THE EYES OF THE ENTIRE COMMUNITY ARE CENTERED ON

The Amherst Pianos Going Out of Business Sale! The Climax Has Been Reached--Saturday Tells the Story--Pianos, Player Pianos, Organs, Phonographs, All Go Under the Hammer.

WE START THE LAST LAP OF THE GREATEST PIANO SALE IN CANADA'S HISTORY FRIDAY.

On the stroke of 8 o'clock Friday morning we will start the last final drive on the balance of the Amherst Piano Co's gigantic stock of Pianos, Player Pianos, Organs, Phonographs, Musical Merchandise, etc. We have gone over the stock. Such pianos as Mason & Risch, Amherst, Gilbert, Spies & Co., Cremonese, Stamer, Hartman, etc. all go into this great melting pot for the last final wind-up. The prices are down to a point never before known or attempted in the entire annals of piano selling. The terms—Just name your own if they are within reason we can do business in the twinkling of an eye.

EVERY PIANO, PLAYER PIANO, ORGAN, PHONOGRAPH IS INCLUDED FOR THE LAST FINAL DRIVE.

The bars are down. There are no restrictions for the last few days. Friday night will probably see the last of this great stock. The prices are so low—the terms so far out of the ordinary that we really do not expect to have an instrument of any kind left Friday night.

THE GREAT IDEA BEHIND THIS SENSATIONAL PRICE CUTTING SALE.

We are going out of business in Charlottetown. As soon as the last Piano is sold we close our doors and the Amherst Pianos, Ltd. will cease to exist in Charlottetown. We are compelled to close our store here so that we may divert our output into the hands of our regular wholesale trade. We have a large following of dealers who depend on our pianos to supply them with goods. The chronic shortage of piano supplies has practically cut our output in half. With the result that we find it advisable to close our own stores rather than curtail the supply to our regular wholesale trade. Naturally we cannot ship the stock of the Charlottetown store to any of our wholesale customers and represent the goods as Brand New from our factories. Therefore there is only one course open and that is the Greatest, the Grandest, the most astonishingly liberal Piano Sale ever attempted within the borders of this province.

BRING ALONG WHATEVER AMOUNT OF MONEY YOU CAN SPARE.

A ten, a twenty, a fifty or a hundred dollars in cash will do. Select any Piano, Player Piano, Organ or Phonograph. We will meet you half way on any reasonable kind of terms. As to prices—just glance over this paper here to-day; let your own judgment guide. We are on the home stretch; the moment the last Piano is sold we will lock the doors and throw away the key. Be here Friday without fail or falter—Saturday may be too late.
