

A Grand Result in Charlottetown, P. E. Island.

Mr. A. N. FRASER, Provincial Manager, The Mutual Life Insurance Co. of New York, Charlottetown, P. E. I. May 20, 1905.

Dear Sir:—I acknowledge with thanks the receipt of your Company's cheque for \$7030.30 on Bank of Montreal, also Annuity Policy No. 11725 which provides—That on May 1, 1905 and each year for life, I will receive three hundred dollars (\$300), in settlement of my Matured \$5000. 35 year endowment, 15-year INSURANCE CO. OF NEW YORK.

This I consider a splendid result, as to buy an Annuity of \$300 at my age would cost \$7,400, so that drawing \$7030.30 and getting an Annuity of \$300, I am getting practically a cash value of \$10,430.30.

I also carry another policy in your company, in which I have all confidence.

Yours very truly,
(Signed) SIMON W. CRABBE, Manager.

A SMART UTILITY IN THIS SICILIANE SUIT.

The utility suit of today is very far from the idea of becomingness as well as service, as we understand it today. The silks, mohairs and shettines are much liked for these practical and dress costumes, combining as they do the lustrous and "quilted" look of silk with the ease-pleading and non-creasing qualities. A steel grey shettine, cut with a very full skirt, fullness laid in pleats to well below the hip line, and the coat a short, belted, also pleated, is an eminently practical and smart affair. Catches are given the whole by medallions in gray embroidery, showing tints of green, these disposed on the skirt above the hem and appearing again on the sleeves with a narrow trimming of the same banding the jacket. With this may be worn an elaborately fingered blouse, or a simple shirt waist, as the occasion demands, either being equally appropriate and in keeping with the general lines of the costume.

OFFICIALS DISCUSS PLAN FOR HANGING MRS. ROGERS

Brother and Sister of Admiral Clark Wire Governor to Turn Portrait of Their Relative Face to Wall if Vermont is Disgraced by the Execution Friday.

Windsor, Vt., June 20—Governor Charles J. Bell, Sheriff Henry H. Peck, and Superintendent W. S. Lovel, of the state prison were in conference for several hours this afternoon with reference to the arrangements for the appointed execution on Friday of Mrs. Mary M. Rogers. At this meeting it was decided that the Vermont statute would be followed, as far as possible as to their provisions for execution, and particularly as to the law that only twelve citizens of the state shall be summoned as the official witnesses of an execution. Nevertheless the conference took into consideration that the latest legal step to stay the punishment of Mrs. Rogers might be successful and the arrangements therefore were not of definite character, which they would have taken on, where it certain that Mrs. Rogers was to die upon the gallows on Friday.

Superintendent Lovel stated tonight that he had been ordered by United States Marshal Bailey to produce Mrs. Rogers before Justice F. H. Wheeler at 2 o'clock tomorrow afternoon, at the Windsor court. Sheriff Peck received a similar notification. At this hearing tomorrow counsel for Mrs. Rogers will present reasons why the condemned woman should be permanently released from prison. In the event that the court refuses to grant the writ of habeas corpus permanently, it is considered that an appeal will be taken to the United States Supreme Court.

Attorney E. B. Flynn called upon Mrs. Rogers today, and explained to her the various parts of the writ which had been issued in the case. Mr. Flynn told Mrs. Rogers that there was some hope that the court would grant a postponement of the carrying out of the sentence. This information came at a time when the woman was suffering greatly from an operation upon her teeth.

After the conference this afternoon it was stated that nothing more definite would be fixed upon until after the hearing tomorrow.

St. Joseph, Mich., June 20—Captain Lloyd Clark of the United States Supply station here, and a brother of Admiral Clark United States navy, who commanded the battleship Oregon during the battle of Santiago and with the battleships made the famous voyage from Pacific waters to join Admiral Sampson's fleet, today sent the following telegram to Governor Bell of Vermont, protesting against the hanging of Mrs. Mary Rogers: "East Harwick, Vt. "Governor Bell: "Vermont is again threatened with the horrible disgrace of 22 years ago. The reputation and honor of the old green mountains is in your hands alone, and every true Vermonter believes in that highest justice that is the sister of mercy. Should this poor weak woman meet her doom on Friday, in a state where my brother has been so greatly honored, please face his portrait to the wall. Every
