Dyspepsia and Heart Trouble

Mr. George Webber, St. George Street, Chatham, Ont., states:—"I was very nervous, troubled some with my heart and suffered a great deal from nervous dyspepsia and indigestion. Dr. Chase's Nerve Food has proven a thorough cure in my case. After having used it for some time I am pleased to say that I am entirely restored to health. The indigestion does not trouble me, my nerves are strong and vigorous and the action of my heart is regular."

Dyspepsia and heart trouble frequently go hand in hand. When the blood is thin and watery and the nerves are weak and exhausted, every organ in the body is liable to get slow and uncertain in action. Dr. Chase's Nerve Food is the most powerful blood-builder and nerve restorative that medical science has ever devised. It cures thoroughly and permanently by restoring the whole system to health and vigor. 50 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto.

—AND— WRITING ACADEMY CH'TOWN, P. E. I.

This College re-opened for the Fall and Winter Course on THURSDAY, AUG. 14, PROX

Intending students will consult their own interests by entering as soon as possible after the date of opening. Last year we were most successful in placing our students in positions. To enable us to do the same this year they must enter early in the session. There are lots of splendid positions waiting for competent persons to fill. Business men are acquainted with our course and method of instruction and apply to us for competent young men and women. Come and get a live education; one with some backbone in it. If, perchance, you have made a mistake in the past, try an education in which you will be rewarded as you exert yourself. The past is gone, the future is yours. A special course in Shorthand and Typewriting will be given as soon as the term begins. "Phonography What it is and What it Does," by Ben Pitman; also full particulars relative to the College will be cheerfully furnished on application to L. B. MILLER, Principal Ch'town, July 17—d&w.
