George Duncan Is Disappointed

British Star's Quest For Gold and Glory Falls in California.

NEW YORK, Jan. 21.—George Duncan, former British open golf champion, who came to this country for a strenuous winter campaign in California, made a hurried and rather unexpected departure here yesterday on the Paris. He seemed dejected.

Duncan allowed that he came to this country primarily to play golf. "When asked what was the trouble with American gold he replied: "Americans play instinctively and do not know their stuff. It took me twenty years to learn the right swing to learn how to analyze golf."

Duncan's golf in California was rather unhappy. He failed in several of the lesser tournaments and did not even qualify for the last two rounds of the \$10,000 Los Angeles open. In addition, he was beaten 7 and 5 in a 72-hole match by Harry Cooper, a young American golfer of English antecedents. He started back to England, according to reports because of impaired health.

The return of Duncan to Great Britain was rather disappointing as there was hope that he would stay here until the American open tournament next June. Perhaps he will return, for he would be one of Great Britain's mainstays in the Ryder Cup series to be played in the spring between American and British professionals.

ABEGWEITS BLANKED BY KENTVILLE IN RAGGED GAME

Ice Conditions Improved, While the Brand of Hockey Was Far Below Par. Eleven Penalties Dealt Out During the Game. Intermediate Game Won by P. W. College 2 to 1.

Last night at the Arena a fair attendance of fans witnessed the second game between the Kentville Abbeys and the Charlottetown Abbeys and even not a little disappointed at the brand of hockey dished out by both teams.

The ice conditions were somewhat improved over the first night and the fans had high hopes of seeing a better contest than on the previous night, but holding, loafing and tripping on the part of the visitors and tripping by the home team sent the game into the discard as far as any real hockey was concerned.

The visitors had much the better of the play in all the departments of the game, going into the score column five minutes from the start. Abegweits won on a pass from Corbin getting an easy one by Diamond.

Prowse, Gauthier and Gordon got in some nice work, but could not get in the net, Kennedy coming down alone sent the second count by Diamond in eight minutes of play.

From this to the bell, the game became very fast, in fact was only one time of the night that could be compared with the first game.

The locals carrying the play right into the defence and giving Barnaby a little work to do, but they were unable to count, Cox losing a beautiful chance to register by overskating the first period ended 2 to 0, Corbin of the visitors and Cox of the Abbeys getting a trip to the penalty box for two minutes each.

The second period though ragged in spots, some fast flashes of speed and stick handling was indulged in by Prowse, Gordon and Anderson of the home team and the Kennedy, Murdoch, Corbin and Mosher of the visitors.

Fourteen minutes after the start, Mosher took a random shot at the net and it rolled into the net for their first and only count of the period.

From this the play got slow, loafing and holding being indulged in by the visitors, however toward the end of the period things livened up in the shape of roughing it up a little, and two penalties was the result, Prowse and McLellan receiving two minutes each, the period ending 3 to 0 for the visitors.

The third period gave the fans lots of excitement, but not much hockey, more penalties being handed out in this period than in the other two together, the "Wildcats" let loose and four of their men had a trip in quick succession to cool off in the sinners row, Bennett led off with two minutes, Mosher followed the next with Prowse of the home team, the former two minutes and the latter three minutes after being his stick on Mosher after being repeatedly held by that worthy during the game, Gordon—Kennedy was the next to grace the boards for two minutes.

Then came Mosher and Gauthier after they had locked horns along the boards and continued to embrace each other in not any too friendly a fashion, each drew a five minute rest and were doing time at the end of the game.

In this period the "Wildcats" registered three times on easy shots, Corbin getting the first two minutes after the period opened, Murdoch banging in one from centre ice, eight minutes later and duplicating the feat five minutes before the bell for the sixth and last count of the game, making the count read 6 to 0 for Kentville.

The following is the line up:

Kentville	Abegweits
Goal	M. Diamond
Defence	Barnaby
	Bennett
	Corbin
Forwards	G. Kennedy
	W. Kennedy
	Murdoch
	Mosher
Referee	Mr. Fred Moore, Timer
	Mr. Ed. Acorn, Penalty timers,
	Messrs Charles Stewart and Walter Smith.

Fine Week End Program at the Prince Edward

With "Buck Jones, Charlie Chaplin and The Second Chapter Of Snowed In," thrilling Mystery Serial

Amid scenes of rare beauty among the fantastic formations of the canyons of the Mojave, Fox Films feature "Desert Valley," starring Buck Jones had his first showing at the Prince Edward Theatre yesterday.

Comedy, thrills and suspense abound in this fine picture whose story deals with the feud of cattle-men over water rights.

"Buck" plays the part of an irrepressible cowboy, who has a knack for getting into trouble over other people's troubles. Virginia Brown Faire is the girl in the case and Malcolm Waite the ruthless owner of the water rights.

Hard riding, spectacular fighting and comedy of a rare order make this one of the best westerns seen locally in some time. This is a clear wholesome picture which the entire family will enjoy.

