Country merchants find it to their advantage to use The Guardian's advertising columns. There are many who would do so if they but knew how well a Guardian ad pulls trade.

His Worship Mayor Prowse returned yesterday morning from Bay Fortune where he was the guest of Chas. A. Stevenson of New York on a very successful fishing trip. He reports having a splendid outing.

The next session of the P.E.I. Baptist Conference will be held with the East Point Baptist Church on June 8 and 9th. Return tickets at single fare will be issued over the P.E.I. Ry. to St. John's, where team will meet all who go.

Herbert 2.30 p.m., Pownal 7 p.m., Millview 10.30 a.m. On Wednesday June 3rd at 5 o'clock p.m. the fourth quarterly meeting of the official board will be held at the parsonage. A pretty wedding took place at the Corona Hotel, Winnipeg, on Wednesday evening, May 20th, when Miss Lena R. McPhee daughter of Allan McPhee, formerly of North River, P. E.I. but now of Earl Grey, Sask. was united in marriage to John H. Bogart of Winnipeg. The bride, who was attired in a smart tailored costume of grey cloth, the coat opening over a blouse of cream point d'esprit over satin, was attended by Miss Catherine D. Martin of Belle River, P. E. Island. Mr. and Mrs. Bogart left on the Canadian Northern Flier for a short trip to the United States. Afterwards they will be at home at 176 Edmonton Street, Winnipeg.

The well known and popular theatre, Wonderland, has passed over to new management, and the lines of the house is to be conducted on in future will be solely along those of Motion pictures and illustrated song. The old management have sold out to F. Jennings of N. B., a young gentleman who comes to this City highly recommended, and Mrs. Hogg of this City, the latter having been closely connected with the former management as advertiser, since it took the house over last December. Mr. Jennings will be manager, and the new management makes a strong bid for patronage along the lines that the main feature of New Wonderland is that its endeavor will be to give only programs which instruct, entertain in a refined way, and amuse as well. Vaudeville will be excluded entirely and objectionable pictures left out of the question as well. The hall is now in the hands of the cleaners, G. D. Wright attending to the proper disinfecting and cleansing process, and the rest of the house being remodelled along the same lines. The move is to be commended, and it is an assured fact that when the most select pictures are offered, and the most pleasing and popular songs, along with a clean, cosy house and capable management, that Wonderland will be more in favor than ever. The Guardian wishes the new management success.

A handsome Silver Tea Service, which is now on exhibition in the show window, will be allotted on July 1 to the patron of Carter's Confectionery who obtains the winning number on his purchase coupon. Every coupon for ten cents' worth of goods or over is valid. This is a rare opportunity to try Carter's choice fruit, ice cream and confections.

Dr. Darrach, Kensington, is in the City.

Chester McLure, City, went to Halifax yesterday.

Mrs. Ed. Higgs who has been attending the closing of Mt. Allison College returned home last night.

Michael Murphy, City, baggage master on the S. S. Northumberland has successfully passed his examination, winning a mate's certificate.

Hundreds of people are enjoying the very interesting and amusing views at New Wonderland. There will no doubt be a large attendance tonight.

Mrs. McCarthy of Halifax was a passenger last night by the str. Northumberland, on a visit to her parents Conductor and Mrs. Tanton of this City.

Among the visitors registered at the Canadian Government offices in London for the week ended May 12th were James Paton and Miss Isabel Paton of Charlottetown.

Lobsters are reported very plentiful on the North Shore, particularly at Rustico and thereabouts. At St. Peter's Island and on the South side of the Province good catches have been made recently.

A glorious rain has fallen during the past twenty-four hours, just what was needed by the farmers who during the past fortnight have almost completed their seeding in parts of the Province.

No matter how many attractions in the City New Wonderland gets a good house. The admission is but five cents, and the views and singing as well as piano playing are most entertaining and instructive.

An out of town correspondent writes saying that there are numerous complaints about the roads and culverts. It has been an exceptional year with roads but the writer thinks the authorities should not let summer see winter's ravages.

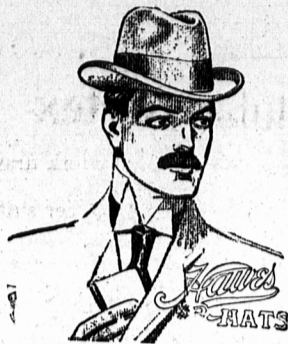

Among those leaving this City today en route to England to attend the Pan-American Convention are Canon Simpson, Rev. S. J. Woodroffe, City; Rev. A. W. Nicholls, Kensington; Mrs. G. W. Hodgson, Miss E. B. Haviland, City and Miss Millicent Wright of Bodeque.

Mrs. Allan McPhee of Earl Grey, Sask., formerly of North River, is visiting Winnipeg where she attended the marriage of her daughter. She will go from there to Orleans, Minn., where she will spend some time with her sister, Mrs. John Gardiner of Chelton, P.E. Island.

The operations of the Government salmon and trout hatchery, near Southern have been exceptionally successful this spring. In addition to the large number of trout fry recently distributed there was collected from the tanks of the hatchery on Monday several thousand little salmon lately hatched out. They were put into cans and taken to Fortune River and set at liberty. A great many young fish have been distributed in the various streams of this Province this spring.

that one hundred cents can buy anywhere in Canada.

IN requesting the men of Charlottetown to come and examine our line of "dollar shirts"—which we call the Moormac—we wish to assure them that we are not referring to the usual dollar variety that floods the market. Not until we were able to put forth something better than the usual would we consent to have it known as the Moormac. The designs, styles and colors are wonderfully diversified including every authentic fashion.

You'll see lines inferior to the Moormac in practically all stores at 1.25—and in many stores at 1.50. Big buying—prompt cash—big selling in close figures—enables us to say.....
