Where doctors have pronounced cases incurable from consumption and other wasting diseases Psychine steps in and rescues numbers less people even from the very verge of the grave.

Mr. Campbell, one of the many cured, makes the following statement: I cannot refrain from telling all who suffer of my remarkable recovery with Psychine.

Psychine never disappoints. PSYCHINE has no substitute. There is no other medicine "Just as good."

A WOMAN'S BACK WAS NOT MADE TO ACHE

Thousands of Women suffer Un-told Misery Every Day with Aching Backs That Really have no Business to Ache.

Under ordinary conditions it ought to be strong and ready to bear the burdens of life. It is hard to do housework with an aching back.

But they can't help it. If more work is put on them than they can stand it is not to be wondered that they get out of order. Backache is simply a warning from the kidneys and should be attended to immediately so as to avoid years of terrible suffering from Kidney trouble.

AN HONEST MAN.

Wrote and told us that Ozone had not cured him of stomach trouble. He did not say what kind of Ozone we wrote and asked him if he was sure he had been taking Solution of Ozone, the kind that contains a coupon entitling the purchaser to one full sized 25c. package of Celery King free of cost.

He replied that he had not knowningly taken some other brand, and was sorry that he had treated us unjustly. Then he consented to use Ozone (the coupon kind) with Celery King - he's a well man to-day. You can be cured just as easily if you are careful to ask your druggist for Ozone (the coupon kind) made by the PUBLIC DRUG CO., BRIDGEBURG, ONT.

STOMACH TROUBLES

To wrong action of the stomach and impaired digestion a host of diseases owe their origin. When the food is imperfectly digested the full benefit is not derived from it by the body, and then stomach troubles start to appear.

Thus you become thin, weak, nervous and debilitated, energy is lacking, brightness, snap and vigor are lost and in their place come dullness, dizziness, loss of appetite, depression and languor.

BURDOCK BLOOD BITTERS

Miss Lillian Parlette, Jacques River, N.B., writes: "I was very much troubled with my stomach and did not know what to do. I consulted several doctors, got medicine from them, but all to no purpose, and was constantly growing weaker."

Dr. W. Chase's Catarrh Cure... 25c. is sent direct to the diseased parts by the Improved Blower. Heals the sinuses, clears the air passages, stops droppings in the throat, and permanently cures Catarrh and Hay Fever. Blower free. All dealers or Dr. W. Chase Medicine Co., Toronto and Buffalo.

ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising.

THE GUARDIAN COVERS THE FIELD

The Guardian covers the City and Province within which it is published more fully and completely than any other newspaper printed in Canada.

With a daily circulation of its morning and rural edition now about 8,000 and growing from day to day, it has broken all records for a daily publication in a small community.

Charlottetown has a population of 12,000 and Prince Edward Island has 103,000. The Guardian's daily circulation is therefore as 1 to 14 of population in the city in which it is published, or 1 to 13 of the population of the Province. This is the management believes, unequalled by any daily newspaper published in Canada.

Take one or two comparisons with other leading newspapers in other cities and provinces. St. John has a population of 40,000 and the Province of New Brunswick 280,000. St. John has five newspapers and among these The Telegraph and The Sun are perhaps the foremost. Each claims a circulation of about 8,000, or say as 1 to 5 of the population of that city and 1 to 40 of the population of the Province.

Or again: Toronto has a population of some 230,000 and the Province of Ontario about 2,225,000. The Toronto Globe is a great Canadian newspaper, known all over the world as one of the foremost. The Globe's published daily circulation is slightly under 20,000. That is as 1 to 5 of the population of Toronto and 1 to 44 of the population of Ontario.

The point is this, that The Guardian covers the field of its circulation three or a half times as well, if compared with population of the city, and over three times as well, taking the population of its Province, as the best New Brunswick and Ontario daily newspapers, and these are admittedly among the best in Canada.

These facts are printed in no spirit of boasting, but for the satisfaction of Canadian readers and advertising patron alike. They have a right to know how completely their favorite Journal is endorsed by the reading public among whom it circulates and how completely it covers the field as an advertising medium in this City and Province.

There are thousands of women here, there and everywhere, who are suffering from a run-down condition. The tendency is, to let matters go, till serious illness or some chronic female weakness results.

Do you ask, how? Do as Miss Clark and Mrs. Thomas did when they got run-down. They took Health Tablets.

The benefit secured from one box of Dr. Hugo's Health Tablets has been so great that I am satisfied one box more will effect what you claim for them, and make me again a healthy woman. -Mrs. Jennie Thomas, Dixville, Que.
