

Re-surface old walls and ceilings with Gyproc

HERE is a wallboard that does not burn, made from gypsum rock into sheets 4 to 10 feet long, 4 feet wide and 3/4 of an inch thick. It is used for interior walls, ceilings and partitions.

As well as being fire-resistant, it has structural strength, insulation value and is draught and vermin-proof. Use Gyproc Joint Filler for sealing the joints between the tall, broad sheets of wallboard.

When you are "doing over" any room in the house or adding new ones in the attic or basement, use Gyproc for walls and ceilings because you can nail it directly over the old surface. Gyproc is also an excellent base for Alabastine, Gypdex or wallpaper.

Gyproc is Canada's pioneer non-burning gypsum wallboard. Ask your nearest dealer for full details and a Gyproc direction sheet. Or write us for the FREE booklet, "Building and Remodelling with Gyproc".

King's Shooting Cup Changed

COMPETITION AMONG DISTRICTS

National Defence Headquarters at Ottawa has announced the new conditions under which "The King George Cup" is to be awarded. Presented to Canada some years ago by His Majesty for competition among cadet corps, it has recently been awarded on the result of a shooting match carried out with service rifles on the open range. Due to the abolition of service range shooting by cadets, the cup will, in future, be awarded to the Military District in Canada having, in the competition for the King's Trophy and Imperial Challenge Shield, the highest percentage of firers to enroll cadets. Custody of the cup will go to the cadet corps of that District having the highest figure of merit.

INDIVIDUAL MEDALS

The ten silver and ten bronze medals, presented by the Directors of the Canadian National Exhibition, will be presented to the cadets of this corps who make the highest scores in the competition, and the ten bronze medals will similarly go to cadets of the corps next in order of merit in that District.

Although this year's shooting of the Imperial Challenge match commenced only on 1st March, a large number of entries have been received from schools in Nova Scotia and Prince Edward Island, and several teams such as the Halifax High and Commin Schools Cadet Corps, King's Collegiate School Cadet Corps, Windsor, and others have finished shooting.

PRINCE STREET SCHOOL

- Honor Roll for April
- Grade X-1. Florence Simmons, 2. Doris Ferguson, 3. Edith Shaw.
 - Grade IX-1. Mariah Shaw, 2. Doris MacDougall, 3. Irene MacDonald.
 - Grade VII-1. Marjorie Campbell, 2. Stella Jay, 3. Dena Court.
 - Grade VII-1. Doris Simmons, 2. Olive MacLean, 3. Barbara Pound.
 - Grade VI-1. Nora Downe, 2. Katherine Bagnall, 3. Jean MacDougall.

Poultry Grades

A supplement to the Canadian Standards for Dressed Poultry issued by the Poultry Division of the Dominion Live Stock Branch provides the following classification of kinds and sub-kinds: Chickens include squab broilers, broilers, fryers, roasters, poulards, capons and stags; Fowl include hens and roosters; the Turkey classes are young hens, young toms, old hens, and old toms; Ducks—ducklings and ducks; Geese—goslings and geese; Pigeons—squab pigeons and pigeons; and Guineas—guinea chickens and guinea fowl. Complete definitions and packing instructions are now available for distribution to interested parties through the Publications Branch of the Department of Agriculture at Ottawa.

DO YOU KNOW

CANDLES WERE USED AS CLOCKS IN THE TIME OF KING ALFRED?

Send in ten cents in stamps and we will mail you a complete set of "Do You Know" cards—sixty cards of knowledge and curious facts printed in color (size 2 1/2 x 3 1/4). Or twenty cents will bring you the sixty cards accompanied by an album in which the cards can be placed as a permanent collection. Address: Dept. O Tuckett Tobacco Co. Ltd., Hamilton.

Buckingham Cigarettes—a smooth refreshing blend of choice tobaccos, sun-treated by powerful ultra violet rays. There is no more mellowing influence than the sun. Buckinghams, treated with giant sun lamps, are remarkably cool and mellow—an all-pleasure cigarette, never varying in quality, packed for freshness in the patented sealed package.

BEDEQUE

The sympathy of the entire community goes out to Mr. and Mrs. F. E. Murphy of Emerald in their sad bereavement in the death of their little son, Maurice John, at the age of five and one half years. Maurice had been ill only for a short time and death was so unexpected that a great shock has been sustained by the sorrowing and grief-stricken parents. The funeral took place from his father's residence on Tuesday morning, and was quite largely attended.

Miss Helen Lawless, Kinkora, has gone to Truro, Nova Scotia where she will spend a few weeks visiting her sister Mrs. Carl Lockard.

Congratulations are extended to Mr. and Mrs. Everett Schurman, of Lower Freetown on the birth of a wee lad in the Prince County Hospital on Thursday, April 23rd, 1931.

At the last card party held in the St. James Hall Summerfield, Mr. Emmet Dunn of Springfield won the grand prize for this season. Mr. Dunn is receiving congratulations from many friends.

