L. P. Unions And Holman Victors Win Way Into City League Finals

Led in a third period six-goal scoring splurge by veteran Bill Ryan, L. P. Unions eliminated Highfield Granites from the City League playoffs Saturday night at the Arena, winning 8 to 3 and overcoming the Granites' two-goal lead which the losers had piled up in the opening game of the total-goal series. The round score was Union 9, Granites 6.

Battling to a 1-1 score during an even first period it was an even bet that the Granites would hold their margin. The L. P. U. garnered a 2-1 lead on Lund's long drive during a rough second session in which knees, elbows and sticks were freely used, and on the play the Union team had the edge.

For five minutes in the final period the score remained unchanged, but when Sherran pasted the series-tying counter behind Biggar on "Smelt" Gillis' pass the winners went on a wild scoring spree, adding five goals to their total before the fifteen minute mark had been reached, Bill Ryan pumping in three of them, two of them in as many minutes and unassisted.

The Granites came to themselves in the last six minutes of the game and controlled the play but the deficit was too large although their herculean efforts did bring them two counters, Murley and Johnson scoring on combination efforts.

Bill Ryan, D. Gillis and Hughes were outstanding for the winners while "Don" Lawlor, shifted from defence to guard the draperies, turned in a bang-up performance. Cox, Johnson, W. Rodd and Saunders being the spark plugs of the Granites' cause.

In the second session the losers did all the forcing and succeeded in making it even-stephen, LePage, husky rearguard, beating Baker unassisted.

Both teams scored a goal apiece in the third period and the score is a fair indication of the play. Lawlor to Burgoyne, just the reverse play of the opening Holman goal, made it 2-1 during the last ten minutes, while F. MacMillan banged in Archibald's pass with after Holman's had beaten the "money boys" 5-1 in the first game of the series. As was the case in the opening game of the playoff series, their tilt produced the best hockey. Fast and clean describes the way it was fought throughout. SPORTRAITS

Along The Sidelines

(By Pat Power)

WITH THE ANNOUNCEMENT over the week-end that the Abegweits were through for this season and would hang up their blades until next fall rolls around, finis was written to senior hockey in this Province and brought to a close the most turbulent season that Island fans have ever witnessed. Almost from the outset a state of uncertainty surrounded the future activities of the team and it speaks well for those behind the scenes that the locals failed to quit and fought it out to the bitter end, even though on the receiving end of some tough breaks.

However, all that is history and interest will now center on the Intermediate and Junior playoffs, the playoff dates having just been made known by Vice-President J. E. Sterns of the M.A.H.A. In both classes Charlottetown should be well represented. Abbies appear to be about the class of the Island League while the two finalists of the City League, Holman's and L. P. U., are quite capable of giving any intermediate squad a hard session before conceding defeat. Junior Abbies have again iced a formidable squad in defense of their last year's laurels, although they too will encounter plenty opposition from the Royals before an Island winner is declared.

* * *

THE WINNER OF THE City Hockey League faces a tough schedule this coming week when they will be forced to play four games in five days, three of them coming on successive nights. At present Holmans and the L. P. U. are on the eve of their total-goal series to decide the title. They meet at the Arena tonight in the first struggle with the second game on the books for Tuesday. Out of this series will emerge a winner that meets the fast Montague Primroses Wednesday at the Arena and then travel to the Eastern metropolis Friday for the second game. A lot of hockey for even seasoned players and a task that will require the utmost in the matter of physical condition.

* * *

WHILE HOLMANS WERE doing the expected and eliminating a battling Bankers team from further competition, L. P. U.'s stunning defeat of the favored Highfield squad came in the nature of an upset. Their two goal margin built up in the first game seemed sufficient but several shifts in the Union lineup proved the necessary strategy and gave them the necessary scoring-punch to rap home six goals in a hectic third period and put the ultimate verdict beyond a doubt. Their coming series with a cagey Holman team should provide fast and rugged hockey. The finalists play an entirely different brand of the national pastime, the Unions in all their struggles this year displaying a rugged, hard-bumping method while their undefeated opponents rely on a fast, smooth-passing attack that has been bringing them results. But the games are bound to be close throughout and fans who attend are assured of plenty thrills.

