SPORTING NEWS

With victories meaning an advance in the standings to both squads, Flying Officer Cotie's Summerside Air Force squad and Johnny Squarebriggs' Collegians are expected to furnish one of the hottest City League meetings of the season when the two teams clash at the Forum in tonight's encounter.

• • •

As was the case in the last meeting between these two squads, no quarter will be asked and none given once they swing into action. Air Force, at present tied for league leadership, withstood the Collegians' closing drive to win that time 6-4, but even in defeat the Collegians looked to be just as good as their opponents.

• • •

Since that tussle the College boys have been pointing to a return meeting with the well-balanced Summerside outfit and tonight they get their chance to atone for that setback.

• • •

A big majority of the fans lean slightly towards the Summerside team, pointing out that their better balance and very superior weight will prove too tough for the youngsters to overcome. But one thing has to be taken into consideration and that is the courage and fight contained in the ranks of the Collegians.

• • •

Already this season Collegians have made their fighting spirit pay dividends, offsetting a superiority in power that their opponents held. That can happen again tonight. Collegians may be outweighed and at times outsmarted, but given a few breaks of the game they will make it plenty tough for Flying Officer Cotie's squad.

• • •

No changes have been announced in the team's lineups and it is probable that the teams will ice the same squads as performed their last time out.

• • •

Showing surprising strength right from the opening whistle, Navy hockey team struck into the win column Tuesday night with that sparkling 7-4 win over the current co-leaders of the league, and the "Tars" were full credit for their victory.

• • •

From the goalie out, with the defence playing a sound game in front of O'Shea and the forwards skating at top speed both ways, the Queen Charlotte team, making the most of their scoring chances set the Airmen back on the defensive with a two period offensive and then staved off the determined attacks of the losers all through the final period to complete their upset victory.

• • •

From a spectator's viewpoint the game was a highly exciting one throughout each and every period. The encounter was crammed with action all the way, even to an argument between the two officials and a brief fist fight thrown in for good measure.

• • •

It abounded with fire and dash by all the players all the way through the piece and the hard-working efforts put forth by the teams made up for any lack of hockey finesse. And at that, the game abounded with many smart plays.

• • •

By their victory over No. 2 A.N.S. Navy, after being on the losing end a good many times, earned a large following among the fans and said fans were quick to predict that providing they will have the two Whitlocks, Roach and Jackson for the balance of the schedule they are going to be very tough to knock off from here to the wire.

• • •

And their performance on Tuesday night stamped them as strong contenders for the league title. True, it was their first win since the league opening, but despite this they have still time to catch one of the three playoff spots if they can keep turning in efforts that marked their performance against the strong Air Force squad.

• • •

Conny Smythe had his first glimpse of Toronto Maple Leafs in action in a recent workout and so impressed was the doughty Smythe that after the workout was over he was in better voice than at any time since his return from overseas.

• • •

"Best tonic," said the little man, "I've had since I came home. It was like getting acquainted all over again after a long absence from the neighborhood."

• • •

He had his first public demonstration of N.H.L. rules that have been considerably revamped since the spring of 1942. He saw for the first time in Leaf uniforms such performers as Frank McCool, Babe Pratt, Ross Johnstone, Gus Bodnar, Mel Hill, Tommy O'Neill, Elwin Morris and Teeter Kennedy. Nick Metz, Dave Schriner, Wally Stanowski, Bob Davidson, Johnny McCreedy and Lorne Carr were the boys he remembered from the 1942-42 Stanley Cup team.

• • •

Major Smythe was particularly impressed with two of the players he was looking at for the first time, Kennedy and Bodnar. "For N.H.L. sophomores," he said, "I think Hap has come up with two of the best-looking hockey players I've seen in a long time."

• • •

"I believe," he continued, "you sideline critics are underestimating Ross Johnstone as a defenseman. For an 18½-year-old he looks like a mighty fine prospect to me."

