

Crush The Lemon Extract Evil

The same motives that prompted you to vote for prohibition should also impel you to assist in forcing from the market the liquid lemon extract which has been responsible for long lists of social crimes which have blackened our police court records.

The only effectual way to crush the lemon extract demon is STOP BUYING ALCOHOLIC FLAVORS and use

VETERANS CREAMY FLAVORS

Which are much more effective and economical than liquid extracts. Look at the facts:—Liquid extracts are made up of about 20 per cent. flavor, 80 per cent alcohol which vanishes in the oven heat and is therefore, wasted. WHY—THINK OF IT—One tube of Veterans' Creamy Flavors does the work of five bottles of liquid extract, because,

**Lift Corns Out With Fingers
Don't Hurt a Bit—Magic**

Few drops stop soreness, then the corn or callus lifts off. No humbug!

This tiny bottle holds the wonder of wonders. It contains an almost magical drug called freezeone. It is a compound made from ether.

Apply a few drops of this freezeone upon a tender, aching corn or a hardened callus. Instantly the soreness disappears and shortly you will find the corn or callus so shriveled and loose that you just lift it off with the fingers. It doesn't hurt one particle. You feel no pain when applying freezeone or afterwards. It doesn't even irritate the skin.

Just ask in any drug store for a small bottle of freezeone. This will cost but a few cents but will positively rid your poor, suffering feet of every hard corn, soft corn, or corn between the toes, or calluses on bottom of feet. Just think! Corns fall off!

—A SUCCESSFUL PLAY.—It is very seldom that the folks of Ellerslie and the surrounding districts have the pleasure of witnessing an entertainment of such extraordinary ability, as that held at Ellerslie Hall on March 18th. This entertainment consisted of a play of four acts, entitled, "Josiah's Courtship" and was skillfully rendered by the Bideford Dramatic Club. Through the kindness of W. B. Hayes, music was furnished between the acts by his phonograph, one of Brunswick's best, which added much to the excellence of the entertainment. Despite the roads and weather the hall was filled to its utter capacity with an audience who seemed to know how to laugh. The Club are indebted to W. B. Hayes, who very kindly acted as chairman, also H. B. S. Birch, auctioneer, to whom the financial success is largely due. The amount realized was \$115. Proceeds in aid of the Bideford School.
