McBeth; Directors, John Simmonds, Peter Brodie, John Arlidge, Scott Cairns, John Court. The factory has had one of the most successful years on record.

The following kind words signed by the Secretary Mrs. E. E. McKay have been addressed to Mrs. A. Rollings by her co-workers in the Ladies' Aid Society at New Glasgow, on the accidental death of her son in Saskatchewan, which occurred recently. "How transient are the things of life and how brittle the thread that binds the mortal to immortality. We your co-workers and friends approach you at this time with feelings of most sincere and heart felt sympathy on the advent into your life of an hour so fraught with grief and sorrow. We faint would brush away those blinding tears and help you bear your burden of sadness, out as in all such trials human nature seems unwilling to heal a wound so deep. Your irreparable loss, a darling son in a distant land, snatched in one short moment from earth's routine is almost too heavy a blow for human strength to bear and we can only ask you to look through the rift in a cloud so dark to its silver lining beyond to Him who doth all things well, trusting that when life's trials are over we shall meet the loved ones gone before unscathed and unharmed by the rigorous battle of life.

The annual meeting of the Royal Edward Chapter of the Daughters of the Empire was held yesterday afternoon at the home of the Vice Regent, Mrs. J. A. Warburton. There was a large attendance and violet favors were much in evidence in recognition of Violet Day. The annual reports showed the work and finances were in a healthy condition. The officers of last year, with the exception of the Secretary, were re-elected, as follows: Honorary Regent, Mrs. MacKinnon; Vice Regent, Mrs. G. D. Longworth; Vice Regents, Mrs. J. A. Warburton and Mrs. F. W. Hyndman; Standard Bearer, Mrs. J. A. Longworth; Treasurer, Mrs. R. G. Wallace; Secretary, Mrs. McCready. A telegram from the absent Regent in Boston, containing greetings from the Victoria League there, also personal letters from herself and Miss Mellich, were much appreciated. Two new members, Miss Jenkins and Miss Florence Pope, were elected to fill vacancies occurring during the year, the membership being limited to a fixed number. The committee which had been considering the advisability of establishing a home for Aged Ladies, reported that in their opinion the time is not yet ripe for that undertaking and suggesting that a portion of the funds raised by the Chapter be devoted to aid the Anti-Tuberculosis Society in its work. This was approved by the Chapter and the committee was instructed to take measures to raise further funds for that object. A committee composed of Mrs. J. A. Matheon and Mrs. C. H. Longworth was appointed to provide the flowers for such times as Paardeburg Day, and other occasions when floral tributes are usually furnished by the society. After a social hour the meeting closed with the National Anthem.

EQUAL TO PARISIAN MODELS IN STYLE AND SHAPENESS BUT FAR MORE DURABLE AND MUCH LESS COSTLY

YESTERDAY and the previous day we told you a little about the great new range of corsets that we have just opened up for you. To-day we will go a little more into detail. We need hardly speak again of the importance of the long, slenderly graceful models made necessary by the present vogue of the Directoire.

Just in passing—we cannot emphasize too often that the excellence of your costume is almost entirely a matter of the correct fit and proper lines of your corset and above all that we have the right corsets. There is a D & A corset for every figure—we have most of them—if we cannot supply from stock we can procure in about six days.

Directoire model—16 inches long, made of fine, close white coutil, slim, graceful shape, 4 hose supporters attached ..... \$1.00

A beautifully made corset of fine strong white coutil, bias cut, strongly and firmly boned, deep over hip—4 hose supporters, top finished in lace and ribbon ..... \$1.75

A notable sample of the Directoire design is shown in our number 211, made of fine firm coutil, carefully cut to an accurate fit, daintily finished in ribbon and lace, 15 inches deep. . \$1.50

A particularly fine number is our 424, very modern in cut, low bust, very deep over hip, one of the most effective "slim hip" designs shown. 4 heavy hose supporters—lace and ribbon top, patent lace fastener ..... \$1.75

The "Crest" finest of all corsets for stout figures—appears a new model—in accord with present style demands. This is the ingenious corset separated at waist line and lacing over hip with elastic laces. Hose supporters are attached \$2.25  
Ordinary model Crest also \$1.35.

Our special No. 646 particularly smart model.

Strictly first class in every way is this beautiful garment of heavy white coutil 16 inches deep at hip, low bust, 4 heavy hose supporters, top trimmed with wide and narrow ribbon, and fine lace. We strongly recommend this number ..... \$2.75

Corsets from 50c to 3.50, every shape—every style that is good.

### Another 50c Neckwear Sale

Some months ago we were able to offer you some very fine neckwear values at 50 cents. To-day we have some more of them beautiful collars in scores of styles—designs that have helped to make this store the one place for neckwear, neck pieces worth up to one dollar each for ..... 50c

### Coloured Coats—sell at half

Just about a week more should see the coloured coat stock reduced to nothing at all at the present rate of moving. Now please understand us. We are not sacrificing these fine garments because there is anything wrong with them. They are all right and all new—the ranges are broken—we have not all the sizes—and more than all we need the room they occupy. Therefore we are taking a loss rather than carry the goods over.
