PRINCE EDWARD ISLAND And Its Attractions to Tourists.

Prince Edward Island's summer climate is delightful, free alike from chilling fogs and excessive heat. The many bays and winding estuaries, together with the dark and bright green foliage, and the rich verdure of the meadows, make up a scenery which is beautiful and quietly picturesque.

Surrounded by the Gulf of St. Lawrence, whose waters are almost as calm as those of the ocean itself, it enjoys all the coolness of the sea breeze, and the advantages that can only be derived from sea bathing. The average temperature of the water is about 65 degrees.

Charlottetown, the important city of the island, has over 12,000 inhabitants, and is the capital. It is connected by rail, steamship and stage with all the important villages, towns and seaports, and an extra fine farming region.

It has many great retail stores, besides a large wholesale trade. It has two Electric light plants and a street railway will soon be an accomplished fact.

It has a first class water works system supplying the city with as good if not the best water in America, and a complete modern system of sewerage is now being constructed. It is famed for its wide streets, many of which are shaded, its many pleasant drives, the principal of which is the new Park Roadway, its attractive surroundings, pure water, and clear, cool and bracing air. It is widely known as one of the healthiest cities in Canada.

It has two hospitals, many churches and a large and elegant new Opera House: It also has several fine public buildings and a market which is one of the chief sources of the citizens' pride. It has one of the largest and best equipped pork-packing establishments in the Dominion. On its west side is Victoria Park—a favorite summer resort—while on the east are the magnificent new Exhibition Buildings and Driving Park. Chief among its public squares is Queen Square in the centre of the city, beautifully laid out with blooming plants of every description, fountains, and well arranged walks, and enlivened with a band of music during the summer evenings. The rural scenery in the vicinity of Charlottetown is charming, and horses for driving are abundant at very low prices. Boats can also be hired, and steamers run regularly on the bays and rivers, affording most pleasant excursions. The principal hotels are Davis', \$2.00 up per day, \$10.50 up per week; Queen, \$1.50 per day, \$6.00 up per week; Revere, \$1.00 to \$1.50 per day, \$4.00—\$5.00 up per week.

Summerside is the next largest town in the Province, with about 4,000 inhabitants. It is situated on beautiful Bedeque Bay and in the centre of a fine large farming region. It has the largest and finest departmental store in the Maritime Provinces, besides having other large retail stores. It has an Electric Light Plant, and a water works system and sewerage are being agitated for. Tourists are delighted with the beautiful scenery and the many pleasant drives in the immediate vicinity of Summerside. The hotels are—Clifton, \$2.00 per day, by agreement per week; Russ, \$1.50 per day, \$7.00 per week; Campbell, \$1.25 up per day, \$6.00 per week.

Georgetown and Souris are the two important towns in the eastern part of the island, with a population of about 1,000 each. In the former the Aitken, \$1.50 per day, by agreement per week; Tapper, \$1.50 per day, \$5.00—\$6.00 per week, furnish good hotel accommodation, while in Souris the Sea View, \$1.50 per day, \$8.00 per week, affords exceedingly home-like quarters.

At Cape Traverse, a very pleasant summer resort, is the Lansdowne, a large, airy hotel at \$1.00 up per day, \$4.00 to \$8.00 per week. In Alberton, there is the Albion Terrace, \$1.50 per day, 5.00 per week. In Tignish, Railway, 1.00 per day, 5.00 per week. In Kensington, Clark's, 1.25 per day, 6.00 per week; Commercial, 1.00 per day, 5.00 per week. In Montague, McDonald, 1.00—1.50 per day, 6.00 per week. In Mount Stewart, Clark's and Manson, each 1.00 per day or 4.00 per week.

The following hotels open for the summer season: At Hampton, Pleasant View, \$1.00 per day, \$5.00 per week. At Stanhope, Mutch's \$1.30 per day, \$5—7 per week; Cliff, \$1.00 per day, 5—6 per week. At Brackley Beach, Shaw's, \$1.30 per day, 6—8 per week; Sea View, \$1.00 per day, 5—6 per week. At Rustico, Seaside, \$1.75 per day, 7—10 per week. At Malpeque, North Shore, \$1.00 per day, \$6. up per week. At Tracadie Beach, Acadia \$2.00 per day, \$8.00—10.00 per week. At Alberton, Seaford, \$1.50 per day, \$7.00 per week. At Pownal, Florida, \$1.52 per day, 5—7 per week.

In addition to those already mentioned there are several other important and progressive towns and villages in the Province, all with ample hotel accommodation, while the numerous comfortable farm houses prepare for the reception of tourists at moderate rates.

The rivers and streams team with trout, the bays with mackerel, while game of almost every description abounds.

Perfectly Cured Weak and Low Spirited—Nervous Prostration—Appetite Poor and Could Not Rest.

"I take great pleasure in recommending Hood's Sarsaparilla to others. It has been the means of restoring my wife to good health. She was stricken down with an attack of nervous prostration. She suffered with headaches and her nerves were under severe strain. She became very low spirited and so weak she could only do a little work without resting. Her appetite was poor, and being so weak she could not get the proper rest at night. She decided to try Hood's Sarsaparilla, and we had heard it highly praised, and I am glad to state that Hood's Sarsaparilla has perfectly cured all her ailments." G. BELLAAMY, 321 Hannah St., West, Hamilton, Ontario. Remember
