American Airmen And Summerside All Stars Split Week-end Games

FIRST GAME

The Harmon Field Americans defeated the Summerside All-Stars Saturday afternoon at the High School diamond by the score of 6 to 4. The locals took an early lead by shoving two runs across the plate in the second inning, Carson singled and went to second on a balk and Gaudet drove him home with a single. Phaneuf filed to second, but Schurman was safe when Wayner threw wild to first, Schurman advancing to second and Gaudet crossing the plate. The visitors scored a single tally in each of the fourth, fifth and sixth innings. In the fourth Archer got a life when Allan dropped his fly to right. He stole second and Blum sacrificed him to third. After Polston struck out, Tomko singled scoring Archer. Wayner hit safely in the fifth and stole second and third. Malchow grounded out to the pitcher, Hennessey flied to second, but Ankrum singled, scoring Wayner with their second counter. In the sixth, Blum got a safe bingle, advanced to second and third on two scratch hits by Polston and Tomko, and came home on a wild pitch. The All-Stars tied up the game in their half of the eighth, Gaudet slamming out a triple to right field and coming home on Phaneuf's infield single, Wayner knocking the ball down but being out of position to throw the All-Star second sacker out. The local defences caved in when the Yanks took their final trip to bat, four errors and three hits accounting for three runs, and making the score read 6 to 3. The All-Stars could only manage a single tally in their half, MacKay going to first for free and crossing the plate when Oatway, pinch-hitting for Daley, came through with a well-tagged three-bagger. Joe Bernard sent a roller to Archer who ended the local threat by throwing Oatway out at the plate.

The party is made up of both boys and girls and forms one of a series of tours throughout various parts of Canada, the United States, Mexico and Central America. Although there are only two established hostels in the Maritime Provinces the group establish and maintain their hostels in many cities through Canada and the United States as well as in the British Isles.

The party plan on spending Monday visiting points of interest in Summerside and after leaving the Province will go to Nova Scotia and include the Cabot Trial in their itinerary.

Prentier, Grand Rapids, Mich., Carol Weiler, Cleveland, Gretrude Harrison, Bronxville, N.Y.

According to present arrangements they do not plan on visiting Charlottetown or points east.—S.

EVENING GAME

The Summerside All-Stars evened up matters with Harmon Field baseball players Saturday evening by defeating the visiting Yanks by the score of 6 to 2. The game, a full nine-inning affair, was featured by the brilliant six-hit pitching of Lefty Gil Williams, who gave up to the airmen from Newfoundland only two safe bingles up to the end of the seventh inning. As in the afternoon game, Carson and Les Gaudet's stick work stood out, the former hitting four for eight in the two games, and the latter, four for seven. Jimmie Grady joined this slugging duo in the nightcap getting a triple and double in three trips to the plate. Another feature of the contests was the fielding brilliance of Tomko, visiting third baseman. Tomko accepted seventeen chances in the two games without a miscue, and some of his plays at the hot corner were brilliant. Hank Landry's display at short field in the second contest gave Tomko's performance a close run for honors. Landry's stops at deep short and throws to the initial sack, hurried as they had to be, left nothing in the way of accuracy and speed to be desired. In the sixth inning Landry, after throwing Archer out at first, backed up the relay back to third, trapped the high throw over the third baseman's head, and threw Malchow out at the plate. Joe Bernard's beautiful throw to third base to cut down Davison after Ankrum had singled to centre nipped a Yankee rally in the bud and ended the game. Bernard also came through with a spectacular one-hand stab of Salaky's fly to right in the second inning. Phaneuf's catch of Hennessey's Texas Leaguer after a long run in the sixth was another standout play in a game that had more than its share of crowd-pleasing performances.