• • •

Smythe pointed out that Red Horner at 19, did not look nearly as promising as Johnstone. "It took us four years to make him into a defenseman. And I recall we had to ship most of our defensemen down to Syracuse for experience before getting them ready for the majors.

• • •

"Here we have a boy just out of junior ranks, big and strong, and a good prospect in my opinion. And I notice from our game surveys that goals against us aren't being scored while he's on the ice with Pratt."

S'side Team Clashes With Local Collegians In Tonight's Hockey Game

With a chance to go into first place in the standing past the idle team from No. 2 A.N.S., No. 1 Bombing and Gunnery School hockey team from Summerside have a date with the hard fighting Collegians at the Forum tonight in a scheduled game of the City Hockey League.

And it promises to be a battle all the way with the young, light band of Collegians aiming for a victory, a victory that would place them right on the heels of the two Air Force teams and at the same time help widen the gap that separates them from the now dangerous looking Navy team.

Collegians were beaten 6-4 the last time this pair met, but in defeat looked real good, driving their opponents back on the defensive in the closing stages to very nearly wipe out the margin the Summerside team had piled up.

Tonight the Collegians intend to go all out from the opening whistle on and if Summerside elects to meet the locals at their own game then fans can expect wide-open, hard-hitting hockey all the way.

The game will get underway at 7.30 sharp and the large crowd of fans who are expected to witness the struggle are asked to make it a point to be in their seats on time if they are to be in on all the action that is fully expected to take place.

Following are the probable lineups for the encounter.

Collegians: Goal, Proude; defence, A. J. McAdam, Hennessey, Martin, A. McDonald; forwards, Blanchard, Nicolle, Robertson, Larue, McIsaac, Cameron, Irvin, McMillan, Quigley.

Air Force: Goal, Nixon; defence, McDivitt, McPherson, Lecompte, Miller; forwards, Cussion, Bower, Evans, Midghall, Kerr, Winn, Crichton, Lefebre, Chouinard.

Baseball Has Enough Men To Get By In '45

(By The Associated Press)

NEW YORK, Jan. 24—Professional baseball probably has enough 17-year-olds and players over 38 to man the 16 major league routers if conditions necessitate such action, a survey showed today.

The survey by the Associated Press uncovered almost 450 players whose 1944 experience ranged from the big leagues to class D. Many of these still would be available if all now in the military draft age—18 to 38—should be taken.

It wouldn't be big league ball but it might serve as an acceptable stop gap if proposed national service legislation is passed and put into immediate large-scale operation.

There has been no official indication from the sport or from the Government that there will be any radical change in the attitude expressed by the President's "carry-on-if-you-can" message.

Big league executives have continued to make training-camp plans, player deals and mail out contracts on the assumption that the season will open as usual in mid-April. For the most part they are depending on the holdovers from '44 who have not been called to service. No club has shown any indication to load up with any large amount of over-age and under-age talent and probably none will except as a last resort.

Any sweeping grab of the 'teen agers and over 38's probably would wreck most of the minors and would involve drastic changes in the methods by which players are moved up the baseball ladder. Only an extreme state of emergency could force such action.

Rangers Win Bantam League Encounter

(By The Associated Press)

CHICAGO, Jan. 24—New York Rangers, battling for a spot in the Stanley Cup playoffs defeated Chicago Black Hawks 4-3, in a National Hockey League game here tonight before 10,506 fans. A disputed goal by Ab Demarco in the second period gave New York its victory margin.

Former Dodgers Manager To Return To Civilian Life

WASHINGTON, Jan. 24 — (AP) — Lt.-Col. Larry MacPhail, former president of The Brooklyn Dodgers, is on his way back to civilian life.

A special order for his discharge has been issued, effective Feb. 10 it was learned from the War Department.

MacPhail's return to inactive duty will not be for reasons of physical disability.

The job MacPhail has been doing for Undersecretary of War Patterson is complete, the War Department said. MacPhail handled public relations work on industrial conferences.

