Hunters Corner

(Continued from Page 8)

On many hunters that October 16th is too late for this province and that October 1st is more suitable, particularly with regard to ducks.

In many sections they are more plentiful than the black ducks, particularly in the shallow ponds and lagoons peculiar to the north side.

lieu Park last Sunday with 1-5-1, heading five other good ones. The mile was in 2:07. A surprise win was Gordon Gray in the Free For All Trot. He stepped a mile in 2:08 3-5 to head such stars as Guy C. Etawah, Grant Town, Dot Chappelle and others.

The fact that the customers are leaving the runners in Montreal has caused the management of the well known Blue Bonnets track to make up. We note where they have made constructive advances such as eliminating long parades, cutting down delays in the paddock and the meeting set records for closing early even on the biggest days.

The racing season is moving along quite fast and it will be no time until Old Home Week, August 10-13 arrives. This has been and should continue to be the Maritimes stellar meet, in fact Canada's top race meeting for trotters and pacers. Its reputation has gone far and wide and we are confident the management will this year put on a program that will be fully up to any of the past and probably excel them.

Alec Parsons of London, Ont., who sold his large string of good trotters and pacers at auction last fall, most of which were purchased from W. G. Stewart, New Glasgow, N. S., is back in the game and we notice two of his horses, Mighty Atom and Pine Ridge Louie entered in events in Ontario.

Next Wednesday the Island circuit shifts to Covehead, one of the finest rural tracks in the Maritime Provinces, if not the finest. Proprietor Charles Willis has a crowd-pleasing record for having always given programs that entice the spectators and loosen up their vocal cords.

Maritime fixtures that should not be forgotten are Moncton's three afternoons, July 21-22-23, featured by a \$3,000 Free For All, and Fredericton's Centennial races, Wednesday and Thursday, July 28-29. A card to George Gay or a phone message will give you particulars of the Moncton meeting, and similarly Dr. G. C. McCoy will do likewise for Fredericton.

A telegram received from S. Thane Belyea on Wednesday evening contained the sad news that Harry Jewett had passed away that morning. Harry had an adventurous career. In his youth he spent several years in the United States and became very familiar with horses of all types. He was a splendid judge and an excellent exhibitor. When he devoted himself to racing he had such well known horses as The Exposer 2:06 3-4, holder of the world's eight-hundred trotting record and with him up his vocal record of 2:09 1-4 at Chatham, N. B., which we believe, was at the time the Canadian trotting record and certainly was the Maritime record. Another horse he developed into a magnificent trotter was Border Prince, that he gave a record of 2:12 1-2. Not too long ago he raced Addie McGraw to a record of 2:10 1-2. She was a sensation on Maritime tracks and he sold her to Well McNeill for a nice price.

Harry Jewett was an absolutely trustworthy man, one who could be relied upon to do the right thing under all circumstances. As a result he was highly respected and the friends he made remained true to the end. We personally feel the deepest regret at his passing as we always found him a fine competitor, a good sportsman and friend. To his family on behalf of Maritime horsemen we extend our deepest sympathy.

VICTORIA, THE VILLAGE BY THE SEA

—Mr. Elmer Inman, Providence, R. I., was a recent visitor to Victoria, guest of his father, Mr. William M. Inman and Mrs. Inman. It is around twenty-eight years since Mr. Inman last visited his native province so naturally he would see many changes in ways of farming and modes of travel.

The many friends of Mr. Herbert Gill, Victoria, are sorry to learn that it has been necessary for him to enter the Prince Edward Island Hospital, Charlottetown for medical treatment after having suffered a severe attack of pleurisy some weeks ago. All look forward to an early and complete recovery of his usual health.

Mr. and Mrs. Stewart Inman and Mr. and Mrs. Fred Inman and Miss Edith Inman, Victoria, were in Summerside on Tuesday attending the Inman-Magee wedding.

Mr. Ralph Taylor and young son, Billie, Halifax, N. S., are in Victoria spending a pleasant vacation with Master Billie's grandmother, Mrs. E. H. Wright and two young brothers Bobby and Donnie Taylor at their summer home here.

Mrs. Nathanael Boulter, Victoria, has returned home after a pleasant visit with her niece, Mrs. Fred Boulter and other relatives and friends in Tryon.

