

HER AILMENTS ALL GONE NOW

Mrs. Sherman Helped by Lydia E. Pinkham's Vegetable Compound

Lake, Michigan.—"About one year ago I suffered with irregularities and at times was obliged to stay off my feet. I doctored with our family physician and he finally said he could not understand my case, so I decided to try Lydia E. Pinkham's Vegetable Compound. After the first bottle I could see that I was getting better. I took several bottles of the Vegetable Compound and used Lydia E. Pinkham's Sanative Wash and I am entirely cured of my ailments. You may publish this letter if you wish."

SCHOOL FAIR.—A very successful School Fair was held at St. Teresa's on Sept. 22nd. The exhibits were of a very high order and many of them would compare favorably with the best seen at many of the larger fairs. It was largely attended and greatly enjoyed especially by the young folks. Special interest was centered in the ball game between the Junior teams. The game between the Elliotvale and Peakes Station teams was won by the former by a score of 3 to 5. The Junior St. Teresa team then challenged the winners and the contest for the honors was a lively one. Elliotvale winning out by a score of 13 to 9. Mr. Jas. Trainor acted as umpire to the satisfaction of all.

GIVE THANKS TO-NIGHT

A spirit whispered in the fading light
Give thanks to-night!
For treasures lost and sweet hopes long delayed,
For effort and denial unrepaid,
For griefs o'er which you wept, nor understood
How all that he withheld was for your good,
For joys you've missed you would if seen aright,
Give thanks tonight!"
For all things beautiful and good and true;
For things that seemed not good yet, turned to good;
For all the sweet compulsions of thy will
That chased and tried and wrought us to thy shape
