PROJECTED IMPROVEMENTS

ST JOHN, Sept. 24.—Interesting reports are current in connection with the future plans of the Canadian Pacific and Eastern S. S. companies. The former is said to be arranging for tonnage facilities at Digby, so that it will be possible to handle its Nova Scotia business through that port to be forwarded over the Dominion Atlantic Railway to its destination. There is also a suggestion that the company has in contemplation the erection of a large hotel at Digby. The C. P. R. never stands still. It is always going ahead, and may be expected to follow up its acquisition of the D. A. R. by plans to develop and increase its earning powers. Among these the most natural will be plans to get all possible out of business for Nova Scotia points originating on other parts of the C. P. R. system. St John has an interest in all development of this kind for it means increased business for this port, as trade for the D. A. R. at Digby will go through here and may in time lead to a bay service, superior to that now in existence. The Eastern S. S. Company, which gives such a splendid service between this city, Boston and Maine coast ports, has report says, a desire to make a steamer a port of call, the company's steamers running there from Eastport before continuing their journey. W. F. Todd, M. P., is now in Ottawa endeavoring to arrange for dredging at the C. P. R. wharf. It will not be surprising if the need of St Andrews is met if they get even better steamship accommodation than is foreseen for the C. P. R. itself is likely to take advantage of the growing importance of St Andrews as a summer resort and to give it steamship connection with the outside world.

BE SWIFT

Be swift, dear heart, in loving,
For time is brief,
And thou mayst soon along life's
highway
Keep step with grief.
Be swift, dear heart, in giving
The kind word;
When ears are sealed, the passionate
pleading
Will not be heard.
Be swift, dear heart, in doing
The gracious deed,
Lest soon they whom thou holdest
dearest
Be past the need.
Be swift, dear heart, in giving
The rare sweet flower,
Nor wait to heap with blossoms the
casket
In some sad hour.
Dear heart, be swift in loving—
Time speedeth on,
And all the chance of blessed service
Will soon be gone.