A large circle of friends in this community extend their sincere sympathy to Mr. and Mrs. F. P. Murphy of Emerald, in the death of their son Vincent, who died away. The remains arrived home for burial on Thursday morning and the funeral took place from his father's residence on Friday morning, and was very largely attended which testified the esteem in which our beloved friend and relative was held. Service at the St. James Church Summerfield, interment was made in the Springfield Cemetery.

Mr. Thomas Hammill, of Middleton was in Summerside Tuesday visiting his son, James who is ill at the Prince County Hospital, but who is steadily improving.

The sympathy of all goes out to Mr. and Mrs. Howard Waite, who were sadly bereaved on Saturday, April 18th, when their little daughter age one and half years, died from eating tablets which the little one found in her mother's club bag.

The farmers in this vicinity were very busy hauling potatoes last week. Having their trucks out and the quick drying up of the roads soon cleared the potato crop up pretty well for 1930.

Mr. and Mrs. Louis Sherry, and son Ivan of Summerside, accompanied by Miss Nettie Hogen motored to Freetown on Sunday last, and were the welcome guests of Mr. and Mrs. Thom as Ranahan.

The Sunday morning service in the Central Bedeque Baptist Church was well attended. Rev. A. G. Crowe, pastor, delivered a very interesting and impressive address, to his congregation. Singing and music was very capably rendered by the regular choir. A special Sunday evening service was held in the evening to a well filled church of hearers who came to hear an eloquent discourse by the pastor, R. A. S. Groves, in the course of his address, explained "g" in the unhealthy soul, which must be built up accordingly to overpower sin, to live a life of honesty, truthfulness, and righteousness. In closing Mr. Crowe, pressed the important point that we all should try to make within ourselves healthy souls, pure and noble. Each day of our lives and in every way we should do and live better, making our souls, rich and pure, and in the end we shall be greatly awarded by Jesus Christ, the Saviour, who alone can give us everlasting life, by trusting and believing in Him. A sing song opened this service. An Anthem was very appropriately rendered by Miss Verna Schurman. A solo was very beautifully rendered by Mr. J. B. Lewis and Rev. A. S. Crowe, pronounced the Benediction in the closing of this very interesting service.

Master James Hammill, son of Mr. and Mrs. Thomas Hammill entered the Prince County Hospital and underwent a serious operation on Wednesday morning. His many friends will be pleased to know that he is doing as well as can be expected.

The pupils of the Central Bedeque school are rapidly progressing and getting ready to take their June Examinations, under the efficient management of their teachers, Miss Mable Millar Principal and Miss Annie Johnston, assistant.

Mr. James Grennas, of Kinkora paid a business trip to Albany last week.

Mr. John Campbell, of Middleton was a recent visitor to Charlottetown.

Miss Eileen Lambe, Nurse-in-training in the Prince County Hospital, Summerside is spending a weeks holiday with her parents in Springfield.

"I have lost my money, my acc-horses have lost and my wife has eloped. Can I have more dad luck?" "Well, your wife might come back."

Central Guardian

REMOVAL NOTICE—Dr. G. L. Smith's office is removed to 137 Fownal St. 4348-31

LOWER PRICES — Garden City Butter now selling in 10 lb. blocks for \$3.00. 2 lbs. 64 cents. 1 lb. 33 cents. 4307-4-30-tf.

MILTON, St. John's Church, Sunday, May 10th, afternoon service, 3 p. m.; St. Mark's, Rustico, 7.30 p. m. Preacher, Rev. George Westbrook, L. TH.

A MEMBER OF THE STAFF of the Halifax Ladies' College and Conservatory of Music will be in Prince Edward Island in July and will be glad to meet old students and prospective new students. The exact date will be announced later. 4410-5-5-51.

CAR REGISTRATION—About 3,200 motor vehicles have been registered in the Province this season up to the present time. Most cars in the City have already been registered, and rural applications are flooding the registry office daily.

POLICE COURT — At the Police Court yesterday morning, six men appeared, charged with being drunk and incapable. Three had \$5 bail estreated, one had \$6 bail estreated, one was fined \$5 and costs or ten days and one \$10 and costs or twenty days. A man charged with vagrancy was remanded till Wednesday.

QUEENS COUNTY COURT—Argument was continued by Counsel yesterday in the case of J. Emmett Gorman vs. Michael Costello, before His Honor Judge Duffy. The case is an action on a promissory note given by the defendant in payment of the premium on an insurance policy. J. A. McDonald appeared for the plaintiff and R. B. Bell for the defendant. The case was adjourned.

CLASS PHOTOGRAPH—A group photograph of the thirty-one members of the Prince of Wales College graduating class is at present on display in Craswell's Studio window. The third year class of 1930-31 is the largest in recent years. Each distinct picture is a striking likeness of the person represented.

