

Faith

You cannot be expected to have faith in Shiloh's Consumption Cure, the Lung Tonic, as a cure for Colds, Coughs and all diseases of the air passages, if you have not tried it. We have faith in it, and we guarantee it. If it doesn't cure you it costs you nothing. If it does it costs you 25c. That's fair. Try it to-day. Shiloh has cured many thousands of the most obstinate cases, and we do not hesitate to say that it will cure any Cold, Cough, Throat or Lung trouble. If we did not believe this we would not guarantee it. Shiloh has had an unbroken record of success for thirty years. It has stood every possible test without failure. Further

Proof

is found in the many testimonials of those who have tried Shiloh and been cured. Mrs. Archie Taylor, Asaph, Pa., writes: "I bought a bottle of Shiloh's Consumption Cure and found it very beneficial. I have two children and they had a terrible cough. I gave them everything I could think of, but they got no better until one evening my husband brought a bottle of Shiloh. We gave it to the children when they went to bed and they slept all night. It cured them completely. I shall always keep it in the home."

We want you to call in and look around. You may take your time. We will be ready to serve you quickly, and courteously—and will offer suggestions, if requested—but we won't worry you to buy. We leave the excellent values, of our great stock, assisted by the small prices (which you will find marked plainly on each article)—to make all the argument that is necessary. Your friend would appreciate an artistic piece of furniture better than anything else you could buy. Below you will find a few more suggestions—Take a good look over them and then call in to-day and make your selection. Never before were serviceable presents more appreciated than in this matter-of-fact, common sense age—Presents that last for years are naturally more thought of than something weak and flimsy that is destroyed in a short time.
