ABBIES AND GOOD HORSE RACING AT SUMMERSIDE MONTAGUE YESTERDAY THIS EVENING

Abbies and Crystals will battle in an Island League fixture this evening at the Abegweit grounds and extra fast baseball is scheduled.

Notwithstanding the Abegweit's annexation of the Island title, the game tonight should be every bit as exciting. As the local champions will play off for the Maritime championship this fall a large number of spectators is expected to be present to see them work. The game will start at 6 o'clock sharp. Players are requested to be on time.

Abegweit line up for tonight's game is as follows: G. Francis, Catcher; V. McQuaid, Pitcher; Mc Carey, 1st Base; Bradley, 2nd Base; Lynde, 3rd Base; McEachern, Short Stop; Diamond, Left Field; P. McQuaid, Centre Field; Ryan, Right Field.

The Ladies' Golf Championships

TORONTO, Aug. 12.—Having returned from a successful trip in the Maritime, officials of the Canadian Ladies Golf Union are turning their attention toward the remaining national championships of the season.

Rivermead and the Royal Ottawa courses have been chosen for these events. Miss Glenna Collett, of Providence who holds the Canadian open championship for women, is expected back to defend her title.

Mrs. F. G. Letts, of Chicago, had already entered for this year's open championship. Miss Edith B. Hild champion of the Maritimes, is also expected to enter.

Spectacular game witnessed last night by hundreds of excited fans when the York Point Indians shut out the Keppock Bluejackets by the score of 10-2.

The game was called by umpire Ken Worth at the end of the sixth inning on account of darkness.

Games by innings:
 First half—Bluejackets at bat. The Bluejackets paraded on the field led by their captain Phil McDonald and after a brief exhibition of their physical prowess and cut away coats the game began. The Indians star pitcher had an easy time in this innings, because the Bluejackets got tangled up in their coat tails.

The Indians entertained the umpire Mr. Ken Worth to a delightful informal luncheon of ham (well furred) and pie. As the Bluejackets arrived before the dessert the coffee had to be postponed till after the game.

Attendance Numbered 2500—Princess Aubrey, Hector, And The Pup, Are The Winners. Tributes Paid The Late Dr. McIntyre, P. S. Brown And H. Kelly.

The weather for the Montague horse races, which were held yesterday afternoon, was ideal, until about four o'clock, when a heavy shower caused a great many of the spectators to take shelter in cars and vehicles. It cleared off again somewhat but was rather dirty at the close of the races.

The attendance was about 2500, and did not come up to other years due largely to the fact that haying is late in that section surrounding Montague. The track was in excellent condition, in fact faster than it has ever been in its history, and some very good racing took place.

MIGHT CALL IT ABOUT EVEN
 City Brother Had a Great Deal of the Best of His Relative in the Country.

Dr. Samuel Schwab claims that the oldest good story is the one about the boy who left the farm and got a job in the city. He wrote a letter to his brother who had elected to stick by the farm telling of the joys of city life in which he said:

"Thursday we aut'd out to the country club and we golfed until dark. Then we trolleyed back to town and danced until dawn. Then we motored to the beach and Friday there." The brother on the farm wrote back: "Yesterday we haggled to town and baseball all afternoon. Then we went to Ned's and poked till morning. Today we nuled out to the cornfield and gee-hawed till sundown. Then we suppered and then we piked for awhile. After that we staired up to our room and bedsteaded until the clock fived."

VETERANS' OFFICIALS SEND RESIGNATIONS.

Winnipeg, Aug. 11.—A step toward the union of veterans' organizations, as advocated by Field Marshal Earl Haig, was taken last night when the resignations of all officials and the staff of the Great War Veterans' Association were tabled at a meeting of the association.

They will be placed in the hands of Sir Richard Turner, Dominion president, and will take effect immediately the proposed amalgamation of veterans' organizations becomes an accomplished fact.

Two hundred vets attended the meeting and endorsed the proposal for amalgamation.

CHICAGO, Aug. 12.—The unexpected disappearance of Billy Wells, British welterweight champion, who was to have met Mickey Walker, world's champion, in a 10 round bout at East Chicago, Ind., Saturday night will be taken before the New York and California boxing commissions, in an effort to have Wells barred, his Manager Charley Harvey, said.

James Mullen, promoter, called Wells' disappearance, "a plain case of a run out," as he called off the contest, declining to name a substitute and directed the return of advance receipts of \$20,000 to the ticket purchasers.

Wells' \$500 forfeit was claimed by Walker. Wells left Chicago for New York Saturday night.

Hamilton Players Block Deal

MONTREAL, Aug. 12.—Owners of the Hamilton professional hockey team were prevented, the Star says today, from accepting a satisfactory offer from New York interests for their team through the interference of the players. The newspaper says that it is known on best authority that the New York hockey club was prepared to buy the team and the Hamilton owners were willing to sell until their players came in a body to announce that they would not play for New York unless half the purchase price was divided amongst them. Because the Hamilton magnates are not willing to do this, the Star says that a deadlock exists, which the New York interests hope to break so that a transfer of the Hamilton team can be made before the opening of the hockey season.