Scott R. Dunlap directed the production which is based on the widely read novel by Jackson Gregory.

The second chapter of the new mystery serial "Snowed In" and Charlie Chaplin in one of his old-time comedies "A Dog's Life," are the new feature attractions in this big week end show. If you want a good laugh, come.

3 Offers Will Be Considered

William Wrigley, Jr., Has Provided Elaborate Home for Mrs Young on Catalina Island

NEW YORK, Jan. 21.—A Los Angeles despatch to the New York World, says:

"Out of the scores of contracts thrust toward George Young, three offers probably will be accepted within the next two days, it was learned. One is from the Famous Players Lasky Motion Picture Company; another is from a vaudeville circuit for a tour of the country. The third is from a National Press Association for a series of articles on Young's experience during the swim."

"Up to a late hour Wednesday no answer had been received from Young's mother in Toronto in response to her son's urgent request that she come here at once. William Wrigley, Jr., millionaire sportsman, who gave the \$25,000 prize for the race Young won, has provided an elaborate home on Catalina Island for her use.

"Young yesterday began his five day appearance at a Hollywood Theatre, for which he will receive \$1,000 a day. When he received the \$25,000 prize money in the stage of the same theatre Tuesday night, a riot among thousands who blocked the streets outside was narrowly avoided. It was three hours before Young could make his way from the theatre to go home."

INTERMEDIATE GAME

The first intermediate game this season was played immediately after the senior game between the Second Abbeys and the Prince of Wales College team, the college boys winning out after a good game for juniors by a score of 2 to 1.

There is abundance of hockey material in the making, all showing good knowledge of the game and proving that Charlottetown will yet have a team that will out play teams of the calibre of the "Wildcats."

The teams lined up as follows:

2nd Abbeys	Goal	W. C. Campbell
Collins	Defence	Dillon
McMahon	Blanchard	Campbell
Spilliter	Forwards	Linkletter
Stevenson	Squarebriggs	Doucette
McDonald	Neilson	Archibald
Chandler	Referee	—Mr. W. J. McDonald.

The Band music rendered some of the old time favorites in a very pleasing manner.

The Abegweits minus their regular goalie, Spurge Diamond and Dempsey Diamond the coming defence player in Charlottetown, seemed all out of time, excepting Prowse, Gordon and Anderson, who played strenuous hockey both nights.

Considering the experience of the Kentville players against almost an entire new line up of the Abbeys, the home team done well to hold them as well as they did.

Challenge

We the Bunbury School do hereby challenge the Cross Roads School boys to a friendly game of hockey to be played within the near future. Phone the Captain of Bunbury team and make arrangements.

Line up:

Goal	F. Reddin
Defence	W. McDonald, Cyril Wood, (Capt.)
Forwards	C. McDonald, H. Barrett and Irving McKie
Referee	—A. Douglas and Fred Smith.

Promoter Fugazy is Highly Peeved at Champion Tunney

NEW YORK, Jan. 21.—Add one more to the long list of those who are peeved at the actions of Gene Tunney, heavyweight champion of the world.

It so happens this person is none other than Promoter Humbert Fugazy, who has gone to the mat several times with Mr. Rickard in an effort to prove that he is a more important figure in the fight game than the irrepressible Tex.

Promoter Fugazy has Jack Delaney tied up to a contract similar to the one Rickard holds with Tunney.

"Seeing Tunney defeated by Delaney will be balm for the hokum Tunney handed me," says Fugazy.

For a time Fugazy thought he had the inside track with Tunney, provided he could show him as much money as Tex and he promised to add a few kopecks to any sum Rickard might offer.

All the time, according to the wise folks, Tunney was signed to a Rickard contract, calling for exclusive rights to his services for one year. It is said Rickard's trip to St. Louis to turn the trick was all honey, press agent stuff.

It seems Fugazy has Jack Delaney tied up to a contract similar to the one Rickard holds with Tunney.

"Seeing Tunney defeated by Delaney will be balm for the hokum Tunney handed me," says Fugazy.

"Y" Toboggan Party

About twenty five members of the junior class of the "Y" enjoyed a most pleasant time out at the slide last night under the careful guardianship of Mr. Pendleton.

The party left the "Y" at seven returning to it at nine thirty, the most of the tired and hungry and it was a pleasure to watch them devour the cocoa, sandwiches and cake that was awaiting them. That over, they had a few minutes singing together and then away home.

Weather permitting they intend going out again this (Saturday) afternoon at two o'clock, so whether you be young or old it matters not, if you wish to come along be at the "Y" at two sharp all set to go.

Mr. Mookley became the proud father of a husky boy. For three nights he bravely walked the floor, but on the fourth, when he came home from the office, he brought with him a bottle of soothing syrup. "Oh, James," exclaimed "what did you do that for? Don't you know it is dangerous to give to a child of this age?" "Don't worry," said the husband. "I'm going to take it."