For some time rumors have been afloat that MacPhail was about to be promoted in rank and appointed sport co-ordinator of the United States or be discharged.

British Consols Trophy Play To Get Underway At Local Club Jan. 31

Play for the Charlottetown Curling Club elimination contest British Consols Trophy will get underway on Wednesday, January 31st. Entries for this competition must be in the hands of the chairman, games committee, not later than Tuesday, January 30th.

All Skips desiring to enter this contest must be prepared to play at times scheduled, day or night, or lose games by default. Owing to the lateness of the season and prevailing ice conditions this contest must be concluded in two days

Chairman, Provincial Games Committee.

Rangers Defeat Black Hawks 4-3

Scoring a goal in each of the two periods played, Bantam Rangers last night defeated Canadiens 2-0 in a scheduled game of the Bantam League played at the Upper Queen Street rink.

The game was another of the hard-fought, evenly-contested affairs that have featured the league ever since it got underway, with the "kids" turning in a better brand of hockey every time out.

L. Hennessey, sparkplug of the Rangers' attack, shot the only goal of the first period on a pass from Leo Doiron, while T. Bisso wound up the scoring in the second session on an unassisted effort.

Lineups:

Rangers: Goal, Shepherd; defence, Wakelin, Blanchard; forwards, L. Doiron, Guindon, B. Gaudet, R. Hennessey, Purcell, L. Hennessey.

Canadiens: Goal, Burke; defence F. Burke, Lund; forwards, McNeeley, Shepherd, T. Burke, Fields, Flynn, Gillis.

Remember When

Just five years ago today Eddie Shore concluded an association of 13 years with Boston Bruins of the National Hockey League. The big defenceman, one of hockey's all-time greats, was traded by Bruins to New York Americans for Eddie Wiseman, a right winger. Shore is now owner-manager of the Buffalo Bisons in the American hockey league.

Cornwallis Defeats Halifax Airmen 5-4

HALIFAX, Jan. 24 — (CP) — The H.M.C.S. Cornwallis team from Deep Brook, N.S., strengthened its hold on first place in the Halifax Senior Hockey League tonight by edging out Halifax R.C.A.F. 5-4 in a fast game.

Bill Shill, former Boston Bruin, fired the winning goal in the last half of the third period. Right-winger George Gee of Toronto led the Cornwallis scorers with a brace of tallies.

Gordon Drillon, former N.H.L. star, made his first appearance with the R.C.A.F. and chalked up an assist before he was forced out with a charley horse.

Drillon sparked the R.C.A.F. attack for the first half of the game and his offensive power was a big loss to the Airmen when Navy staged their third period drive.

Bob Goldham, another former National Leaguer, was the standout for the sailors on defence, while Gaye Stewart, one-time Toronto Maple Leaf, was one of the big offensive threats.

Bert Laprade collected one marker for the Airmen and in general provided the Tars with some bad moments.

R.C.A.F. led 2-1 at the end of the first period and 4-3 at the end of the second frame as the teams split four goals in the second.

In the third period Cornwallis tallied twice to come out on the long end of the score.

Lineups:

Cornwallis: Goal, Gilbert; defence, Millar, Goldham, Heindl, Allum, Millman; forwards, Stefanin, Allen, Shill, Mair, Gee, Stewart, Hamilton, Johns, Barlow.

R.C.A.F.: Goal, Kemp; defence, Pumple, Upper, Coops; forwards, Bert Laprade, Carl Ripley, Castaldi, Stanley, Fitzgibben, B. Mosley, Drillon, McEwan.

Keen Competition In Bonspiel At Quebec

QUEBEC, Jan. 24 — (CP)—Two rinks from Bathurst, N.B., reached the semi-final of the Chateau International Curling competition here today along with rinks from Fredericton and Halifax, resulting in an all-Maritime semi-final which will be played tomorrow.