Canadian Works Of Art At European Exhibit

This year for the first time in history, Canadian works of art will be seen at an important European art exhibition, and also at the most important annual international show of the United States. At the request of the Belgian government, the director of the British section of the 1925 Ghent International Exhibition, has been asked to select some of the Canadian pictures exhibited at Wembley last year for this big event. Never before have Canadian pictures been exhibited en masse on the continent of Europe. Exactly what artists have had their work chosen has not been announced, but it is known that A. Y. Jackson and at least two other members of the Group of Seven will be represented.

But equally important, as indicating the way in which the Canadian artists are being recognized outside of Canada, is the fact that this country is to be represented this year for the first time at the twenty-fourth International Exhibition of oil paintings of the Carnegie Institute, Pittsburg. This is one of the most widely advertised and attended annual art exhibits held in the United States. Sixteen countries will be represented and in other years a separate section has been set apart for the art of each nation. Another country will be added this year with Canada and it is likely that in each year hereafter, the dominion will be invited, along with other nations to take part.

The show opens in Pittsburg at the Carnegie Institute galleries on October 15th and remains open until December 6th, after which the entire exhibition is scheduled to be sent to Philadelphia from January 2nd, to April 1st. Then to New York from March 7th, to April 21st, and after that to St. Louis from May 15th, to July 1st, 1926.

The manner in which Canada came to be invited to take part in this Carnegie Institute exhibition is rather interesting. The director of the gallery, Mr. Homer Saint Gaudens, has been in England, where he attended the palace of art at Wembley, and was so impressed with some of the modern Canadian work that he decided to ask a few of the artists to show their work at his gallery alongside of the Americans and Europeans. The Group of Seven will also be represented in this instance.

Famous Golfers Tee Off From Elevator

VANCOUVER, Aug. 12.—The first golfers in the world, and in all probability the last, to use a grain elevator as a teeing off place are "Chick" Evans, American champion, and Jock Hutcherson, famous British golfer, and members of the golfers' magazine party, who today at noon drove off the roof of Spiller's elevator here.

Two hundred and fifty feet above the waters of Burrard Inlet the visiting golf champions sent their balls far out across Vancouver Harbor in the direction which will be followed within a few weeks by the flow of Canadian grain through this port. The little white balls addressed to "Liverpool" via Vancouver, were also inscribed with the good wishes of "Chick" Evans and Jock Hutcherson.

The party will leave by special train over the Canadian Pacific early Sunday morning, and will arrive Monday at L'Acadie, Sept. 25, under the direction of Tex Rickard.

Gene Tunney And Harry Wills To Fight Sept. 25th

NEW YORK, August 12.—Gene Tunney, American light heavyweight champion, today signed a contract for a match with Harry Wills.

It will be staged at the Yankee Stadium, probably Friday, September 25, under the direction of Tex Rickard.

CECIL B. DE MILLE'S
 PRODUCTION
'The Golden Bed'
 SCREEN PLAY BY
 Jeanie Macpherson

Cecil B. DeMille has just begun to show his hand!

In "The Golden Bed" he has trumped all past triumphs with scene after scene of spell-binding luxury, punch after punch of high-tension drama, gasp after gasp of golden entertainment.

"THE GOLDEN BED" At The Prince Edward A Fine De Mille Social Satire

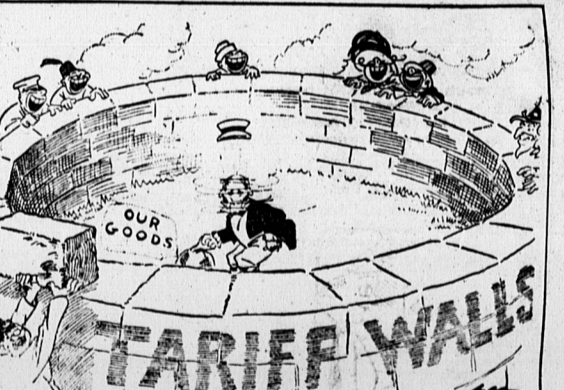

"The Golden Bed" now at the Prince Edward Theatre is a story of two girls, a pampered belle and her resourceful sister—and what they do for a self-made millionaire who is an all too human combination of strength and weakness.

The picture is Cecil B. De Mille's latest production for Paramount which was adapted by Jeanie Macpherson, author of "The Ten Commandments," from Wallace Irwin's novel and Pictorial Review serial. The book was hailed by critics and public alike as "the most searching novel of marriage ever written. Its pages glow with life and love."

And what a picture De Mille has made of it!

Flora Lee, selfish young daughter of the aristocratic family of Peake, and her youngest though far more sensible sister Margaret, are both in love with Admah Holtz, rising young candy manufacturer who is long on money but shy on culture. Holtz marries Flora Lee, the girl who turned her back on him when he was poor, only to realize that it is not she she loves but his money, her resourceful sister—and what she does for a self-made millionaire who is an all too human combination of strength and weakness.