Leilla Brooks Refuses Offer To Turn Pro.

TORONTO, Jan. 21.—Many offers have been received of late by Leilla Brooks Potter, probably the most outstanding feminine speed skater in the world, to capitalize her ability, but the record holder, who no later than last Saturday distinguished herself by winning the city championship for her third successive time, as no intention of becoming a professional.

The world's champion has been invited to compete in the International title meet at Detroit, which is scheduled to be held on the same dates as the Canadian championship will be held here, but it is more than likely that she will decline the invitation.

The National meet will be a two-day affair, with the preliminary heats on Friday afternoon and evening and the majority of the finals on Saturday afternoon. The meet will be held at the Varsity Stadium Rink, which is well adapted for the purpose.

PEEK FROM THE PRESS BOX

By "Tec"

The consensus of opinion is that the "Wildcats" are the fastest visiting team ever seen on local ice. You verify—and then some.

Two well merited and clean cut victories left no doubts in the minds of the fans as to just which is the better team. The locals weakened considerably by the loss of a number of star players have nothing to reproach themselves for. Kentville was forced to play hard and scintillating hockey to take both games. The scores do not by any means reflect on the performances.

The "bridge of sighs" was well patronized last evening; referee Fred Moore having lots of time, while the offenders didn't seem to have the inclination. Fourteen minutes on the boards for the Abegweits, while the visitors came a close second with thirteen.

Murdoch, Corbin and the Kennedy brothers shared in the six to nil defeat. The former annexed three out of the lot.

Golden opportunities were presented to the Abbeys at different times, last evening, but when the knock came there was nobody home to open the door.

Melv' Diamond had sixteen shots at his citadel while Barnaby in the opposing net had four to look after.

Somebody started something in the second period, and both lines

Famous Arena to Be Demolished

NEW YORK, Jan. 21.—Boyle's Thirty Acres, famous athletic arena in Jersey City, is to be demolished and on the site probably will rise a huge concrete and steel bowl seating 150,000 persons, Tex Rickard said today.

The New arena will be constructed, the promoter said, if the New Jersey Boxing laws are amended to permit decisions and a top sea price of \$50 instead of the \$2 limit now in force. He indicates his belief that these changes would be made in the State law.

Edward Barrow Says Colonel Rupert and Yanks Are Good Enough For Him.

NEW YORK, Jan. 21.—The eastern boom for Edward Barrow to succeed Ban Johnson as President of the American League received an unexpected check today when the business manager of the Yankees issued a formal statement declaring himself not a candidate for the position.

"I am very pleasantly situated where I am and quite satisfied to finish my baseball career with Col. Rupert and his Yankees," said Barrow.

"Y" BASKETBALL Wonder Dog Togo To Race at Quebec

MONTREAL, Jan. 21.—Togo, one of the two wonder dogs, which with Balto was the hero of the race to Nome at the time of the influenza epidemic and which carried anti-toxin that saved so many lives in the depth of an Arctic winter, will take part in the Eastern International Dogged Derby to be held at Quebec Feb. 21-23.

Information received at headquarters of the Canadian Pacific Railway here today from Leonard Sepala, driver in the Nome race against death, states that he will enter for the big race at Quebec next month and that Togo will take part in the contest.

Entries for the dog Derby are coming in well and it is expected that there will be hardly less than 21 contestants in the 120-mile spread over three days in which the pick of the dogged racers will participate from all over Canada and the United States.

Signs to Fight Mickey Walker

NEW YORK, Jan. 21.—Joe Dundee called on Jess McMahon at Madison Square Garden yesterday and after collecting about \$15,000 for defeating Eddie Roberts on Friday night signed a contract to fight Mickey Walker for in March. McMahon telegraphed terms for the battle to Walker, who is in Los Angeles and it is almost certain that the champion will accept the match.

Roberts drew down \$13,200 as his share of the purse. This was a princely sum compared to the \$407 he received when he knocked out Dundee in one round in their previous meeting on the Pacific Coast.

Jackie Snyder, who was scheduled to meet Lew Hurlay in the main event of ten rounds at the Star Sporting Club tomorrow night, suffered a deep cut over his eye while training yesterday and Henry Usee, who is running him a close second as Brooklyn's contender for featherweight honors, will take his place, Eddie Guida, another Harlem favorite, and Izzy Cooper, west side idol, will meet in the semi-final.

A TRIO OF PUNS.

Some of the best puns we have come across are contained in a little collection compiled by Mr. E. L. Marsden. Here are a couple:

To begin, right off, with the next best he refers to a pretty maid servant who was jokingly asked by the prospective consort of the house she was showing him over:

"Are you to let with the house?"

"No, sir," she replied, "I am to be let alone."

The journalist Charles Lamb Kennedy, one swallowed small piece of cork with his wife, and tried to cough it up. His companion attempting a feeble jest to lighten the situation, exclaimed:

"Take care—that's not the way for cork."

"No," stuttered the cougher, "it's the way to kill Kenny."
