

Wyeth's Sage and Sulphur Hair Restorer

If every woman who has been benefited by Wyeth's Sage and Sulphur would tell her friends what it has done for her, it would be in even greater demand than it is. But a woman is perfectly right not to tell her little beauty secrets.

However if you will accept our recommendation you will not be disappointed. It makes the hair soft and glossy, stimulates growth of new hair and makes old healthy. It stops falling hair and removes dandruff—50c and \$1.00 bottles.

ANNUAL MEETING THE ROGERS HARDWARE COMPANY, LIMITED.

The Annual Meeting of the above company was held Wednesday evening in their office, Queen Street. The financial statement and other reports which were submitted indicated the flourishing condition of this enterprising firm, the year just ended being the most successful from every standpoint, since the inception of the business in 1857.

The firm was re-organized in 1911 and since that date a phenomenal growth in the volume of trade has been the result of the business having increased under the present management nearly 100 per cent.

During the year a number of improvements were made with a view to further increase the business facilities of the Company, and the equipment today stands equal to that of the leading concerns throughout Canada. The present satisfactory condition of the Company is due mainly to the president Mr. Geo. J. Rogers, who has been untiring in his efforts to bring the business to the front rank.

The following officers were elected for the ensuing year:

President—Geo. J. Rogers.
Vice President—Judge Aeneas A. McDonald.
Secy. Treas.—J. M. Gillis.

ROSS RIFLE FACTORY IN QUEBEC CLOSED

(Special to The Guardian.)

QUEBEC, March 21.—A meeting that gathered over 20,000 workmen at the City Hall last evening deploring the government's action in closing down the Ross rifle factory here without notice. It was pointed out that thousands of dollars weekly in salaries are paid at the Ross rifle factory and deep disturbance will be expected in local business. Bankruptcy for a number of business places was forecast. A petition was addressed to the Borden Government asking that the factory be re-opened.
