

### Eczema on Hands. Unable to Work. Healed by Cuticura.

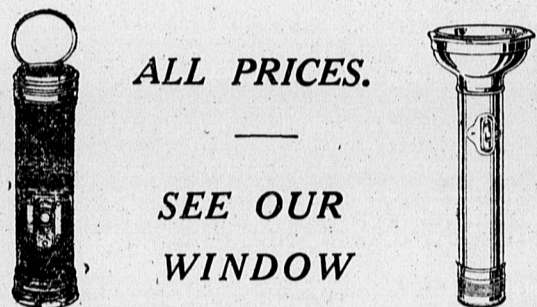

"Eczema broke out on my face and was in the form of a rash. I used to scratch it and the irritation was sometimes unbearable. The eczema spread to my hands and I was unable to do my regular work or put my hands in water for over a month. They were so sore that I wore rubber gloves when I did any work. "I read an advertisement for Cuticura Soap and Ointment so purchased some. After the first application I got relief and in two months I was completely healed." (Signed) Mrs. William Coward, R. ### WILLIAM WADDELL

Many friends through the province will learn with deep regret of the death of William Waddell, Mount Tryon, on Sunday, November 2nd, 1930.

Mr. Waddell was born on July 28th, 1852, at De Sable and moved to Mount Tryon with his parents, when a boy of seven years of age.

He was in perfect health until about seven months before his death, when he was taken sick with heart failure, although not confined to his bed until a week before God called him Home. He was a faithful member of the Presbyterian Church at North Tryon and also a member of the Orange Lodge. He will be much missed in the home and also in the community where he was always ready to lend a helping hand in time of need. He was known far and wide and was well liked, being of a cheerful nature.

Mr. Waddell was married fifty-two years ago to Miss Mary Ann MacDonald, of Shamrock, who survives him. Besides his sorrowing wife, he leaves to mourn, three sons and five daughters, namely, Wallace, Baltic, John A., Waltham, Mass. and Wilbur, at home; Mrs. James Winchester, St. Eleanors; Mrs. W. A. Burns, and Mrs. O. P. Currie, Waltham, Mass.; Mrs. C. P. McInnis, Medford; and Annie of Milton, Mass. Also two brothers, Alexander, of Shamrock, and George, Seattle, U. S. A. and three sisters, all of British Columbia.

The funeral was held on Tuesday from his late residence to North Tryon cemetery where his remains were laid to rest to await the Great Judgment day. The pall-bearers were six nephews, Maurice and Urban Waddell, Angus M., Harold, Roy and Earle MacDonald. The service was conducted by Rev. R. H. Stavert, Hunter River. (Patriot, Please Copy.)

**GOLD HUNTERS DISAPPOINTED**  
(Canadian Press)  
CAPE TOWN, South Africa, Dec. 15.—The Litchenburg correspondent of the Cape Argus tells about a diamond "rush" proving fruitless. He says: Rumors were current at Colligony of a second Namaqualand diamond fields having been discovered somewhere near Kuruman. A message was received that a 400-carat stone had been found, and, acting on these rumors, a party of local men left hurriedly and travelled through the night. They met a number of cars from other places, all making for the supposed new fields. On arrival at Kuruman they were told that the "spot" was 400 miles further on in the desert, and on hearing this disappointing news the party decided to turn back.

**TIDBITS**  
Asked to write an essay on Quakers a little girl wrote:—"Quakers are very meek people who never fight and never answer back. My father is a Quaker, but my mother is not."  
"Oh, what a funny-looking cow!" said the chic young thing from the city. "Why hasn't it any horns?"  
"There are many reasons," answered the farmer, "why a cow does not have horns. Some are born without horns and do not have any until the 15 years of life. Others are dehorned while still other breeds are not supposed to have horns at all. There are many reasons why a cow sometimes does not have horns. But the chief reason that this cow does not have any horns is that it isn't a cow at all. It's a horse."
