### HEALTH FOR WOMEN.

Mrs. Emma Daigle of Moncton, N. B., Sends an Open Letter to All Sufferers. Most women are tired when they wake up. Household drags along with great difficulty. Nervousness is always present, headaches seldom depart, tears are ever ready to flow. But there is a cure, a true specific for women's ills that restored a prominent lady in Moncton, Mrs. Daigle, who tells the following interesting story: 'About a year ago I had a serious sickness, sort of a general breakdown. My digestion failed entirely and I was able to eat but very little. I took violent stomach pains and suffered terribly from headaches. My doctor said it was "nervous exhaustion" and I might never be well. My troubles increased for as I grew weaker I became subject to neuralgia and rheumatism. Sleep finally forsook me and I almost lost heart. Different medicines didn't help. Doctors couldn't do me any good. I was desperate when I heard of Ferrozone. The first box convinced me it was just what I needed. It toned up my stomach, gave me a splendid appetite and then my recovery seemed easier. Ferrozone increased my weight several pounds, has restored my nerves, given me a good color and strength such as I never had before. For the weak and sickly I can truthfully recommend Ferrozone. (Signed) Emma Daigle. REMEMBER: No mere stimulant or alcoholic concoction can take the place of the nerve and blood nourishment contained in Ferrozone. This true tonic always does what is claimed for it. Sold everywhere in 50c. boxes or six for \$2.50. By mail from N. C. Polson & Co., Hartford, Conn., U. S. A., and Kingston, Ont.'