J.H. Kent of Bathurst led his rink to a 16-7 victory over J.E. Ferrari and his Detroit four. E. Pooler of Toronto Granites forced D.P. Connolly of Bathurst to an extra end before the New Brunswickers won out 12-9. H.M. McCloud's Halifax Mayflower rink won 10-5 from Dr. L. Beall of Perron, Que., and Judge P. Limerick of Fredericton upset B.E. Brown's Staint John Thistle Quartet 12-9.

In the British Consols play to determine a Quebec provincial champion, four Quebec City rinks moved into the semi-final.

Teams which reach the quarter finals of the British Consols, Chateau and Centenary play automatically qualify for the Lieutenant-Governor's trophy, the major trophy at stake in the bonspiel here. J.H. Kent of Bathurst won this trophy last year.

The British Consols and Chateau competitions have reached the quarter final stage while the centenary trophy play has reached the second round.

In the first round for the Holt Renfrew trophy Dr. Heath McIntyre's Charlottetown rink defeated Dr. F.W. Stevenson of Saint John, 9-8 In the same round another Charlottetown team, skipped by George Hawkin, lost out to R.D. Vandine of Fredericton, N.B. 8-7.

In the second round for the Centenary International Trophy Montreal Caledonia, J.H. Moffat, skip, defeated Chief Justice Thane A. Campbell's Summerside rink 11-4

War Assets Corporation President Here

Mr. J. B. Carswell, president of the War Assets Corporation, who meets Premier Jones and other members of the Provincial Government this morning, arrived in the City yesterday afternoon. Accompanying him was his executive assistant, Mr. G. H. Lash, formerly head of the Dominion Bureau of Public Information, and Mr. P.T. Palmer, who was recently appointed branch manager of the Corporation for the Maritimes with his office in Moncton.

Mr. Carswell informed a Guardian representative last night that the Corporation came into being on July 12th of last year and now has ten branches in operation throughout Canada. It will have from 12 to 13 billion dollars worth of surplus goods to dispose of, Mr. Carswell said, and this disposal must be made in such a way as not to disturb the internal economy of the country.

Because the Corporation is now functioning under an economy of scarcity, it is very important that all saleable surplus be sold at existing market prices and within Wartime Prices and Trade Board ceilings. The flow, too, Mr. Carswell stated, must be controlled so that in a transfer of industry from a war to a peace basis, the least possible disturbance will be created.

One Price For All

No unfair competition with established business is contemplated, Mr. Carswell said. Expert advice from industry on price levels and marketing methods will be sought, though not necessarily always accepted. Sales, too, will be distributed as uniformly as possible throughout the country and vigilance will be continuously maintained with the view of keeping the speculator out.

There will be but one price for all purchasers, Mr. Carswell said, whether that purchaser be a province or a mercantile concern.

The War Assets Corporation operates under the authority of the Department of Munitions and Supply and Reconstruction, whose head is the Hon. C. D. Howe. The President, Mr. J. B. Carswell, has a board of directors to assist him comprised of J.P.T. Malkin, Vancouver; R. T. Purdy, Calgary; William Park, Toronto; Hugh Lawson, Toronto; John Knox, Timmins, Ont.; Albert Guthrie, Montreal; Wilfrid Gagnon, Montreal; James Ward, Montreal; J. J. Perrault, Montreal; and A. T. O'Leary, Halifax.

The new regional manager for the Maritimes, Mr. P. T. Palmer, was born in Dorchester, N. B., 47 years ago and after a brilliant scholastic record entered the services of the C.N.R. in 1916. In 1941 he was loaned by the C.N.R. to the Department of Munitions and Supply as a purchasing authority and remained with that Department until his recent appointment as Maritime branch manager for the War Assets Corportaion.

It has been learned on good authority that Premier Jones and members of his cabinet will discuss with Mr. Carswell this morning the purchase by the Provincial Government of certain airport surplus airport machinery, such as "bull-dozers", trucks, and road-making machinery of which it is understood the local airport has a considerable quantity.

