

HOLMAN'S 73rd Anniversary

The Bargain Event of the Year!

Dinnerware Guessing Contest

SUMMERSIDE AND CHARLOTTETOWN

Each year we endeavor to secure for our Anniversary Sale values that will be unheard of savings to our Customers. This year we have secured a few Dinnerware Sets of very attractive pattern and most excellent workmanship. The regular price of these Dinner Sets is \$35.45 per set.

For our Anniversary Sale days we are offering our Customers something unusual in a Dinnerware Guessing Contest.

In our window during these three sale days there will be displayed a set of this Dinnerware and to the first twelve people guessing the nearest within a certain amount of the correct number of Dinnerware pieces in this set we will give a cash discount of \$10.00 off the price of the Dinner Set.

For your guidance in putting in your guess, we will say that each set made up in our Summerside Store is made up of over 100 piece selection and the sets in our Charlottetown Store which are of better quality are made up of less than 100 piece selection.

Leave your guess at the office of our Crockery Department and come early.

CELEBRATE WITH US!

Dear Friends and Customers:—

Seventy three years ago our business saw the light of day and the foundation was laid for our present organization.

Seventy three years of progress is something that we naturally feel proud of but we realize this could not have been possible had we not had your hearty co-operation during this period.

Our business has been built upon the foundation of Service to the Public, the Goodwill that has grown from this service is one of our most valued assets. Upon this foundation we have erected a buying power that has brought this Continent and most of Europe to our door, offering us their products. This buying power enables us, at all times, to place before you a store full of merchandise suitable to your needs and at prices that will appeal to your pocket book and that cannot be equalled elsewhere.

For our Three Days Sale we have prepared a list of bargains of outstanding merit. We solicit your inspection and are confident that you will be pleased with them.

You will be interested in knowing that our sales for every month of our New Year which started February 1st, have been larger than the corresponding month of previous years. Will you not continue to help us with your patronage so that 1930 may continue to break all records.

Yours very truly,

R. T. Holman
President. R. T. HOLMAN, LIMITED.
