly enjoyed themselves in games, etc. A beautiful and tempting table was spread, considerable ice cream and home-made candy being disposed of. And the tired, but willing and happy workers were encouraged by the financial results. The pastor Rev. Geo. Orman and his wife were present by invitation.
