## SPLENDID CURES OF CHILDREN IN P. E. I.

It may interest the public to know that many fine cures of children are taking place in Charlottetown and throughout the Island by means of Oxygen Therapy. Here is what a few of the parents who use this treatment say.

Mrs. Samuel Waddell, 222 King St. "I had spent hundreds of dollars in trying to find relief for my boy, but nothing ever helped him until we got your oxygen machine, which cured him of rheumatic pains and kidney trouble."

Mr. Austin Murphy, 11 Bishop Street: "Your oxygen machine made a fine cure of my only child two years ago when he was sick with bronchitis and asthma that we did not expect him to live."

Mrs. P. S. McPhail, Southport, states that her 12-year-old son was cured of appendicitis.

Mrs. Fred Wetts, New Waterford, C. B., formerly of Summerside, states that her only child was cured of nervousness and insomnia, and later of measles and whooping cough within two weeks.

Mr. A. D. McDonald, Murray Harbor, states that his little son was completely cured of chronic bronchitis.

The above represents but a very small fraction of the cures of children which have actually occurred. When parents use the Parador Oxygen treatment for their children they are never willing to return to the dope method.

W. E. Enman, 154 Prince St. is salesman of the oxygenating machines the Parador, and the Oxyphator, the latter being sold at a great reduction.

"Hope Balances Occurrences of Time" A SUPERB painting by the late William Watt, out of the Royal academicians of England, entitled "Hope" has made the name of its progenitor immortal and his work has lived to follow him. It has suggested a caption for an ingenious and interesting story of today, dealing with life among the lowly, taking for its heroine Hope Anderson, the good angel of Poverty Flats, a picture you will like, a picture you will remember.