Mr. Carswell leaves by plane at noon today for Halifax. There, he will complete his tour of Canada in the course of which he has conferred with all the Provincial Governments of the Dominion.

Mr. Carswell, who is a native of Scotland, served his apprenticeship in engineering on the Clyde. After graduating in engineering from Glasgow University, he came to Canada in 1910. During the last war, Mr. Carswell was chief engineer of the Aviation Department of the Imperial Munitions Board and designed and built all Air Force camps and barracks in Canada. From 1918 to 1928 Mr. Carswell conducted his own engineering business, also practising as a consulting engineer. In 1928 he became Managing Director and later President of the Burlington Steel Co. Ltd.

He is a member of the Engineering Institute of Canada and the Institution of Civil Engineers of London, England. In 1939 he retired from active business but when war was declared he returned to Canada and in 1940 he served as the representative of the Department of Munitions and Supply in New York and later in Washington. Mr. Carswell received his appointment to the War Assets Corporation in October.

LIVERPOOL, England — (CP) —Sir Robert Ernest Kelly, C.B., F.R.C.S., consulting surgeon at Liverpool Royal Infirmary and emeritus professor of surgery at Liverpool University, has died here, aged 65.

Spr. Vernon McEwen Home From Overseas

Another war veteran in the person of Sapper Vernon MacEwen of Charlottetown arrived home Tuesday night.

Sapper MacEwen enlisted in 1939 and went overseas in 1941. He served in Italy, where he was wounded, and in France, with the 8th Field Engineers.

He is the son of the late Mr. and Mrs. James MacEwen, and has two brothers, Gordon and Ivan, in the Navy. His wife and family reside on Edward St.

Woman Golf Pro At Milwaukee Club

(By The Associated Press)

MILWAUKEE, Jan. 24—Milwaukee's North Shore Country Club members will get their golf instruction this year from a woman —28-year-old Hope Segnious, who will become the United States' first fulltime boss of a club's shop and instruction departments.

Val Beyers, chairman of North Shore's golf committee, announced today that Miss Segnious, a native of Detroit and at present assistant professional to George Cochran at the Greenboro, N.C., Country Club, had accepted an invitation to take over the job handled last year by Jimmy Gallet.

Bayers said the decision to try a fulltime woman professional was a combination war manpower measure and experiment.

Miss Segnious gained prominence as a player by winning the Michigan woman's championship seven times.

Toe Blake To Be Back Sat. Night

MONTREAL, Jan. 24—Officials of the Montreal Canadiens announced tonight that Toe Blake, captain of the team, would be back in the lineup Saturday when the Habitants meet Boston Bruins in a National Hockey League game here.

Blake was suspended indefinitely last Saturday by Mervyn (Red) Dutton, league president, after Blake had slashed Walter Atanas over the head with his stick. Blake was given a match penalty for the offence and the suspension followed.

The Habitant winger escaped without a fine with Dutton considering this Blake's first offence, while Atanas was not injured in any way.

Potato Export Permit Policy Under Review

Announcing a questionnaire sent out to potato shippers, the regional office of the Wartime Prices and Trade Board here said today on advice from Ottawa that the future policy regarding exports of Canadian table stock potatoes will be determined following an analysis of the export and domestic requirements.

The questionnaire asked information on shipments to the domestic market for the eight weeks from December 4 to January 27, and on export permits still unfilled on January 27.

The Board statement follows:

"The Board has a responsibility of protecting Canadian requirements by approving exports, only to the extent of actual surpluses. At the same time we are not unmindful of the interests of the producers and are anxious that any restrictions placed on exports shall work no unreasonable hardship or discrimination upon any area or individual."

"We are asking potato shippers for detailed information so that we can pursue a fair policy in connection with exports."

Shippers have been asked to return their statements by January 29 so that the reports may be analyzed and an announcement of future policy will be made before the present export permits expire on February 15.

The Board also announced that each shipper will be asked to report on the fifteenth and the end of each month for the balance of the present marketing season, his domestic shipments of table stock potatoes.
