TO BANISH DYSPEPSIA.

A Treatment of Dodd's Dyspepsia Tablets Alone is Needed.

When it rains you use your umbrella. When it is snowy, slushy, you use your rubbers. When it is cold you use your furs. People who are equally sensible in all respects use Dodd's Dyspepsia Tablets when they have Dyspepsia, Indigestion, Biliousness, Heartburn, Sour Stomach, Nausea, Insomnia, Sick Headache, Flatulence or Nervous Prostration.

One or more of the members of every family in Canada suffer from one or other of these diseases. All their sufferings can be relieved, their diseases totally and permanently cured in every case, by the use of Dodd's Dyspepsia Tablets. Dyspepsia's Indigestion, Sick Headaches, etc., can be banished utterly from Canada, if the sufferers will each take a couple of Dodd's Dyspepsia Tablets after each meal.

Think of it! The health and happiness of almost the entire nation is dependent on Dodd's Dyspepsia Tablets. THIS IS NOT AN OPINION. IT'S A FACT.

Dodd's Dyspepsia Tablets are the one and only remedy before the public to-day, that will positively, infallibly cure Indigestion, Dyspepsia and the other stomach troubles named above.

No undigested food can lie in the stomach if Dodd's Dyspepsia Tablets be used. The first one taken begins the work of digesting it. The stomach rests and gains new strength and vigor. The bowels are regulated. In from one or three or four weeks you are cured for all time. You forget what dyspepsia or indigestion is, or what a sick headache feels like.

CAUTION.—You are warned against buying, selling, or otherwise trafficking in bottles bearing the name G. H. Simmons blown in the glass. To do so is contrary to the law. Parties having them in their possession will confer a favor by notifying us.—G. H. Simmons. 14 6i
