SKATING EVENTS AT OLYMPICS
ST. JOHN, N. B. June 1.—Skaters will be interested to learn the events that are carried for the Olympic trials at Chamonix, France, at the meet to be held Jan. 5 to Feb. 5, next winter.
The distances are 500 metres, 1,500, 1,000 and 1900 metres. It will be seen that there is no such thing as the 220 yards and that those to compete will need to train for distances. There has not yet been received here any word as to the size of the track. That will come later. Figure skating for ladies, for men and for doubles are also on the list.

CONSERVATIVE RALLY.—All supporters of the Conservative candidates, Dr. MacMillan and Mr. Chester McLaure are requested to meet tomorrow, (Tuesday) evening in the Conservative Club rooms, Officer's Building at 7.30.

A TALENTED ISLAND LADY. Miss Kathleen McIvor of the Port Costa grammar school, was awarded first prize for the best paper submitted in the Musical Memory Contest conducted in the school here. It has been announced by Miss Bertha Weber, Supervisor of Music in the schools of Central County. The prize Miss McIvor will receive for her excellent work will be six portraits furnished by the Lancaster Studio of Martinez, Calif. to the prize winners in the various schools of the county. Miss McIvor is a daughter of Mr and Mrs J. A. McIvor of Port Costa, formerly of P. E. Island.

CONFIRMATION SERVICES.—There was a large attendance at the Confirmation and Communion services, held in St. Paul's Church yesterday morning and in St. Peter's Cathedral in the evening. The ceremony of the laying on of hands was performed by His Grace Archbishop Warrel of Nova Scotia who solemnly addressed the confirmation classes upon the foundation stones of the Christian life. The services were most impressive throughout. At St. Paul's sixteen persons were confirmed and at St. Peter's ten persons. His Grace leaves today for Georgetown.

IN MEMORIAM
EVELYN MAE KEENAN
The news will be learned with great regret of the death of Evelyn Mae, daughter of Mr and Mrs. Adrian J. Keenan, which took place on Sunday evening, May 27th. Evelyn was a bright, winsome little girl but two years of age who entertained herself around the hearts of all who knew her, and will be greatly missed in the home circle, where the one thought was to make the darling of the family happy. Her funeral was held on Monday afternoon at St. Bonaventures Church, Tracadie. The pall-bearers were, Gordon McIntyre, Raymond Rowe, Harold Court and Fred Lynch. Come, our darling baby. That we shivered with such love. Gone, to join the Angels in that happy home above. S. M. M.

Mr JOHN H. BAKER
Another good man has been called away by death, and sorrow has entered another home. On Tuesday afternoon John H. Baker, a highly esteemed resident of New Annan passed away at the early age of 59 years. Death followed an illness of about three months which was borne with true Christian resignation. Mr. Baker was a splendid type of man. Honest in all his transactions and courteous to every one he came in contact with. He was a devoted father of all with whom he came in contact and a wide circle of friends mourn his passing and sympathetic with those whom he has left behind. Rev. Mr. Gillis visited him often during his illness and administered the Sacraments of the Holy Catholic Church. He leaves to mourn a sorrowing widow two sons and three daughters, namely, Ambrose, Vernon, Cedric and Cecelia at home Mrs. Arthur Emman, New Annan and St. Naomi, St. Paul Min. May his soul rest in peace.

LETTER OF CONDOLENCE
Mrs Chester P. Taplin New Annan, N.
Our dear Sister,—Although we know that no words of ours can bring comfort to your sorely tried heart yet, we your fellow members and co-workers of New Annan Institute tender our sincere sympathy and love to you in your recent sad bereavement in the loss of one who was so near and dear.

MEETING OF EXECUTIVE.—At a meeting of the Executive Council held on the 1st June, 1923, the Sheriffs for the three Councils in this Province whose term of office expires on the first Tuesday in June, 1923, were reappointed for the term ending on the first Tuesday in June, 1924. Henry Smith, Esquire, Chairman of the Board of School Trustees for the City of Charlottetown and Neil McLeod, Esquire, K. C., Chairman of the Board of School Trustees for the Town of Summerside was reappointed for the term ending the third Tuesday in June, 1927. Spurgeon Clarke of Augustine Cove was appointed an Inspector to assist in the enforcement of the Motor Vehicle Act. The following were appointed Commissioners for taking acknowledgement of Deeds and Justice of the Peace for their respective Counties: Donald Campbell (Ugik); Milton Fyfe, Stanley Bridge; Augustin E. H. Land, Searletown; Henry Smith, Esquire, Clerk of the County Court, etc., was granted leave of absence from the Province for three months from Just 1st, 1923.

