Miss Lucy Blanchard and Mr. Charles Earle
Mr. Ben Wagner and Miss Kathleen Hornby

Tickets 35 Cents. Obtainable from any Member of the Choir.

Whippet Makes Good Showing In Non Stop Run

Mr. Harold Henry was the lucky winner of the 25 gallons of gasoline given away by Messrs F. R. McLaine and Joseph Bulger, Willys Knight and Whippet dealers, for the nearest guess as to mileage covered and number of gallons of gas consumed in the Whippet 24 hour non-stop run which finished yesterday afternoon at 4 o'clock.

The correct figures were: 407½ miles; 13¼ gallons of gasoline. Mr. Henry's guess was: 408 miles, 14 gallons of gasoline. The number of miles to the gallon and average speed of the car may be figured out by readers themselves.

The "run" created considerable interest throughout the city judging by the large crowd of people which congregated at conclusion of the test.

It may be mentioned that on Thursday night Mr. Joseph Bulger the first shift driver met with an accident on Victoria Park roadway which very nearly put the car out of the running. As it was the front axle was pushed back, the right front fender badly crumpled and a headlight smashed. Mr. Bulger, when questioned said it was merely an accident with nobody to blame. The Whippet however stuck to the job in hand and finished under wraps.

The name of Mr. Ernest Perry, Bulger's relief driver who handled the car from 12 o'clock Thursday night until 8 o'clock Friday morning was inadvertantly omitted in Friday's report of the non-stop run.

QUEEN HOTEL

Since taking over this Hotel we have spent many thousands of dollars in repairs and improvements. It is now the finest Hotel of its class in the Maritime Provinces. It appeals to those who want a comfortable Hotel and splendid table and excellent service at a moderate price.

Death Toll From Mine Disaster Is Now 31

(Canadian Press)

FAIRMONT, W. Va., May 6. — Gas and fire, the twin horrors of the underground, retained their grip of death on sixty three victims of the Everettsville mine district five days after their fate was sealed by a terrific explosion.

Rescue workers settling down to a grim routine of what promised to be a long and tedious undertaking literally took their lives in their hands today to push forward the work of recovering the bodies of the entombed dead. Two additional bodies were located by rescue crews yesterday, bringing the number of known dead to 31.

Moscow Delegates At Geneva Are Strongly Guarded

GENEVA, May 6. — The political criminal who may be bent on resorting to violence against the Russian Soviet delegation to the international conference will have a hard time reaching his intended victims. The hotel where the Moscow delegates arrived yesterday after the police had escorted them from their train outside of Geneva resembles an entrenched encampment; detectives swarm the corridors and servants stairways as well as the lobby.

Traffic in a measure has been diverted and particular attention is being paid to food. No Soviet delegation can move a foot without a detective at his heels. The Russians have been requested to use only automobiles furnished by the police. Never were public men more completely protected against possible attempts against their lives.

Civil War In Nicaragua Ended

(Canadian Press)

MANAGUA, Nicaragua, May 6. —After many months of fighting between the Liberal and Conservative factions, the civil war in Nicaragua appeared today to be at an end. While no definite peace settlement had been reached, General Moncada, commander in chief of the Liberal forces, announced he was ready to lay down his arms, saying his action was prompted by the statement of Henry L. Stimson, personal representative of President Coolidge, that if the Liberals did not accept the peace plan outlined to them the United States intended to restore order in Nicaragua immediately, using force if necessary.

The Liberals, General Moncada declared, refused to sign or consider peace agreements containing the provisions that Diaz (Conservative) continue as president but that since it was established the United States would force disarmament of his men he was prepared to advise them to lay down their arms as it was useless to attempt to fight the United States.

L. O. C. Bowling

The Spuds took third place in the tournament and therefore will meet the Anchors for second place the winners will then meet the Social Club, the League Leaders for the championship of the house. The Anchors and Spuds will roll Monday night at 8 o'clock this will be the best two out of three games. P. McMahan had high single of 238 he also had high total of 679.

Annual Meeting Pure Milk Co.

The Pure Milk Co., of Charlottetown held its first Annual Meeting on the 28th of April, when the retiring Board of Directors was re-elected for the ensuing year.

