THE PROVINCIAL GUARDIAN

Offices in New Prowse Block Charlottetown.

J. A. McISAAC arrived in St. John, N. B. on Wednesday last from Charlottetown (P. E. I.) on a business trip.

Rev. W. W. LODGE, of Charlottetown, president of the N. B., and P. E. I., Methodist conference, spent Sunday in St. John.

An interesting short copyrighted story entitled "According to custom" by A. M. Davies Ogden, will appear in the Saturday Guardian of 14th. Be sure you get it as it will not appear in any other paper.

At the last regular session of Burns Division, S. O. T. Tyne Valley the following members were duly installed into their respective offices—W. P. J. K. Ramsay; W. A. Lila Sheen; R. S. Elva May Young; A. R. S. Christy Cook; P. S. Burton Bostock; Con. Pressat; Forbes; A. Con. Sadie Bostock; Chap. Blanche McDonald; Treas. Lucy Bryant; I. S. D. McPhail; P. W. P. John A. Bostock.

O'LEARY Division, Sons of Temperance is still keeping ahead with its good work. On Monday, April 2, the following staff of officers were installed by D. G. W. P.—A. J. Matheson; W. P. P. W. Turner; W. A. Bennet Carruthers; F. S. D. S. Walker; Treas. Geo. Johnson, Sr.; Chap. A. J. Matheson; R. S. S. Mary Stewart; Sent. Margaret Stewart; Con. S. S. Aleitha Currie; A. C. Finlay McKinnon; I. S. Percy Huestis; O. S. Harold B. Turner.

GUARDIAN advertisers will be glad to know that its Saturday issue with its many special features is now read by at least six hundred more people than any other during the week. This increase is in addition to its already much larger sale on Saturday. Every body should read The Guardian and have a copy of the special Saturday edition sent regularly from this office to their friends. They will appreciate it more than a letter. Only fifty cents per year or 25c for six months.

EVENING STAR, S. O. T., Spring Valley is in a flourishing condition, the membership now being fifty-five. The following were the officers elected for the ensuing quarter:—

- W. A.—Russell Champion.
- R. S.—Bruce Champion.

- Con.—Maud L. Ramsay.
- A. Con.—Jessie Champion.
- T. S.—George Lockhart.
- Treas.—George McNeill.
- Chap.—Isaac Bryanton.
- I. S.—Wm Brander.
- O. S.—Robt Hillman.
- P. W. P.—John K. McKay.

A FEW of the sports of Alexandra went goose shooting on the board ice off Governor's Island a few days ago. Two of the party renounced breechloaders, and took muzzle loading guns. They probably thought the old time weapons were better. Between them they shot a bird which fell some distance away, but they did not pick it up at once. An Arctic Owl which was in the neighborhood was not so slack. He swooped down on the dead bird, but the hunters perceived him in time and with their remaining shots sent him as they thought to his last account. When they approached him, however, he turned over, blinked his eyes solemnly and then flew away. He was safe out of range before they reloaded.

A GLANCE through the store of Mark Wright Furnishing Co., last evening convinces all that good housekeepers who visit their carpet opening to-day will meet with a great surprise, certainly never before in Charlottetown was such an elaborate display of floor coverings been attempted. Draped from the galleries on the stores first floor for ninety feet on each side hangs roll upon roll of carpet, sixty-four different rolls being shown in this way—while above the galleries draped from the ceiling are shown portieres and lace curtains—and on the floor are effectively shown forty different patterns of floor matting—up stairs on one side is shown forty different patterns of stair carpet, on the other side lace curtains, portieres, furniture covering and window shades are displayed, and grouped in the centre and at each end an immense stock of squares in Axminster, Melton's velvets, etc., are very prettily shown—one very pleasing feature to the writer is that on everything displayed, in large plain figures, the prices are given, so that visitors can very quickly take in the quantities—qualities, designs, colorings, and most important of all the values. The firm cordially invites the ladies of Charlottetown to call some time during the day or evening.

House cleaning supplies—Our stock in this line is complete—viz. household ammonia, furniture shine, borax, castile soap, moth balls, H. H. soap, insect destroyer, chamois, sponges, etc. Everything good and fresh. Prices always lowest. A. W. Reddin, Phem B. Central Drugstore.

WRITING a want ad. for the Guardian is only a moment's work, and incurs but a trifling expense, and does the work every time. If you mail a want ad to the Guardian, enclosing price in stamps or coins, it will be printed the next morning. If you would try this want-advertising method once you would probably find frequent use for it afterwards. That's the case with others. Guardian want ads never disappoint. They always fill your want.

In the course of a "write-up of Rosthern Sask., which was published in the Manitoba Free Press of last Saturday appears the following—J. G. Weatherly is a Prince Edward Islander, who went to Montana years ago with the early immigration to the United States. In 1896 he returned to his native land, and came direct to the Saskatchewan Valley, residing temporarily in Prince Albert. But later coming and making his home in Rosthern. The school board is the aspect of public life which most attracts for him, and to its interests he contributes his time and energies generously.

CAN YOU RESIST DISEASE GERMS?

Yes, and become "Germ-proof" by Driving Out Blood Humors and Restoring the System.

Why are doctors and hospitals so busy in spring-time? Easily answered. People haven't much surplus vigor in the spring; it was all used up in fighting off colds through the winter.

With thin blood and low vitality, the germs of disease become active and cause fevers and debility. Your one protection is to get the abundant vigor that Ferrozone so quickly supplies; it gives spring-sickness that tired feeling; restores nerve energy and instils vim and force into every ailing organ of the body.

No other restorative is known than Ferrozone; its influence is not temporary but lasting, laying a sound foundation of health that lasts till old age.

Mr. Nazaire Babin of Watton P. O., Que., who received enormous benefit from Ferrozone, writes: "I cannot speak too highly in praise of Ferrozone. If anyone had told me that any remedy could build up my nervous system so well, I wouldn't have believed it."

"Before using Ferrozone I was run down in nerve and vital energy, and in very weak health.

"I didn't get enough sleep at night and felt poorly in the day time.

"Ferrozone has filled me up with energy and vim, increased my weight and made a new man of me."

Your health through the summer depends on clearing away all traces of spring sickness; the remedy is Ferrozone. Sold by all dealers, 50c per box or six boxes for \$2.50. By mail from N. C. Polson & Co., Hartford, Conn., U. S. A., and Kingston, Ont.

Take Iron-Ox Tablets they insure good health. For sale at your druggist. 3dlw.

How Much For Your Eyes?

Would you voluntarily consent at any price to dispose of your eye sight?

I think not, and yet perhaps you are one of those who, by neglect, are irretrievably losing at least a portion of their eyesight.

If your eyes need help, the most likely way to assist them is by wearing glasses, properly fitted.

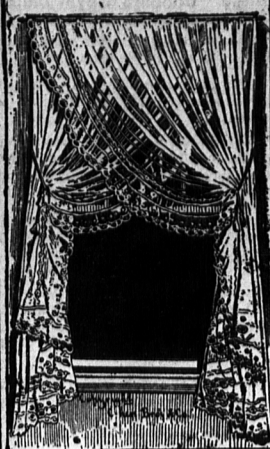

My business is to properly fit glasses. This I do as cheaply as is consistent with good work.

You are invited to call.