* * *

A REAL VETERAN of hockey and one that played a large part in L. P. U.'s victory was prominent at the Arena Saturday night. We speak of Bill Ryan who started out on a hockey career twenty-three years ago and who showed in the above-mentioned game that "Father Time" may have taken a lot of speed out of his once-nimble legs but that he still possesses that keen hockey mind that in 1923 while he was performing with Bathurst Papermakers, earned him a selection on several All-Star Maritime lineups in company with such former stars as Ches Gregory, the late Dave Crosby, another Charlottetown boy, Jack Ingram and the Lane boys, Fred and Temple, of Halifax.

* * *

BILL'S THREE smart goals in the third period went a long way in clinching the game and series and his young teammates were loud in their praise of his performance.

* * *

AND YET ANOTHER series is slated to commence this week. Donation of the Wellner trophy has, as was expected, aroused considerable interest between the two colleges, Saint Dunstan's and Prince of Wales, and both squads have been practicing daily so as to be in the best possible shape.

* * *

SAINT DUNSTAN'S are taking on City teams almost daily and continue to show improvement while P. W. C. bolstered with the addition of several junior stars and under the guidance of Harry Richardson boast their strongest lineup in years.

* * *

THE GAMES, reeking with that old college spirit, should turn out to be closely-fought tussles all through. The opener of the best out of three series is scheduled for the College rink Thursday night with the second taking place at the Forum the following Tuesday. If a third game is necessary to decide a winner, the site of the encounter is to be decided by the flip of a coin.

* * *

HI-Y GRADS basketball team returned home Saturday night after their unsuccessful invasion of Mt. Allison hoop court. Naturally disappointed at having their winning streak broken the boys are nevertheless high in their praise of the treatment accorded them.

* * *

THAT THEY PUT UP a mighty stiff argument before succumbing is realized by the score. They went into an early lead only to lose it in the final minutes of the period. After they saw their opponents increase this lead at the start of the second session the Grads came with a rush only to again drop back in the final minutes after drawing up to within striking distance.

* * *

FOUL SHOTS PLAYED a large part in the outcome, the winners sinking nine out of ten to account for a like number of points, while the City team had an off-night in this department of the game.

EAGLES BLANK BRUINS IN ROUGH GAME

Shore Centre Of Near Riot After Knocking Cowley To The Ice.

ST. LOUIS, Feb. 17—Easily outplaying Boston Bruins throughout the third period, St. Louis Eagles Saturday night took the hubtowners for a 3-0 ride in a National Hockey League match that ended with fists churning the air.

Catching the Boston defence flat-footed in the final session, the Eagles scored two of their goals. As the siren shrieked for the end of the game Bill Cowley and Pete Kelly rushed down for another good shot. Kelly put it past Thompson but the goal was ruled too late by the referees.

A score of spectators rushed on the ice. Eddie Shore hit Cowley, knocking him to the ice.

Manager George "Buck" Boucher of the Eagles rushed up and after a few words with Shore swung at the defencman and a near riot was stopped when officials plunged into the milling crowd of spectators and separated the pair.

The Eagles goals were scored by Glen Brydson, Carl Voss and Cowley.

MONTREAL, Feb. 17—Hopes of Detroit Red Wings of taking a play-off berth in the American section of the National Hockey League grew dimmer today following a 7-3 defeat at the hands of Montreal Maroons here last night. The loss stretched the Detroit string of winless games to 11 and all but shattered their chances of making the play-offs.

The Maroon second line of Herbie Cain, Russ Blinco and Earl Robinson went on a scoring spree to grab off eight points, Cain notching three goals for himself, Robinson a goal and two assists and Blinco a goal and an assist. Bob Gracie scored two goals. Herb Lewis, Ebbie Goodfellow and Johnny Sorrell each scored for Detroit.

