

# HOLMAN'S, Summerside, are Offering Special Values in Every Department Next Week---Exhibition Week at Summerside

## HARVEST SALE

Every department of this big store is making special efforts to excel all past endeavors---to eclipse all past offerings---to trim prices to the very core during Exhibition Week, from Sept. 27th to Oct. 2nd, and particularly during Exhibition days Sept. 30th and Oct. 1st.

You will find many attractive offerings right in this advertisement. It would take more than the regular eight pages of the Guardian for a full month to anything like properly illustrate and describe the many good things offering throughout the store.

Be sure to attend the Prince County Exhibition next Thursday and Friday, and don't fail to see Holman's special showing of Fall and Winter styles on display throughout the entire week.
