RE-BUILDING
The Brokdown Structure.

Paine's Celery Compound
Repairs the Diseased Parts of the Human Body and Establishes Health, Comfort and Happiness.

Can we re-build our pain racked emaciated and wasted bodies? Yes the work can be done even though the spark of life glimmers but fitfully and feebly. This work of re-building can only be effectually accomplished by the use of Paine's Celery Compound, that marvelous medicine that has saved so many lives in the past.

Paine's Celery Compound, nature's fortifier and builder, acts directly on the great nervous system, giving pure, vitalizing blood, nerve force, digestive vigor, refreshing sleep and increased weight. Begin the good work of health-building to-day. Take home a bottle of Paine's Celery Compound use it faithfully, and you will have cause for rejoicing and thanksgiving. Mr. C. B. Holman, 292 King St., West, Hamilton, Ont., happily saved from a complication of serious troubles, writes thus: "Having been troubled with a cough, debility and general depression of spirits, I used a number of medicines but received no benefit from them. I was then advised to use Paine's Celery Compound. I procured the preparation and began to use it with wonderful benefit. I am now convinced, after using several bottles of this unequalled medicine, that no other can compare with it in any respect. I am now a changed man; my health is renewed, depression of spirits gone, my appetite is good, and I can sleep well. I will always say a good word for Paine's Celery Compound."
