YANKEES FAVORITES TO WIN WORLD SERIES

DOWN THE BACK STRETCH

The harness horse races in connection with the Frederickton Exhibition were particularly good this year, drew large crowds and spectacular time was made. 20 of the 27 heats were trotted or paced in 2:10 or better, with 12 of them from 2:05 to 2:08 1-2. Calumet Budlong and Mildred May paced heats in 2:05, coming within three-quarters of a second of the track record held by Guesswork.

In the 18 heats paced the average time was approximately 2:08. Of the nine heats trotted the fastest heat was 2:38 1-2 by Heatherbell and the slowest the third heat in the 2:24 Trot won by Harvest Melody in 2:13 1-2. The average of the nine heats was 2:10 1-2.

Winning horses were by provinces—Baronet, Signal Senator, Calumet Budlong, from Nova Scotia; Bud Wenger, Federal, Volrida, from Maine; Heatherbell, from Prince Edward Island; Harvest Melody, from Newfoundland; John Dean, from New Brunswick. Winning drivers were, Clukey, Avery, MacKinnon each with two races; Cummings, Raymond and Hood, each with one race.

The man mainly responsible for the bringing of such a fine array of horses to Frederickton was D. W. Griffiths, who has held the position of Secretary for seventeen years and is very popular with everyone. Mr. Griffiths is in charge of the Publicity Department of the New Brunswick Tourist Association. The track, which was lightning fast on all occasions, was under the supervision of Dr. McCoy, who took a great personal interest in every detail connected with it.

The writer had the pleasure of renewing acquaintance with many old friends at Frederickton, among them E. LeRoy Willis, one of the oldest, if not the oldest horsemen in the Maritime Provinces. Mr. Willis conducted hotels in Saint John and Sydney in the days of long ago and owned the fastest horses in the Maritimes in the early nineties, one of them called Special Blend, established a track record at Charlottetown which stood for many years. Special Blend was a son of Black Pilot, the celebrated stallion raised by George Dockendorf of North River.

An ardent on-looker and great racing fan present at Frederickton was F. H. Copp, M. P., Port Elgin, who has owned quite a number of race horses and at present has one or two on hand. Mr. Copp thoroughly enjoys the racing game and it will not be surprising if we find him at the Provincial Exhibition next year with a good one. He is a very successful fox rancher, producing prize winners and high-class pets.

Lusty Prisco 2:07 1-4, owned by Mr. C. H. Chandler, Charlottetown, caught the fancy of the public at Frederickton in no uncertain manner. As he stepped on the track one could hear on all sides expressions of admiration for his beautiful appearance. His trotting was superb and he gave Heatherbell the toughest kind of competition in the first and third heats. In the second he unfortunately struck Heatherbell's wheel with his foot, which made him go to a losing break and spoiled his chances.

We acknowledge with many thanks an invitation from Dr. Oden M. Edwards, Jr., proprietor of Walnut Hall Farm, to be present at the farm September 27th to witness the showing of yearlings, foals of 1935, stallions, brood mares and

against the record-breaking Volrida in the Clukey stable. They were timed in 2:13 or better. Trixie Volo was better than 2:10, while Plucky Scott was only beaten a nose the first heat of the 2:14 class in 2:08 1-2. Soviet was timed in 2:09 the second heat of the 2:25 pace. Mighty good for a trotter converted to the pace a few months ago.

Reinsman G. Blondin Thomas (pupil of the late Ed. Geers) will winter three race horses at Mont Joli Speedway barns, Mont Joli, Quebec. They are Rexie Dale, trial 2:11 1/4, eligible to the 224 class pace. This is a great prospect by Boyd Worthy, 2:07. Czar Hanover, winner of the 227 pace at Campbellton, Labor Day. This is a handsome chestnut stallion seven year old, by Guy McKinney 1:53 1-4, dam Czarvena (3) 2:07 1-2 by Peter The Great. This horse has the stamp of class on him and has every indication of being a future champion. The third member of the stable is the green trotting gelding Be Careful, by Carelaker 2:05. Very little has been done with her but she has shown miles in 2:18 with the last quarters in 32 1-2 seconds. In all probability Mr. Thomas will also winter Peter McKinney 2:13 1-2, that he is at present campaigning with such success through Northern Quebec and New Brunswick.

In addition to winning more than his share of races with his string of horses, Mr. Thomas has the distinction of having lowered several track records. As a result of his splendid campaign it is expected that he will start out in 1937 with the biggest string he has ever trained.

Many friends of that genuine old race horse, Major S. 2:12, by the British Soldier, will be glad to learn that he is still in the land of the living and occupying a pasture with lots of clover, etc., and taken in every night for a feed of oats. He is fat and fine, has a splendid head on Mont Joli, Quebec, where two years ago he set up a new track record.

