Stock Markets At A Glance

CHICAGO, Oct. 16 — (AP) — Grain futures prices were depressed during today's trading session in a wave of selling that was attributed largely to an overbought position resulting from several weeks of steady upturn.

MONTREAL, Oct. 16 — (CP) — Selected papers and industrials continued active today on the Stock Exchange and Curb Market and the groups went to new eight-year highs in the indices. Trading generally, however, followed an uneven track, with profit-taking depressing a number of issues which have been firmer lately.

NEW YORK, Oct. 16 — (AP) — Selected steels, liquors, utilities and specialties exhibited belated strength in today's Stock Market although many pivotals elsewhere backed into losing teritory. Volume was 1,630,000 shares, the same as Monday.

The Associated Press 60-stock average was off .1 of a point at 72.5, after eight successive sessions without a setback.

WINNIPEG, Oct. 16 — (CP) — Rye futures prices on the Winnipeg Grain Exchange today moved narrowly in a dull session, values traded at lower levels most of the session, reflecting the easier tone of the Chicago Market.

Final prices were 1-4 higher to 5-8 lower.

A corgo of Canadian wheat, about 300,000 bushels, was disposed of for relief purposes in Europe.

TORONTO, Oct. 16 — (CP) — Both mining groups sold down and the Western Oils finished the day unchanged in the average in today's Toronto Exchange Market. Volume at 2,810,000 shares was down about 200,000 shares from the total for the previous session.

The gold stocks worked into a decline on leadership of Eldona which touched a low of 1.80 and closed at 1.85 for a net loss of 48 cents. The heavy selling was evidently inspired by a report that the latest drill hole was barren of ore indications. It traded 430,000 shares. Donalda dropped under the influence of Eldona to 1.31, off 14 cents net. Armistice weakened $1, off 13 cents net and other golds declining 10 cents or more were Aunor, Buffalo-Ankerite, East Sullivan, Frobisher, Goldcrest, Hasaga, Macassa, MacLeod-Cockshutt and O'Brien.

CEYLON PLANS CENSUS

COLOMBO — (CP) — The Colonial Office has informed the Ceylon government of its interest in the plan to carry out a population census in 1946. Ceylon has had no census taken since 1931 and that proposed in 1946 will also cover agriculture and industry.

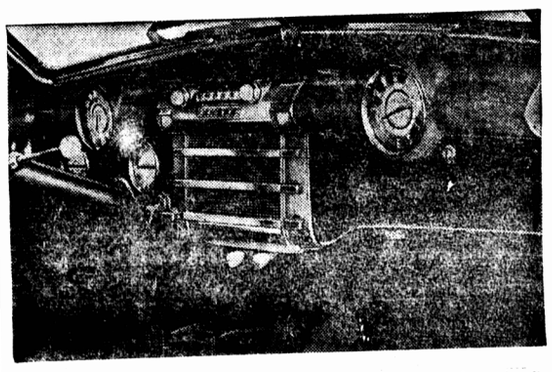
Buick Intoduces its 1946 Models

Buick introduces its first models for 1946 with production emphasis on this Series 50 Super four door sedan. Mounted on a 124-inch wheelbase chassis its improved design incorporates full airflow fenders, new theft-proof rear wheel shields, completely restyled radiator grille and bumper assembly and other appearance refinements. The straight eight, valve-in-head engine has precision-bored and specially honed cylinder barrels and features the dome-shaped combustion chamber characteristic of the Buick fireball design. Numerous mechanical and equipment improvements have been effected.



The new Buick instrument panel has tan or grey oak grain finish to harmonize with interiors and mounts well located instruments. heater and ventilation, light and other controls, radio, glove compartment and clock. New one piece moulded rubber accelerator pedal with steel insert eliminates the former metal hinge. The step-on parking brake is located at extreme left of driver's compartment. Light pressure with the toe engages the parking brake. It is locked by pushing the small hand control on the left corner of the dash and released by pulling this same knob.
