B. B. Genuine White Lead links up B. H. "ENGLISH" PAINT with a supremacy record of nearly two centuries.

LINKS IN THE B. B. AND B. H. CHAIN

1729 saw the founding of the firm of Brandram Bros., the inventors of the Brandram Process of Corroding White Lead, a process that produces a lead that has been the standard White Lead of the world ever since.

In 1906 after handling Brandram's White Lead for many years, in the Canadian market, the firm of Brandram-Henderson purchased the Brandram Bros. formulae and exclusive rights to manufacture it in Canada.

In 1909 the final link was forged when the firm decided to use B. B. Genuine White Lead in the manufacture of their B. H. "ENGLISH" PAINT and after practical tests and most careful research arrived at an exact formula guaranteed on every can under the President's signature. Thus was the chain completed.

The B. H. "ENGLISH" PAINT formula of 70 units of Brandram's B. B. Genuine White Lead and 30 units of pure White Zinc, in all tints and white with its ironclad guarantee, makes B. H. "ENGLISH" PAINT the Quality-Service-Paint of Canada.

STILL THEY COME. Montague is being the centre, even more this year than ever before, of a quality of horse flesh, not to be excelled anywhere, and our popular horsemen, known by nearly everyone in Kings Co. Mr. Charles A. McDonald, not to be outdistanced by the recent purchases being made here, has purchased the coming into town, has purchased the beautiful chestnut Stallion, "Britannia" by that great old iron horse Brazilian, 2:19, holder of the Maritime four year old trotting record, for some 18 years, and the first stallion to ever trot three miles in the Maritime provinces, better than 2:20 on one day, and in one race. Brazilian, needs no comment for his name is a household word, known by every horseman in the lower provinces. At the close of the last season he was credited with some twenty two trotters and pacers in the 2:30 list, and not a few of them were in the 2:20 list, and a large per centage in the 2:15 list. This province has never had another such sire, of trotters and road horses, and we doubt if it shall ever see such an-

other again. The dam of Britannia, was Mattie B., by Almont M., a mare of sterling qualities both as a trotter and show mare, and was sold to a party of New York, for upwards of two thousand dollars. Second dam was Kate Kearney by Saladin, third dam by Old Flying Frenchman, fourth dam, by Homevelles. Britannia is a great galloping horse, and the sire of a very high class run of colts.—B.

Easter Sunday in the churches of Charlottetown was observed by the usual bright services and sermons appropriate to the occasion.

In the First Methodist Church the men of the 105th Battalion were present. The church was beautifully decorated. The music by the choir was rendered in the able manner for which the choir of this church is so well known. Miss G. Coombs' singing of "Consider the Lilies was a pleasing feature. The pastor Rev. R. G. Fulton delivered an excellent sermon. In the evening lantern views were shown descriptive of the last days of the Saviour on Earth; the pastor dealing with each in a very lucid manner. The Easter services at the Baptist Church were bright and fully in keeping with the joyous festival. At the morning service Rev. Mr. Heaney delivered an able address on "The Risen Lord" and in the evening his subject was "The Risen Life." Both his courses were listened to and greatly appreciated by large congregations.

The evening musical service was of an exceptional high order. The numbers included "The Resurrection" by Bailey, "Faith and Patience" by Miss Glydon; Anthem "Christ our Passover" Schilling, with solo parts by Mrs. Henderson, Miss Boyer and Mr. Duffy. Also Mozart's Gloria, Chorus. The last named difficult classical selection received a splendid rendition by the Choir. The morning's musical programme included Rodney's Anthem, "Calvary" with baritone solo by Mr. C. H. Dingwell; the anthem "Christ is Risen." The floral decorations were very beautiful.

The Easter services in St. Peter's Cathedral on Sunday were fully in accord with the spirit of the great Christian festival. At the 11 o'clock service there was a choral celebration of the Holy Communion at which Rev. D. J. McDonald was the celebrant. Rev. Canon Simpson delivered an able sermon on the Resurrection. In the evening Rev. Mr. McDonald was the preacher. The various hymns and canticles, etc., were capably rendered, the music being under the direction of the Choirmaster Prof. H. A. Tanton. The evening service was brought to a conclusion by a procession and Solemn Te Deum.

In St. James' Church on Sunday evening the pastor Rev. Dr. Fullerton delivered a very able sermon in which he dwelt upon the sacrifices made by the Canadians at Ypres. It being the anniversary of that notable engagement. Two beautiful anthems for Easter were sung, Mr. A. Bruce taking the Solo parts very effectively.

The services in Zion Church on Sunday were of a decidedly joyous character for the great festival. A duet by Misses Ross and Sutherland, "Our Lord is Risen" was rendered with fine effect. The splendid baritone voice of Mr. R. B. Dunn was heard to great advantage in the beautiful cantata

which was given in the evening and in which all who took part sang exceedingly well. Owing to indisposition Mrs. F. E. Colwell who was to have sung was unable to be present, much to the regret of many. There was also a Solo by Miss Lawson which was a splendid number.

At St. Paul's Church the soloists were Miss Thorne, Miss Amy Earle and Mr. Roy Procter. The music was splendid throughout and the sermons by the pastor were in every way appropriate.

Rev. Leo Herrell delivered an exceedingly able discourse at High Mass in St. Dunstan's Cathedral, his theme

being the Resurrection. Special selections for Easter were rendered by the choir under the direction of Mr. W. J. Brown. Pontifical Benediction was given in the evening by Bishop O'Leary.

In Central Christian special music was also given, and Dr. Bennett preached forcible discourses morning and evening. The soloists were Misses Haslam and Vanbuskirk and Mr. Hubbard.

An appropriate musical programme was also carried out at Grace Church Rev. Mr. Littlejohns being the preacher. Mr. Percy Stanley was soloist in the evening.

The Bile is an Antiseptic

Everything is good in its place. The bile, which, under certain conditions, causes so much distress, is of the greatest value as an antiseptic and cathartic when it is properly handled by the liver.

The chief function of the liver seems to be the filtering of bile from the blood, where it acts as a poison, and pouring it into the intestines, where it hastens the course of the food mass through the alimentary canal, and by its antiseptic influence prevents fermentation of the food.

When you suffer from biliousness and indigestion and have a coated tongue, bitter taste in the mouth, headaches and loss of appetite, you will do well to look to the condition of the liver. Other symptoms are wind on the stomach, which causes belching, and the formation of gas, which gives rise to dizziness and pains about the heart.

Because the liver has failed, the food in the alimentary canal is fermenting instead of being digested, looseness and constipation of the bowels alternate, the whole digestive system is thrown out of order and the blood is poisoned.

By immediately awakening the action of the liver and bowels, Dr. Chase's Kidney-Liver Pills affords relief for this condition most promptly. On this account they are generally recognized as the most effective cure for biliousness, liver complaint, indigestion, constipation, and the pains and aches which arise from poisons in the blood. The benefits are lasting because this medicine removes the cause of trouble.
