A idea of the habits acquired by living elsewhere in Canada can be easily imagined by the following: A gentleman who visited Charlottetown, a few days ago to attend the Maritime Stock Breeders' Association, after registering at the Davies, asked where he could find Central, as he wished to telephone to the mainland. He was surprised when told he would have to telegraph and horrified when informed the telegraph office was closed for the night.

His plan is to include two prominent supporters who are especially conversant with the details of the Reid contract with a view to action on that matter, if necessary during the coming session of legislature. It is assumed that Mr. Chamberlain will offer no objection.

ABOUT HEART DISEASE.

Ninety Per cent of it Really Caused from Poor Digestion.

Real organic heart trouble is incurable but scarcely one case in a hundred is organic.

The action of the heart are both controlled by the same great nerves, the sympathetic and pneumogastric and when the stomach fails to properly digest the food and it lies in the stomach fermenting, gases are formed to distend the organ causing pressure on the heart and lungs causing palpitation, irregularity and shortness of breath.

The danger from this condition is that, the continued disturbance of the heart, sooner or later may cause real organic heart trouble and in fact frequently does so.

Furthermore, poor digestion makes the blood thin and watery and deficient in red corpuscle, and this further irritates and weakens the heart.

The most sensible thing to do for heart trouble is to insure the digestion and assimilation of the food.

This can be done by the regular use after meals of some safe, pleasant and effective digestive preparation, like Stuart's Dypsepsia Tablets, which may be found at most drug stores and which contain the necessary digestive elements in a pleasant, convenient form.

Thousands of people keep well and vigorous by keeping their digestion perfect by observing the rule of taking one or two of these tablets after each meal, or at least after each hearty meal.

Stuart's Dypsepsia Tablets contain U. S. P. pepsin, diastase from malt and other natural digestives which act only on the food, digesting it perfectly and preventing acidity, gases, and the many diseased conditions which accompany a weak stomach.

When Stuart's Dypsepsia Tablets are used you may know you are not taking into the system any strong medicine or powerful drug but simply the natural digestive elements which every weak stomach lacks.

So widely known and popular have these tablets become that they are now old in United States, Canada and Great Britain.

CORNWALL MILLS BURNED.

CORNWALL, Dec. 2.—The Cornwall Milling company's flour mills were destroyed by fire Sunday morning. Loss \$18,000; insurance, \$12,000. Origin unknown.

CHRONIC INDIGESTION

By far the most important part of digestion takes place in the intestines and it is folly to expect stomach medicines to cure a severe case of indigestion or dyspepsia. The kidneys, liver and bowels must first be made regular and active and the only remedy which acts directly on these organs is Dr. Chase's Kidney-Liver Pills. They are purely vegetable, act pleasantly and naturally and positively cure dyspepsia, biliousness and stomach troubles. One pill a dose—25 cents a box, take no substitute.

Try one can of Oak Brand Condensed Milk and you will decide whether it is better and cheaper than a cow. Ask your Grocer for it.

When you've gathered in your harvest, and you've cellared your "spuds" and you've hoarded honest dollars in your palm,
Will you save another twenty on your winter stocks of "duds".
By ordering up the rig with Artist Sam?
He's a knacky-handed tailor and his weaknesses are naught.
(The day we made the bargain, thus I found him).
He's up before the public chalking measures on the cloth,
And he's got a lot of other Sam's around him.
Dad's Sam, lad's Sam, Sam with a Highland heart.—
(Twenty hundred men and boys wearing the suits he gave)
Isn't he doing a rising trade?
Let us give 'im a roaring start;
Buy his stock for your wallet's sake, and save, save, save.
There's a suit you ordered last year, when you weren't so very stout,
Don't you think you need to fire it up the hatch?
There is soup and slop and slobbers and the buttons pulling out,
And its more than over likely there's a patch.
There are clothiers by thousands and they swear they never lie,
And they butcher shiny shoddy by the bale;
You may safely place their whereabouts some day you're passing by,
By the indicating of "A slaughter Sale"
There's your little son or brother and he's tearing all his clothes
'Cause he doesn't give a jelly tinker's dam;
I would cure him up forever with a half dozen blows
Of the unoffending tape of Sartor Sam.
He's a knacky-handed tailor, he's a daisy on a pants.
And he'll give you lots of pocket on the hip;
For what's the use of Temperance and Elections in advance?
Get you ready all your pockets and your grip.
The above poem was written by a well known Canadian poet for S. A. McDonald's fashionable tailoring.