The Shareholders expressed themselves as well pleased with the splendid progress this company has met with, after having been in business only seven months. It now requires two teams continually on the rounds, to supply their many patrons with pure milk, butter, etc.

The consuming public are beginning to realize, more and more the value of such an Institution to the child life and health of the community. The need of efficient pasteurization, and properly handling of milk, has been brought before us in the recent months by the terrible epidemic of typhoid fever in Montreal.

Leading medical men today recommend pasteurized milk as the only safe guard, and many of the larger cities have laws forbidding the sale of milk unless properly pasteurised.

Notwithstanding the fact that this Province has the advantage of being a Disease Free Area for cattle, the most essential thing is careful handling of the milk after being taken from the cow, as it is so very susceptible to disease germs, and contamination of any kind. Pasteurization is the only safe method, and is endorsed by all leading medical authority.

We feel sure the public appreciate the opportunity to obtain absolutely pure safe milk, and will freely co-operate in making it the success it merits.

Inventor Dies

LAKE HOPATOONG, N. J., May 6. —Hudson Maxim, inventor, died at his home this afternoon. He was 74 years old and had been suffering from anemia and stomach trouble for the last two months.

Wheat—May, 153½; July, 148¼; Oct., 114⅜.

The Markets

MONTREAL, Que., May 6. — There was no improvement in the demand from the United Kingdom and the continent for grain in the Montreal market today, business in all positions was quiet. Owing to the pronounced strength that developed in the future market for oats at Winnipeg today, the local spot situation for the cash grain was strong and prices were marked up 1-2 cent to 2 cents per bushel Number two Canadian Western were quoted at 76 1-2c and number three C.W. at sixty nine cents per bushel. The trade in spring and winter wheat grades of flour was quiet but prices were unchanged. The millfeed market was moderately active and firm. The demand for standard grades of rolled oats was quiet and prices were steady. A fairly active business was done in all grades of eggs and values were well maintained. The receipts were 1,343 cases. The feature of the potato trade was the increased inquiry from Ontario but as the supplies available were limited the volume of business was small and prices were firm. Car lots of Quebec white stock were quoted at $2.00 per bag of ninety lbs in bulk, ex track. The butter market opened up weaker today and prices were declined another 1-2 cent per pound. But on the prospects of the United States embargo on wheat cream and fresh milk being removed from all districts with the exception of Montreal on Monday and the expectations of an increased demand next week for butter, a firmer feeling developed in the market later and holders were asking an advance of 1-2 cent per pound. Final sales of eastern townships number 1 pasteurized were made at 35c to 37 1-2c per pound. The receipts were 1,378 packages. A feature of the cheese trade today was the demand that developed from English importers for Canadian made cheese and sales of some small lots were made. There was also some demand from local buyers and the tone of the market was steady. Sales of white and colored were made at 16c to 16 1-4 per pound. The receipts were 1,935 boxes.

OTTAWA, Ont., May 6. —Eastern markets are firm owing to the continued demand from packers and dealers for eggs for storing purposes and the large domestic consumption. United States markets are reported dull and featureless. Toronto—Dealers are quoting for ungraded eggs delivered, cases returned, extras 30, firsts 28, seconds 25. Ontario country shippers selling carlots at extras 33, firsts 31, f.o.b. in new cases. The latest quotations received from the west offers a car of extras at 30 1-2, firsts 28 1-2, f.o.b. Saskatoon, freight 40. Montreal—Firm with dealers quoting country shippers for ungraded eggs delivered, extras 31—33, firsts 28—30, seconds 25—28. Offers reported from the west on this market are as follows: Extras 31 3-4, firsts 29 3-4, seconds 27 3-4 f.o.b. Lauder, extras 30 1-2, firsts 28 1-2, seconds 26 1-2 f.o.b. Saskatoon. Extras 30, firsts 28, seconds 25 f.o.b. Edmonton. Calgary—This market is steady. Weather is rainy and shipments and receipts light, Edmonton—This market is firm with a good demand. Prices to retailers are extras 32, firsts 30, seconds 26. Halifax—This market is very firm with dealers quoting country shippers delivered extras 33, firsts 30, seconds 23. St. John—Dealers are paying country shippers extras 29, firsts 26, seconds 23.
