The Colonial Street Co. opened a night's engagement at the Marine Hall, Summerside, last night, before a fairly large audience. The opening of the play was "Bylight of Might" which was acted in splendid style. All the different members of the company taking their parts exceptionally well and with the splendid scenery and electrical effect fully sustained the reputation attained by this excellent company. Tonight they present the New York success, "The Moths of Society" and will no doubt be greeted with a bumper house.

Several cases of petty burglaries have been discovered in Summerside within the last week or so. On Saturday last the lunch rooms of Stirling Phillips were broken into, an entrance being gained by crawling through a hole in the floor in which a chimney formerly passed through, and a quantity of tobacco, cigars and confectionery were taken. On Sunday the stable of Dr. F.W. Cannon was also broken into and a quantity of goods taken. Unsuccessful attempts have also been made on several other places. Yesterday while Thruout Officer Good was on his rounds he discovered a number of young ladies of tender age, some of whom he suspected as being mixed up in these petty robberies. One young lad, on being closely questioned, acknowledged his guilt, giving the names of five others whom he claimed were with him. Officer Grady handed their names to the police and in all probability summonses will be issued against them today.

Advice to the Farmers

Before selling your Lambs this season you will consult your best interests by calling upon Mr W. E. Kimberlin, who represents Schwarzhild & Sulzberger of New York and Chicago, U. S. A., one of the largest packers in that country. Mr Kimberlin is here ready to pay the Highest Prices for Lambs. The farmers should see him or his agents early before selling if they wish to get top prices. Mr. Kimberlin has been coming to the Island for the past four years, and to him and the company he represents, the farmers can give the credit for the present high prices being paid for lambs. To the wise a word should be sufficient. Call or Phone Mr. Kimberlin, Clifton House, Summerside, and get fullest particulars. Don't see 'em until you talk with us first. 9-14dr3ipd.