ON EUROPEAN TRIP.—Mr and Mrs. J. B. Lewis of Hayward Cnbl. left last month on a voyage to the Old Country. They left Oakland, O. on the Santa Fe, and on reaching Montreal will board one of the floating palaces for England. They intend visiting Ireland and Scotland also, and possibly other portions of Europe. Mr. Lewis has made many trips from Charlottetown to his old home on P. E. Island during the past forty years, accompanied at least on one occasion by his estimable wife. It is quite probable that Mr and Mrs. Lewis on their return trip will take time to enjoy once more the salubrious atmosphere which makes the summer on "The Island" so delightful as well as meeting again the dear old friends.

Dr. Tidmarsh to Practise in Charlottetown
His many friends will be pleased to learn that Mr. F. Wendell Tidmarsh has moved to Charlottetown with the intention of practising medicine here. Dr. Tidmarsh has had extensive training and experience, which well qualifies him for a successful professional career in this province. After preliminary training at Prince of Wales College, Dr. Tidmarsh commenced the study of medicine at McGill, graduating from that University in 1914. He immediately received an appointment as House Surgeon at the Royal Victoria Hospital, Montreal, where he obtained valuable experience in medicine and surgery. On the formation of No. 3 Canadian General Hospital (McGill) Dr. Tidmarsh accepted a commission with that unit and became one of its original officers. After three years service in France with this hospital and with the 1st Canadian Division he was gassed, February 1918, and invalided to England. There he received promotion to the rank of Major and was appointed Senior Medical Officer to the 2nd Canadian Command Depot at P. Amshott, and later D. A. D. M. S. at Ripon. In March 1919, Major Tidmarsh was recalled to Canada for appointment to the Board of Penicillin and was transferred to Halifax as Medical Advisor. During the past four years, Dr. Tidmarsh has been prominent in medical circles in Halifax. In 1920 after a post-graduate course in Boston, he was physician-in-charge of a large children's clinic at the Massachusetts-Halifax Health Commission. This work was very successful and Dr. Tidmarsh soon became recognized as an authority in the nutritional diseases of children. His paper "The Relation of Malnutrition to Diseases of Childhood" read before the Halifax Medical Society has been published in the current number of the Canadian Medical Journal. During the present year, Dr. Tidmarsh has taken further extensive post graduate training in New York where he did special work in Obstetrics and the Diseases of Children, at the New York Lying in Hospital.

Notes by The Way

are at least better than their leaders and in their hearts regret the deception and broken faith in which those leaders have entangled them. They also regret the tax burdens they have helped to place upon the people needlessly. They realize the selfishness and folly of the Salary Grab, and the silliness of their leaders' pretence of economy in face of very lavish expenditure. They cannot in their hearts justify an expenditure of \$2,000 per mile on road jobs. Half the members who support these leaders realize that they are a cheap, inefficient lot who have proved to be amazingly costly to the country. Alas! that they have become accessories to the Government's misdeeds! But repentance has come too late.

Big Attendance At Derby Races

LONDON June 2.—Interest in flat racing this season has been very keen, with large crowds attending the principal meetings and it will not be surprising if more people than ever before journey to Epsom Downs next week to celebrate Derby Day, the most popular institution of the British Turf. Better racing may possibly be seen later on at Royal Ascot, Clons, Goodwood or during the autumn meetings at Newmarket, but the traditions, romance and carnival spirit that surround Epsom Downs and the two great classics—the Derby and the Oaks—keep Epsom to the fore in matters pertaining to the turf, so far as the masses are concerned at least. The four days of racing, which opens on Tuesday offers a varied and interesting programme. The Woodcock Plate, on the opening day, often brings together some of the most promising two-year-olds of the season, and Duncan Gray, Sir John Robinson's Colt, who won the Plate a year ago, is a Derby

candidate this year. Wednesday is Derby Day, The Great Surrey Fowl Plate for two-year-olds and the Coronation Cup for three-olds are run on Tuesday, while Friday's programme includes the Oaks, the classic for three-year-old fillies, and the Acorn Plate for two-year-old fillies. Of all the races run during the flat racing season—and there were over twenty-two hundred last year—the Derby is the most coveted prize. It has a place in Turf lore that no other race can hope to share, and to supply the winner, train the winner or ride the winner of the Derby is the highest ambition of any one, even remotely associated with the Turf. To get close enough to the winning post to see the winner of the great classic flash by is the hope almost as difficult to fulfil, of at least a million people who travel to Epsom next week by every imaginable means of conveyance. The Derby is the third of the five great races for three-year-olds known as the Classics, that are run during the flat racing season. Two of these, the One Thousand Guineas and the One Thousand Guineas, were run at Newmarket a month ago, while the Oaks, run over the Derby course on Friday, and the St. Leger, run at Doncaster in September, complete the series. A LAUNDRY HINT. When colored garments have been made at home and the family laundry is given out, include in your washing a large-sized scrap of the new material from which the garments were made. If the scraps hold their colors well, the garments may then be sent to the laundry; if the samples come back faded, the garments should be washed at home with special care.