Nova Scotia Provincial Exhibition next week. The runners will hold forth on Monday, September 22nd, and Thursday and Friday, October 1st and 2nd. On Tuesday there will be a Free-for-All Trot, 2:16 Pace and 2:27 Trot and Pace. On Wednesday a 2:21 Trot and Pace, Free-for-All Trot and Pace and three classified dashes.

\$20.00 will be given to the driver winning the greatest number of points during the meet, \$20.00 to the driver who equals the exhibition track record trotting, \$20.00 to the driver who equals the exhibition track record pacing, \$10.00 to the driver winning the fastest heat paced at the meeting and \$10.00 to the driver winning the fastest heat trotted during the meet. These are excellent incentives that will appeal to drivers, and the writer trusts will furnish thrilling competition. There is no question that the races and the entire program in connection with the Provincial Exhibition at Halifax will be one well worth a trip over to see. The management have gone to great pains to stage an outstanding show.

We acknowledge with many thanks an invitation from Dr. Oden M. Edwards, Jr., proprietor of Walnut Hall Farm, to be present at the farm September 27th to witness the showing of yearlings, foals of 1935, stallions, brood mares and

Giant Rookie Blasts Homer To Win Tilt

NEW YORK, Sept. 25.—(AP)—Cleveland Indians lost their last mathematical chance to finish in the American League's first division today when they divided a double-header with St. Louis Browns at Cleveland.

The Tribe won the second game 7-6, after the Browns took the opener, 8-2.

Aided by Jimmy Deshong's seven hit pitching plus nine walks and a balk by Boston pitchers, the Senators beat Boston Red Sox 9-3 at Washington.

New York Yankees nosed out the Athletics 6-5 in a 10-inning battle of home runs at Philadelphia with Red Rolfe's round-tripper in the extra frame breaking up the ball game.

NATIONAL LEAGUE
NEW YORK, Sept. 25.—(AP)—Cincinnati Reds—troublesome all season—kept St. Louis Cardinals from assuring themselves of second place in the National League today by winning 3-2 at St. Louis.

A three run attack in the second brought the victory that seemed slipping in the ninth when pinch hitter Rip Collins, first up, doubled and a typical Gashouse rally seemed imminent. But Ray "Peaches" Davis bore down and snuffed out the next three batters on two infield blows and a foul fly.

At Boston Johnny McCarthy, the first-base youngster the New York Giants bought from the Yankees, blasted out an eight-inning homer to give the National League Champions a 3-2 victory over Boston Bees.

Resume Play For Maritime Crown Today

(C.P. By Guardian's Special Wire)

ST. STEPHEN, N.B., Sept. 25.—(C.P.)—Members of the St. Croix and Springhill Fencebusters baseball teams took things pretty easy today in preparation for tomorrow's second game of a series for the Maritime baseball championship.

The second contest was called off in the sixth inning yesterday owing to heavy rain. Prospects for a dry enough field to permit play tomorrow afternoon were good tonight.

St. Croix, whose four year reign as Maritime champions ended in defeat by Yarmouth Gateways last season, won the first game of the present series 2-0 and were leading 1-0 when play halted yesterday.

The same hurlers were slated to resume work on the mound—"Mountain Boy" Linkletter for the Nova Scotia champions and Ken Kallenberg for the New Brunswick title holders. The latter, only 18 years old, has been given a chance to go south next year and try for a place with the Boston Red Sox.

The Fencebusters planned to leave for home after tomorrow's game and St. Croix will follow on Monday. The third game is scheduled for Springhill Tuesday, and unless the border team wins three in a row a fourth contest will be played at Springhill Wednesday.

S., Stu was prominent in all athletic branches having the honor of captaining the various athletic squads of the school.

His friends will join in wishing him lots of luck in his chosen profession.

Reich Rewards Hero Athletes Canadian Hockey Players Leave For England

BERLIN, Sept. 25 (CP)—German Olympic medal winners were showered with treasures ranging from kisses to houses and gardens.

In the general jubilee over the showing of Adolf Hitler's athletes, even Helene Mayer, the only semitic participant on the Nazi team, was not left out although the Los Angeles fencing champion failed to repeat, taking second place.

Der Fuehrer himself received her with other German athletes at the chancellery and her home town gave her a warm hand.

Mass promotions were handed out in the army, police force schutzstaffel and Sturmabteilung. Enthusiasts in Baden proposed all winners from that section be made members of the Nazi party—although membership has been closed since 1933.

