NEW YORK, Feb. 18—(CP)—The Hong Kong and Shanghai dollars scored new gains in the free foreign exchange market here today.

The Hong Kong unit rose 17 of a cent to 24.68 cents and the Shanghai currency 1/8 of a cent to 5.89 cents. Dealers attributed the rise, under way for some days, as the result largely of speculative activity originating in the Far East.

The Canadian dollar slipped 3-8 of a cent to 84.62-1/2 cents. (Ottawa Foreign Exchange Control Board rate 82-9/16 per cent discount.)

The pound sterling eased 1-4 cent to \$4.03 for open market cables.

FINANCE

By Frederick Gardner Associated Press Financial Writer

NEW YORK, Feb. 18—(AP)—The stock market tried for another feeble rally today but buying interest waned at the last and prices turned irregularly lower.

A few small gains were sprinkled throughout the Canadian section. International Nickel, Dome Mines and Ford were the gainers.

The Associated Press average of 42 issues was off 1 of a point at 42. Trends on the whole, were meaningless, it was said, because of the sluggishness of dealings. The turnover of 329,950 shares compared with 356,720 yesterday and was one of the smallest since last September.

Among stocks, Coca-Cola dropped 3 points at 88 on light transactions. Lesser losers were U. S. Steel, Bethlehem, General Motors, Santa Fe, N. Y. Central, Montgomery Ward, International Harvester, Dow Chemical, Allied Chemical, American Telephone and DuPont Aircraft.

Retaining modest advances were American Tobacco, "B" Davidson Chemical, Great Northern, Chesapeake and Ohio, Kennecott, Westinghouse, Union Carbide, Johnsonville and Goodyear.

Montreal Exchange

MONTREAL, Feb. 18—(CP)—After an indication of a rally, selling entered the stock market in the closing minutes today and issues which had made gains were reduced to previous levels.

Base metals were in demand early in the session and Nickel and Noranda both advanced until profit taking commenced, when they were short of their gains.

Bell Telephone held a gain until the end in utilities but Montreal Power sagged. However, the average for the section was higher.

Paper and pulp issues were weaker. St. Lawrence Paper preferred being a loser. C.P.R. firm in carriers along with Canada Steamships preferred.

Canadian Car preferred moved up a point in equipment, as a whole industrial were behind at the close.

In the balance of the list stocks moderately easier were National Breweries, General Steel Wares and United Steel.

Total sales: 14,400 shares; Industrials, 8,000; Mines, 6,400; Bonds, \$1,100.

COME ALL YE FREEMEN OF THE EARTH

—By James Maclean—

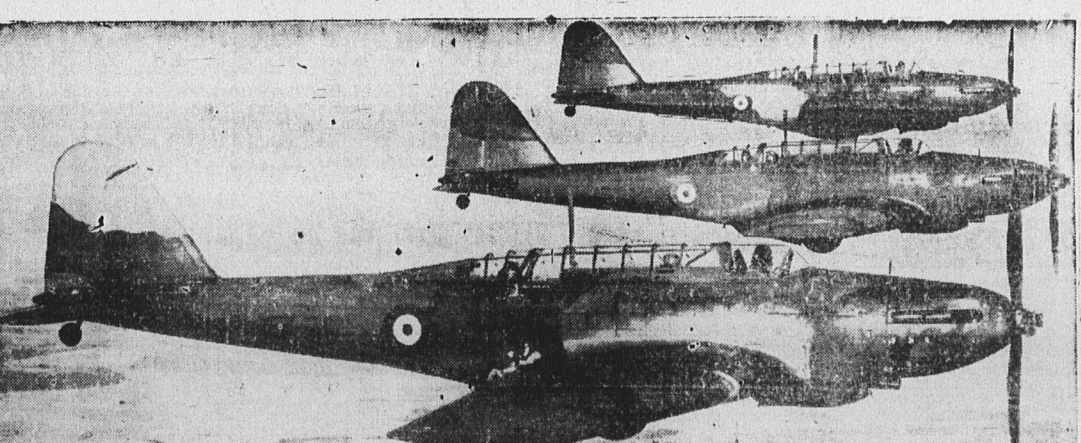

Come all ye sons of Israel, With Albion attend, With freemen of America, The course of those to end, Who blast the liberty of life, Blaspheme Almighty God With drivels of their pagan lusts By ages long outlawed.

Hurl out your answer to their lodes To butcher's misled, By frenzy of a maddened h've From which all rest on fled, Their stunted mind of stunted soul Outmoded on the way That leads from dark barbarity To light of newer day.

Come all ye sons of Israel With Albion today, And freemen of America To glory in the fray, Till broken are the foes of God, And shattered by the might Of holy wrath that arms you now For liberty and right.

Come all ye freemen of the earth Attend the call, Unite, With Britain and America To glory in the fight, For life and liberty, And brotherhood of men, Till peace that is not slavery Shall rule the world again.

Ready for Action in the Balkans

Long range British bombers, whose field of action already embraces thousands of square miles in Europe and Africa, can be thrown at a moment's notice against the Rumanian oil fields, which now are Hitler's chief source of fuel. With the return of diplomats from Rumania and Britain, all signs point to war's early spread to the Balkans.

Rumania Stands to Suffer from Her Choice

Ringed by bomber bases within a few hours' flying time, Rumania's oil production could be battered hard by the R.A.F. Even closer, if Rumania is used as a stepping-stone to Bulgaria and Greece, drawing Turkey into the conflict, would be the short hop from Turkey across the Black sea. Once guaranteed by Britain, Rumania's security has been forfeited by her easy complaisance to Nazi demands.
