ALLEGES SHE SAW RYAN RUN FROM SCENE OF MURDER

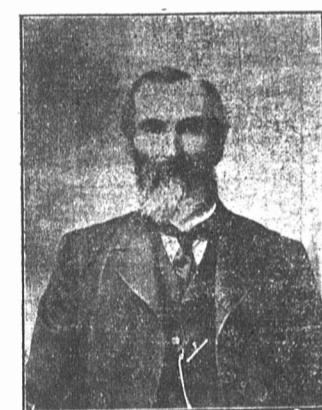

ANNUAL MEETING OF THE EXHIBITION ASSOCIATION

A New Witness Found in the Case

FOR PROSECUTION

A Blacker Outlook for the Charlottetown Young Man—Something for the Defence.

The following later developments in addition to those published in The Guardian yesterday the case against Cyrus L. Ryan, Charlottetown in Hanover, Mass., are from the Boston Traveller. A new and important witness, a woman, has been found by the police in their investigation of the murder of Soo Yea Yoke, who was strangled and thrown into his bathtub in Hanover. In the case they are preparing against Cyrus L. Ryan, who is held on the charge of killing the Chinese, time is of importance. The police have established the fact that the murder was done about 12:28 and Ryan claims that he was not near the shop of the laundryman after 12 o'clock. This woman witness, who is Mrs. Kirk Ridgeway says that Ryan was running from the direction of the laundry at 12:50 p. m. on the day of the murder. Ryan was seen running at top speed in (Continued on Fourth Page)

JAPAN'S WISE MEN IN COUNCIL. Another Cabinet meeting was held today with the Emperor in attendance. CHINA IS AGAINST RUSSIA. Advice from China show there is great anxiety over the situation and much fear, but the dominant party favors resisting Russia. WHEAT ADVANCING INDICATES WAR. CHICAGO, Feb. 4—(Special)—The advance in wheat reflects the belief that war is near at hand.

VICTORIAS DEFEATED.

Truro, Feb. 4—(Special)—The score last night was Amherst 5, Victorias 0. There was a very fast clean game. We only arrived at Amherst at ten o'clock at night and played after. The Amherst people say the game was the fastest ever played there. All the hockey boys are well but they are getting tired. We play Truro to-night and hope to win. This is the first very large rink that we have struck since we began our tour.

A SURE CURE FOR CONSTIPATION. Some remedies cure this distressing complaint in a day, some in a month, but NERVINE never fails to cure in a few minutes. Just ten drops of NERVINE in sweetened water—that's enough, and away goes the dysentery, cured to stay cured. NERVINE also cures Cramps, Colic, Pain in the Stomach, and Sick Headache. It has five times the strength and curative properties of ordinary remedies, and should be in every household. Better buy a 25c. bottle and try it. NERVINE is all right. JOHN, Jan. 4—(Special)—Canadian flour millers have advanced flour 20 cents a barrel today on account of the war.

GEORGETOWN AND VICINITY.

Wm. Bell was a passenger yesterday morning by the Minto from New Glasgow. Minto arrived at two p. m. Wednesday with 20 passengers, 180 pcks. way freight and 31 bags of mail. Edward McDonald and Charles McDonald were passengers by the Minto Wednesday afternoon from Halifax. The annual meeting of the Three Rivers Steamship Company was held Wednesday afternoon at 2:30 in the office of Capt. McLaren. The report of the Secretary—Treasurer was most gratifying, the year's work being particularly encouraging. The officers of the Board of Directors were re-elected. Following is the list: President—George Thompson. Vice President—A. P. Prowse. Secretary—Harold W. McDonald. Directors—Harold W. McDonald, Benjamin Clow, George Thompson, A. P. Prowse.

INSTRUCTIVE AND EDUCATIONAL

Were the Addresses at the F. G. Association

Delivered by Visiting Experts and by our Local Men—The Remainder of the Prize Winners.

The second day's meeting of the Fruit Growers' Association yesterday was again filled with interest, and educative value. There was a large attendance including many ladies. Election of officers resulted in re-election of nearly all the old ones. The first part of the session was taken up with a visit from Professor E. J. McMillan's class at Prince of Wales College. They were very interestingly addressed by Inspector McNeill on the value of a knowledge of fruit growing as a branch of education; and were afterwards given ten minutes' intermission to inspect the fruit exhibits. At this juncture Prof Blair, Nappan was introduced to the meeting. He expressed his regret at his detention in Georgetown. The possibilities for growing of fruit here are great. The fruit on P. E. I. possesses admirable qualities for shipping. Later he would deal more fully with these questions. Then came the question box. In answer to an enquiry as to planting Ben Davis for grafting, Prof. Blair said it was not advisable. He spoke in answer to a question of the benefit of fertilization of trees by bees. A lot of bees assist in transferring the pollen. He had noticed the influence where some of the bees had been destroyed at Nappan. What is the cause of bark splitting on apple trees? Sometimes he had noticed in a rapid growth a slight rending in the bark, not injurious however. John A. Annear, Lower Montague and John Newson explained the splitting of the bark on their trees and Inspector McNeill said the dry wind and the hot sun might have this effect. "Cut out the dead wood," he said, "and paint as you would treat a cancer." John Johnson, Long River delivered an admirable paper on top grafting, which led Chief MacKinnon to remark that it was certainly one of the best papers he had ever heard in Canada and should encourage local men to discuss questions before the meeting and not over load the program by the visitors' addresses. The paper was discussed by A. E. Dewar, John Robertson, Inspector McNeill, Prof. Blair, A. A. Moore and others. Inspector McNeill followed with an illustrated lecture on top grafting, which was much enjoyed and very instructive. The meeting then adjourned for lunch, after a short address from Hon. Benj. Rogers, Commissioner of Agriculture.

AFTERNOON SESSION. The afternoon session opened with addresses by Chief MacKinnon and In-

Held in Board of Trade Rooms Last Night

THE YEAR'S RESULT

Is a Deficit, Though in Every Other Point the Provincial Exhibition was Successful.

The annual general meeting of the Charlottetown Driving Park and Exhibition Association was held last night in the Board of Trade Rooms. The following shareholders were present: F. L. Haszard, President; C. R. Smallwood, Secretary; Judge Fitzgerald, Judge Warburton, F. H. Bear, A. E. Ings, E. R. Brow, Alex. McDonald, J. J. Davies, Hector McLeod, George E. Hughes, Robert E. Longworth, W. H. Atkin, Capt. McMillan. After adopting the minutes of last year the report of the directors was submitted. The Directors Annual Report for 1903 congratulated the shareholders upon the success of the second Interprovincial Exhibition the previous autumn, though from a financial standpoint they were not so happy a position this year. The entries exceeded, in numbers, those of any previous year, despite the fact that through a clashing of dates with the (Continued on Page Eight.)
