MONDAY.

—YOUTH ARRESTED.—Albany Gallant, a lad of about fourteen years of age, was arrested on Saturday on a charge of larceny from the store of Bruce McKay & Co., Summerside. This boy was employed in the store during the time the Militia were in camp, and for a week or so afterwards, during the time several articles, such as revolvers, knives, etc., were missed and suspicion rested on this boy, who in the meantime had left the town. On his return on Friday night he was placed under

—Rev. Brother Amos, son of the late Wm. Walsh of Elmisdale, has been spending some weeks with his mother and sisters at their beautiful home near Elmisdale. He will in a few days return to his Community in New York where he has the singular good fortune of living and teaching in the same community with his brother, Brother Canillus, who is also a member of the same order. The Brothers are many Island boys among the Brothers carrying on the great work of teaching the young, but there is room for more and good subjects are and will be as welcome as the harvest is great.

—HANDSOME NEW BOAT.—On Friday last citizens noticed a very fine new motor-boat in the harbor and on inquiry learned it had just arrived from Cape Traverse in charge of Mr. Leslie Campbell, the designer and builder of the boat, which he was delivering to Mr. W. F. H. Montgomery of Bedouque. The boat is splendidly built and equipped and reflects much credit on the builder who is already famed for his skill as a boat builder.—J.

—GOOD CROPS.—In spite of the heavy rainfall in the vicinity of Mount Carmel and Egmont Bay the grain crops are doing fine and low land in certain sections does not seem to have suffered as much from the wet as was anticipated.—R.

—THE SABLE.—Private advice received from Halifax convey the information that the new steamer "Sable" owned by Farquhar Bros. is expected to take up the sailings from the Island, Halifax and Newfoundland in about a weeks time. The "Sable" will in all probability call at Summerside, although the route has not yet been definitely decided upon.—J.

TUESDAY.

—ELECTRICAL STORM.—The last thunder storm has played considerable havoc, especially on telephone lines between Mount Carmel and Wellington Station. More than a dozen poles to which the wire was attached were more or less demolished, tearing down, at the same time, the wire and in one place especially, the wire was severed into minutes. This shows the illimitable power of the electrified atmosphere which must have been intensely supplied in these regions.—R.

—WEDDING BILLS.—A very quiet but pretty wedding was solemnized on Tuesday, the 21st of July in the Sacred Heart Church, Alberton, when Mr. Matthias Graves of that town, was united in the holy bonds of matrimony to Miss Mary McClellan, Centre Line Road, Mr. Bona McClellan acted as best man for Mr. Graves, while Miss Lottie Kinch stood by the bride. The Rev. Maurice MacDonald officiated at the ceremony and the Guardian extends its heartiest congratulations to the happy couple with wishes that they may enjoy many years of happiness as they travel together through life.—A.

—AN IDEAL SPOT.—Mrs. (Dr.) F. W. Jardine and Mrs. Geo. E. Brown of Kensington, are spending a well earned holiday at French River, the guests of Mrs. W. G. Simpson of River Side Cottage, also of Kensington. The spot is ideal as a vacation resort. The beautiful winding river, calm in the noonday heat, and gently wafting the sea breeze landward, or again in the evening gliding in the moonlight, dotted with motor boats, conveying the pleasure seekers on an excursion while the local orchestra furnishes choice selections of music for the occasion. Surely such an environment must bring to the over-wrought body and tired brain, peace and calm, a forgetfulness of the past. Indeed many do not fear lest they forget to return to take up their ordinary trifling round of life. It is hoped that such will not be the case. Meanwhile let all speak softly, lest they disturb their summer dreams.

—BASEBALL.—The game of baseball on the school grounds between a picked team from Summerside and the Moncton team on Wednesday evening last was witnessed by a large crowd. The game was well played, the locals winning by a score of 5 to 3. Morrison pitching for the locals was in good form, not letting a man past second until the 4th inning when one visitor got as far as third when the side was retired. The visitors went to bat first and in this as well as in the 2nd and 3rd innings were retired in order in the fourth inning they succeeded in getting three men past first only to be retired trying to reach 2nd and 3rd in the 5th inning they got their first run but in the 6th went out in the same manner as in the first three innings, the first visitor up in the 7th dropped a high fly to Gaffney in centre field while the next two succeeded in reaching 2nd and 3rd when Gill a local man who was filling in for the visitors landed on Morrison for a 2 bagger scoring the two men on bases, the next batter up struck out. In the first inning at bat the locals landed a heavy on Shirley scoring runs, in the 2nd they were out in order but in the 3rd again landed heavy getting 3 more runs. O'Brien now relieved Shirley in the 4th but he tightened up the locals got 2 more in the last two innings they could not seem to find him at all being retired in order. The batteries were Morrison, Shirley, O'Brien and White; Summerside, Morrison and Thompson; Umpire McCollough, Base Judge, Whitney.—J.