Hans Woelke, the beefy cop who put the shot so far he got a gold medal, was immediately promoted to a lieutenant in the police force. H. Gustmann, who rowed and won in the pairs with coxswain at Gruenau, likewise was given a lieutenantcy. Of the riders who rode off with about everything in the equestrian events a major was jumped up to lieutenant-colonel, and two first lieutenants were promoted to cavalry captains.

The champion sculler, Gustav Schaefer, found a bright new job awaiting him when he returned home to Dresden, while Karl Hein, who didn't do so badly with the hammer, did even better in the esteem of the factory where he is employed.

It presented him with a house and garden. Gisela Mauermayer, who won the women's discus event, was handed the title of "women's educational councillor." Many of her team-mates received extra vacations with free trips.

There was a sad note, however. The pluckiest man Germany had was Lieutenant Baron von Wangenheim, who insisted on finishing his equestrian event, although his collar bone was broken. His horse had thrown him going over a hurdle. But in order to save team honors for Germany he rode on with arm bandaged to his side, scarcely able to guide his horse. He got only four week's vacation—just about enough for his arm to heal.

Mrs. Mulqueen Wins Closed Golf Title

(By SYDNEY GRUSON)

(C. P. By Guardian's Special Wire)
POINT CLAIRE, Que., Sept. 25.—A veteran from Toronto, Mrs. F. J. Mulqueen came back to the golfing heights today after 13 years.

Champion of Ontario, Mrs. Mulqueen defeated Mrs. A. B. Darling of Montreal 3 and 2 over Beaconsfield course to take the Canadian women's close golf championship and squelch the Montrealer's bid for a sweep of the major feminine golfing crowns—the open and close. Mrs. Darling won the open last Saturday.

Mrs. Mulqueen, a close Champion 13 years ago when she was Sydney Pepler, won the vacated crown of Calgary's Mrs. Roy Horne with an unspectacular but steady display of over-par shooting. All she needed was that steadiness as the Open Champion cracked after two successive weeks of brilliant play.

The Toronto woman watched Mrs. Darling post a two-hole lead in the first three holes, then went on to overcome the deficit and take the lead herself by plugging her shots down the centre while Mrs. Darling pressed her shots, hooking, slicing and missing easy puts.

Mrs. John A. Rogers brought Western Canada its only championship, winning the final of the first flight, 2 and 2, from Maisie Howard of Halifax. The championship consolation final was taken by Dorothy Nicol of Montreal, by 2 and 1 over another Montrealer, Molly Hankin.

Giants, However, Choice To Win Opener On Wednesday With Hubbell On Mound

(By SCOTTY RESTON)

(Associated Press Sports Writer)
(C. P. By Guardian's Special Wire)
NEW YORK, Sept. 25.—New York Yankees are favorites to win the world series, but the prospective appearance of Carl Hubbell in the box has made the Giants the choice for the opening game in the Polo grounds next Wednesday.

With Hubbell on the mound, Jack Doyle, Broadway bookmaker, today quoted 6 to 5 against the Yankees in the first game and 3 to 5 against the Giants. For the series, however, Doyle quoted 11 to 20 against the Yankees and 13 to 10 against the Giants.

While the betting commissioners reported a lively business, the mid-town offices of the Giants and Yankee were deluged with ticket requests.

A sellout of box seats was announced by both clubs. They added however, that the supply of reserved seats is far from exhausted.

Record Attendance Seen

Maximum capacity for the two ball parks will be 71,767 for the Yankee Stadium and 51,856 for the Polo Grounds. Assuming capacity every day and a six game series, a new world series record for attendance and receipts will be assured. The total attendance in that case would be 370,869, compared with the current record of 328,051 set in 1926 when the Yankees and St. Louis Cardinals were rivals.

The present record of \$1,207,864 for receipts, also set in 1926, likewise would be eclipsed.

Hubbell, allowed to leave the Giants in Boston yesterday when they clinched the title, returned to New York this morning and left immediately on a visit in New Jersey.

Though there was no definite information forthcoming from Manager Joe McCarthy, observers believe he will start either Lefty Gomez or Charlie Ruffing in the opener.

Final Games

The Giants, due back to town tonight, play their final two games of the season against Brooklyn Dodgers in the Polo Grounds Saturday and Sunday.

The Yankees meanwhile left Philadelphia tonight for Washington, where they will wind up their runaway this weekend against the Senators.

The guessing game that seems to have 'em all stopped is that of trying to dope out the pitching in the series.

The only known quantity appears to be Hubbell, but some of the wise boys are even starting to figure him as a question mark in the theory that since he had won 16 straight games, he is about due to lose.

On the season records, the Yankees have a better rounded throwing staff, but in the last couple of weeks the American League's pitchers seem to have been holding a contest as to which one can give up the most hits and still win his ball game.