CONDUCTING INVESTIGATIONS — The Provincial Police at present are conducting a number of investigations on cases of theft, breaking and entering, and destitution in various parts of the Province. The officers were unable to carry out these investigations during the winter, on account of the seasonal tie-up. A few summonses have been issued for motorists who persist in carrying old markers, after warning. Prosecutions will be conducted shortly.

NEW RESIDENT—Congratulations are being extended to Mr. Walter Amy, on his appointment to the position of Prince Edward Island manager for the Irving Oil Co., with headquarters at Saint John, N. B. He left on Monday's Limited for Charlottetown, which city he will make his headquarters. Mr. Amy has been a resident of Newcastle since 1915, in which year he was united in marriage to Miss Margaret Hubbard of this town. He has been a travelling salesman in this district since August, 1912, for the past nine years with T. S. Pattillo & Co. of Truro and previously with Wm. Croft and Sons of Toronto. His numerous friends, while regretting his departure, and the severing of pleasant business and social relations, are pleased to learn of his appointment. Mrs. Amy and two children, Elizabeth and Ned, will go to Charlottetown to reside before the beginning of the next school term.—Newcastle Leader.

CORNWALL AND VICINITY

Mr. Daniel Gass, City, spent Sunday at his home in Cornwall.

The many friends of Miss Helen Donahue are sorry to learn that she is confined to her home with a severe illness.

Misses Sarah Gass and Edna Frizzell made a business trip to the city Saturday.

Messrs Gordon Frizzell and Norman Hyde were in the city and visited the new C. N. R. Hotel.

Mr. George McMillan was a recent visitor to Meadow Bank.

Mr. and Mrs. Harrison Frizzell spent Sunday in Cornwall guests of Mr. and Mrs. Robert Frizzell.

The many friends of Mr. Everett Dunsford are sorry to hear that he had the misfortune of losing one of his Shorthorn cows.

Messers Jack Scott and Earl Lowther were recent visitors to the city.

Miss Helen Scott, Meadow Bank, is visiting in Cornwall the guest of Miss Jean Frizzell.

It probably Happens to you — if you are married

Not all husbands fall asleep at the movies and miss something, but every husband is missing something if he does not follow the domestic adventures of "MR. and MRS.—," which will appear every week day in The Guardian—and so is every wife. "MR. and MRS.—" are real folks—interesting, human, lovable—who portray the teapot tempests of married life, bringing you all the smiles and all the laughter. Prospective brides and bridegrooms will also do well to follow "MR. and MRS.—" It contains a wealth of information which may come in very useful later on.

LAUGH with "MR. and MRS.—" Starting in the Charlottetown Guardian MAY 15th.

Cornwall school is progressing most favorably under the skillful management of the teachers Miss Emily Platts and Miss Hester Inman.

THE CLUB-ROOT

The disease known as club-root has proven very destructive to the turnip and swede crop in many sections of the Maritime Provinces, as well as in other parts of the world. So wide-spread has the disease become, it is problematical with many farmers as to whether it is worth while trying to grow this crop.

The club-root resistant Bangholm swedes had their origin in Denmark in 1911, when a perfectly healthy root was selected from a crop that was heavily infected with this disease and seed was produced from this root in 1912.

In 1922, on a heavily infested field at the Experimental Farm, Nappan, N. S., two varieties of swedes, Monarch and this Bangholm club-root resistant strain were tested to determine their relative resistency, with the following results: counting plants that died before harvest and those infected at harvest time, the Bangholm club-root resistant strain had 3 per cent of the roots diseased, while the roots of the Monarch variety were 75.8 per cent diseased.

In 1926, Bangholm showed less than 2 per cent infection, while Thyberd Swede was 90 per cent infected, with respective yields of 1716 and 809 tons per acre.

It is true this variety has not given entire satisfaction in all cases, which suggests the occurrence of physiologic forms. However, many farmers state definitely if it were not for this variety that they would be unable to grow swedes at all. The yield is usually somewhat lower than that of other swedes, but this variety carries a considerably higher percentage of dry matter, which offsets this lower yield.

It should be remembered that all Banghols are not club-root resistant and that no such claim is made for them. When buying seed, the purchaser should find out definitely that it is from a club-root resistant strain.

HEAD OF HILLSBORO SCHOOL

The following is the honor roll of the Head of Hillsboro School for the month of April:—

Grade VII—Carl W. Birt; Viola H. Birt; Beatrice E. Cameron and Coffin G. Douglas, (equal); 2. H. Francis Bambrick.

JOKERS HALT TRAFFIC

MANSFIELD, Mass., May 4—(U. P.)—For the second time in two years practical jokers, or cranks, have stopped traffic on the road to Boston here by erecting a stone barrier. The latest traffic obstruction was placed at an intersection near a curve. Police said it was remarkable that no one had been injured. A boulder weighing more than 300 pounds was among the stones used.
