The annual meeting of the Cherry Valley Dairying Co. was held in the Hill at Cherry Valley, January 23rd. A very successful season's work was reported. The directors elected for the ensuing year are as follows:—M. J. McLeod, J. C. Irving, Frank Mutch, John Tweedy, Charles Mutch, William Carey, and Alex McDonald.

This event of the season will be held at Market Hill next Tuesday evening when the calico and fancy dress ball takes place. The Hillsborough Debating and Literary society held their monthly entertainment January 15. The young people turned out en masse and all went merry as a marriage bell. The entertainment was opened with a short but stirring speech by the president, Thomas D. Coffin, very appropriate to the occasion. A most entertaining program followed including many selections from the phonograph which were highly pleasing. A vote of thanks was given to Everett Coffin at which the meeting dismissed highly pleased with the entertainment.

On the afternoon of the 23rd inst. the District Division of the S.O.T. for Kent and Northumberland counties, N.B., met at Harcourt for the purpose of organizing a branch of the New Brunswick Temperance Federation in Kent Co. All the officers were elected and the following installed: D. W. P. Thomas Clark, Newcastle; D. W. A. Rev. R. H. Staver, Harcourt; D. Sent neil D. Atkinson, Harcourt. Mr. Staver is a well known native of Prince Edward Island, who had been very active in temperance work since going to his parish in Nova Scotia.

On the 19th inst. D. Cameron, of Springton, was presented with a complimentary address and a purse containing over \$20 in cash. The address was presented by a committee on behalf of Junction Road Sunday School and Normal Class and expressed the friendship and esteem of the members of the school and superintendent, and also to the good wishes of his many friends. The Guardian regrets that it is compelled to abide by an unvarying rule to condense all addresses owing to demands on space otherwise these columns would be overcrowded with similar communications. Therefore the address cannot be printed in full. Mr. Cameron replied in terms of grateful acknowledgment for the gift and address. A similar presentation was made to him last year by the same parties, and it was still fresh in his memory—an unmistakable evidence of their goodwill and generosity.

A VERY pretty wedding occurred at the residence of the bride's aunt, 54 Creighton Street, North Cambridge, Mass., Jan 9th, when Miss Edith May Hewson, daughter of the late William Hewson, St. Peter's Island lighthouse keeper, was united in marriage to Albert Carter of Elko, British Columbia. The ceremony was performed by the Rev. E. F. Plakerton of West Somerville. The bride was dressed in erpe de chene and was given away by her brother Garfield Hewson. Miss Nellie Dobson of Somerville acted as bridesmaid and was hand omely gowned in white silk. Dr. Fred Carter, brother of the groom, as groomsmen, Misses Margaret and Isabelle Hewson, sisters of the bride, looked charming in flower girls dressed in white swiss muslin over pink silk. After the wedding reception dancing was indulged in till the wee small hours. The happy couple left the next morning on an extended tour to New York and other cities after which they will reside in Elko, B. C. The numerous handsome and exceptionally costly presents the bride received went to show how popular she was among her many friends.

The death took place in Lacombe, Alberta, of William C. Frizzell. Deceased was thirty-five years of age and was the eldest son of Samuel Frizzell, Alberta, formerly of Norborough. About six years ago deceased with his parents and family moved to Lacombe where he has since resided. He was in his usual health till about two months ago when he contracted pneumonia and pleurisy and despite the best medical aid and nursing care he gradually sank lower until January 10 when he peacefully passed away. Deceased was of a quiet cheerful disposition a loving husband and father, a dutiful son and an affectionate brother. Besides a wife and five small children he leaves a father and mother, four brothers and one sister in Alta, also one sister Mrs. Duncan Reeves, Norboro; and a large circle of friends and relatives to mourn his loss.

The lecture given in the basement of the First Methodist Church last night, by Rev. G. R. White on Canada From Ocean to Ocean, was not only stimulating to the Canadian spirit but highly instructive. Rev. Wm. Dobson, pastor of the First Methodist Church, acted as chairman and in his own unique manner introduced the speaker. On rising Mr. White said:—The eyes of the civilized world are today turned toward Canada for her outlook is both thrilling and glorious. Canada, he said, has the largest fertile unoccupied land area on all the globe—a land of rich prospects, the resources of a great and triumphant nation. That the all-wise Creator has purposed nation building of vast dimensions in this great casual observer, and statesman. After twenty minutes of a glowing description of the great Canadian heritage the lecturer by the aid of some fine views of the mountains, rocks, rivers, lakes, canyons and bairies of Canada, took his audience on a delightful trip across the Continent via the Canadian Pacific Railway which he characterized as the finest transportation system on this Continent. Mr. White said: The C. P. R. gives you first class service wherever you touch it, on land or on sea, for the system of transportation today beats the globe. Her steamships, hotels, and dining car accommodations are all of first rank. Her splendid mountain scenery stands unrivalled in all the world. A surgeon general in the army wrote recently in the guest book at the hotel, "My wife and I have travelled for nearly forty years all over the world and both agreed that the scenery at Glacier House (C. P. R. Station in the Rockies) is the finest we have seen in the world. Her scenic grandeur of scenery, for on either side of the pass to the north and to the south the mountains gradually diminish in height and lose much of their ruggedness and glacier beauty which will continue to make this road most popular.
