SALT RHEUM.

B. B. B. cured Mrs. E. H. Cox, of Victoria, N.B., of itching Salt Rheum of the face over 6 years ago and she is perfectly well to-day.

It is a well-known fact that such severe skin diseases as Salt Rheum or Eczema, Psoriasis, Tetter, Shingles, etc., are prone to return unless the impurities in the blood causing them are eliminated completely from the system. The cures made of all forms of skin diseases by Burdock Blood Bitters are always most satisfactory on account of their permanent nature.

A case that illustrates this most strikingly is that of Mrs. E. H. Cox, whose husband wrote the following letter, dated Victoria, Carleton Co., N.B., October 28th, 1893.

"My wife was a sufferer from an itching form of Salt Rheum that would break out on her face. She tried many things, including doctors' medicines, but nothing did her much good.

"About two years ago she commenced taking Burdock Blood Bitters, when to our astonishment her face began to get well, and by the use of two bottles she was completely cured.

"As to the truth of the above statement I would refer you to J. B. Bowser, General Merchant of this town, from whom I bought the two bottles of B.B.B."

E. H. COX.

The following letter recently received, shows that the cure has been a permanent one:

"I am happy to state that my wife has not been troubled with Salt Rheum in the face since Burdock Blood Bitters cured her some years ago. The cure was a marvellous one, and I verily believe B.B.B. the best medicine in the mar[illegible] induced a number of people to [illegible] they all say it does them good, [illegible] if they have any blood disorder. Fire Insurance Company

OF ENGLAND.

This Company is prepared to take Fire Risks on Property in Prince Edward Island at very moderate Rates of Premium.—Persons having property to insure will find it very much to their advantage to apply to the undersigned for quotions of Rates. —Unscrupulous Agents are endeavoring to persuade persons from insuring in the "Lancashire" by circulating a report that the company never pays its Losses.—This gives us the opportunity of stating that during the Twenty-Five Years in which the "Lancashire" has been operating in Maritime Provinces it *has never had a Law Suit therein*, and further more that on the occassion of the Great Fire of 1877 in St. John N.B. the "Lancashire" was the first Company to complete payment of its Losses, having paid, through us, nearly a Half a Million of Dollar in Claims, within 28 days after the fire (See St. John Daily Telegraph, 19th July, 1877.)

The only outstanding Losses which we have in our books are for Fire occuring within the last four weeks; and which will be all paid before 24th inst.

It is to be regretted that the representive of any Company should consider it necessary to resort to incurative statements in the hope of being able to retain his business at rates higher than these which the Lancashire is prepared to charge.
