THOMAS CONNORS, aged 67, for three years janitor of Prince of Wales College, died suddenly of heart failure Wednesday night at his home on the college grounds. He had retired at 10 o'clock in usual health. About an hour later he woke the others in the house by a smothering sound. They did what they could for him and called in Dr. Kelly. But before the doctor arrived Mr. Connors died without speaking a word. Mr. Connors leaves a wife and three children to mourn their loss. A son, Charles, resides in Boston and has been telegraphed to. Mrs. John McAleer, of Charlottetown, and Miss Lizzie Connors, are the remaining children. THE PACIFIC CABLE.

Lord Strathcona and Earl Aberdeen Appointed to the Board of Control.

MONTREAL, Oct. 3.—The Star's London cable says:

"Lord Strathcona and Earl of Aberdeen have been appointed Canadian members of the board of control of the Pacific cable. Australia has three members, and Great Britain three. The board will now proceed to invite tenders and make financial and other arrangements for the completion of the project. The selection of Lord Aberdeen will probably enlist the sympathies of the Liberal opposition here, of which he has resumed an active and leading membership."

Sir Louis Davies is spending a few days with Lord Strathcona at Glencoe. The Deputy Minister of the Interior Mr. Smart, returns to Canada tomorrow.

PRESBYTERIAN SYNOD.

Opened Its Sessions in Truro—Rev. M. G. Henry, St. Croix, Chosen Moderator.

TRURO, Oct. 3.—This evening the Presbyterian synod met in First Presbyterian church. Rev. C. F. Forbes, Sydney, the retiring moderator, preached the opening sermon. He took for his theme: "Good and faithful service," basing it on Matt. 25:23, "Well done good and faithful servant." From the essentials to faithful service he excluded first genius and intellectual greatness; secondly, high social position and influence; and thirdly length of time for service. As essential elements of faithful service he mentioned and illustrated first, faithful devotion to God of every faculty and energy of mind and body; secondly, that this entire consecration be constant; thirdly, a large share of common sense; and fourthly, a loving confidence in Christ and entire dependence on the Holy Spirit.

After the synod was constituted by prayer the roll was called. The retiring moderator in his closing remarks appropriately referred to the death of Dr. P. M. Morrison. He also referred to the early death of Mr. Clarence Gant, a student in theology.

Nominations by presbyteries for moderator were Rev. M. G. Henry, St. Croix, N. S., and Rev. A. F. Carr, Dalhousie, N. B. On motion of Rev. E. D. Miller, seconded by Rev. T. Cumming, Mr. Henry was unanimously elected to the chair. Mr. Carr was not present. In a neat speech Mr. Henry thanked the synod for the honor conferred upon him. He regarded this synod as the most important synod in the church, as it has greater interests committed to its care than to any other. It is also the missionary synod. He would like to have the devotional element made very prominent.

A vote of thanks was given to Mr. Forbes for his conduct in the chair and for his timely and effective sermon.

Rev. T. Stewart submitted the report of the business committee. Hours of meeting from 10 a. m. to 12 noon; from 1 to 5.30 p. m., and from 7.30 to 10 p. m.