Down three goals shortly after the start of the final session, Detroit put on a spurt that brought them up to within a single counter but faltered as the Maroons rallied their forces to rap home three goals in the last half of the third stanza. John Ross Roach, veteran Detroit netminder, played a brilliant game although he let seven shots get past him and time and again he brought the crowd of about 4,000 fans to its feet with sensational saves.

..TORONTO, Feb. 17—New York's Rangers can cheer tonight about winning four of their six scheduled games this season against Toronto Maple Leafs, but it's doubtful if there is a single chuckle anywhere in the Ranger camp. The Leafs made the final game of the series a picnic for 13,000 fans here Saturday night by scoring a smashing 5-1 victory.

With Harvey Jackson on the sidelines with an injured knee, Bob Davidson also out of action with an injured hand and gallant Happy Day taking his turn on defence despite a broken hand, the Leafs went back to heavy-hitting methods to subdue the Blueshirts in emphatic fashion.

Canada Will Send Tennis Team To Eng.

TORONTO, Feb. 17—Canada will send a team of stars to England next summer to compete in the English championships at Wimbledon, it was decided yesterday at the annual meeting of the Canadian Lawn Tennis Association.

Laird Watt and Bob Murray of Montreal will definitely make the trip, while Marcel Rainville, Canadian champion, will also likely be included on the team.

The team will leave Canada June 2 and stay in England to Aug. 2.

N.H.L. PLAYOFFS WILL BEGIN END OF MARCH

TORONTO, Feb. 17—The National Hockey League playoffs will begin March 22, 23 or 24 and continue each Tuesday, Thursday, Saturday or Sunday thereafter, President Frank Calder announced here yesterday after the morning session of a meeting of N. H. L. governors. Complete playoff plans were given out.

A change in the refereeing system, to take effect immediately, was made. In future referees instead of working for three periods at one end of the rink will work 30 minutes at each end, the first period at one end, the third period at the other and 10 minutes of the second period at each end.

President Calder said a player dispute was discussed but nothing was settled.

The playoffs, the same as last year, are divided into five series. They are:

Series "A" — Teams finishing first in the Canadian and American section meet in best three-of-five games series with the first and

Bruins And Black Hawks Go Into Tie For Second Position In The League

With the win, the Bruins went into a tie with Chicago for second place in the American division, two points behind New York Rangers.

AMERKS' PLAYOFF CHANCES SLIM

NEW YORK, Feb. 17. — (C.P.) — Montreal Canadiens tonight made New York Americans' playoff chances look pretty slim by defeating them 3-1 before 10,000 in a National Hockey League game here. Victory gave Canadiens a five-point margin in the third-place struggle in the International division. The Habitants still have three more games to play than their rivals.

Canadiens took the lead on a goal by Aurel Joliat early in the first period by smart, close defensive play. Checking was careful until the middle of the third period after Armand Mondou's speedy solo rush had made the count 2-0. Then a gang play produced a tally by Lorne Carr and the Americans threatened to get a few more before Leroy Goldsworthy slipped away for the final tally with the aid of Joliat and Pete Lepine.

RANGERS TRIM RED WINGS

DETROIT, Feb. 17.—(A.P.)—New York Rangers trimmed Detroit Red Wings 5-3 tonight in a thrill-packed National Hockey League match before 7,000 fans. Two overtime goals turned the trick.

Detroit has made 9 starts without gaining a victory.

Outplaying the blueshirted visitors for two periods, the Wings had a one-goal lead in the third until Butch Keeling tied it up on a pass from Bill Cook.

In the overtime Keeling scored again and Cecil Dillon clinched matters with three seconds to go by scoring when the desperate Wings were caught far down the ice.

Johnny Sorrell opened the scoring in the first. Murray Murdoch then tied it up and New York went ahead on Bill Cook's first goal. Syd Howe evened matters again in the second and Eddie Wiseman sent the Wings into the lead less than two minutes before the second stanza ended. Then came Keeling's tying goal in the third and the tallies which gave New York the victory in the overtime.