Friends of little Master Roger Gill, young son of Mr. and Mrs. Herbert Gill, are pleased to learn he is recovering after being quite ill with pneumonia.

Mr. William M. Inman, Victoria, has gone to Charlottetown to receive medical treatment after a long and trying illness. His many friends here hope he may be greatly benefited by the change.

Mr. and Mrs. Bill Stewart and Mrs. Stirling MacKay, Charlottetown, is in Victoria convalescing at the home of her parents, Mr. and Mrs. Norman Boulter, after being ill for some time in the Prince Edward Island Hospital, Charlottetown. She is accompanied by her young daughter, Gloria Ann.

Mrs. Hennessey MacLean, Victoria, left last week for Toronto, where she will visit with members of her family settled there.

Miss Florence Fraser, Mrs. MacKay and Mrs. Marie Brown, Montreal, are guests at the Orient Hotel, Victoria.

Little Miss Charlotte MacEachern, Appin Road, was a visitor at the home of Mr. and Mrs. Peter MacEachern, Victoria, last week.

At the recent July meeting of the Evening Auxiliary, held at the home of Miss Elsie Boswell, Victoria, in memory of her mother, the late Mrs. Edward Boswell, who was a life member and loyal worker in the W.M.S., the members had the pleasure of having with them Mrs. J. D. MacFarlane, Cranau, and of listening to a splendid address given by this talented lady. Mrs. MacFarlane was a delegate to the Dominion Board meeting in Toronto, from the Prince Edward Island W.M.S. Presbyterial, and so had an interesting topic upon which to entertain these enthusiastic young ladies of this ever-increasing Evening Auxiliary, who listened with rapt attention to the splendid report brought back by Mrs. MacFarlane, who all her life has been an arduous missionary worker.

A large number of the residents of Victoria along with each and every summer visitor who could find a way of getting there, attended the United Church Picnic at Hampton on Wednesday afternoon, July 7th. This picnic under the auspices of the Hampton, DeSable and South Melville sections of the congregation was a huge success and very largely attended. The tables bountifully laden with almost every imaginable delicacy to tempt the appetite were replenished again and again but notwithstanding all this and when everyone who came there to partake of the good things had been satisfied, there still was an abundance of delicious cakes and pies on hand which were sold to ready bidders. The fancy work booth which was well stocked with aprons, quilts, hooked rugs, etc., was well patronized as was also the ice-cream canteen and last

but not least, in the eyes of the younger class, was the old-fashioned horse swing, which was kept busy merry rides for the youngsters. Judging from the nearly hand-shaking and happy conversation, it was obvious that many present had not seen each other for some time, so taking it all around apart from the profitable side a very enjoyable time was had by young and old alike and no doubt many went away hoping that this first picnic of the United Church may become an annual affair. Much credit is due the committee in charge for the success of the affair. Proceeds which are to be used in helping to defray expenses in connection with providing a water system and bathroom facilities in the Manse at Hampton, a beautiful old building which during the past several months has been modernized in many respects and situated as it is in a most picturesque spot in the progressive little village of Hampton provides a comfortable and modern home for the young minister, Rev. T. G. Head his wife and two young sons, whom we trust may see fit to stay for some time, and with the kind co-operation of all sections of the congregation may contribute much to the spiritual uplift and prosperity to this Church.

Miss Doreen MacLean, Toronto, who is visiting at her home in Victoria attended the Y.M.C.A. Leadership Camp for Swimming Instructors and Standard First Aiders held at Holland Cove recently.

Mr. and Mrs. Wriken Moore Westmoreland, Mr. and Mrs. James Gordon and Mrs. Donald Gordon Appin Road, were in Summerside Tuesday attending the Inman-Magee wedding.

Mr. and Mrs. Keith Pickard, Miss Kathleen Fitzgerald, and Miss Florence Inman, Charlottetown, were in Summerside Tuesday attending the Inman-Magee wedding.

ROUNDED SHOULDERLINES FEATURE NEW FUR COATS. NEW YORK — New rounded shoulderlines and wide sleeves nipped in at the wrist with smart little cuffs are fur fashions that women have accepted. Also they like the new collars that range in size from little notched shapes to wide sailor-like types. Capes and stoles were never more-fashionable and they are so right with the new jackets and coats made into these "little furs" from jackets and coats that otherwise would be too costly to remodel.
