## St. Louis Browns Only Undefeated Major Team

By the Associated Press

With a four run uprising in the sixth inning, the amazing St. Louis Browns beat Cleveland Indians 5-2 at St. Louis yesterday, to remain the only undefeated team in either major league.

Their string of seven consecutive victories at the opening of the season ties the American League record set by New York Yankees in 1933. The national league record is nine.

The Browns were out hit 10-6 but the Indians had nine men left on base to the Browns' three.

Hank Berry hung up his ninth straight pitching victory through the first 11 hits as the New York Yankees bunched their eight-run rally for a 6-2 victory over Philadelphia Athletics at New York. Berry struck out seven of his

triumphs at the end of the 1943 season and today's conquest was his second in this current campaign.

In between Hank went unbeat in one world series contest and two exhibition games.

Jo Jo White spoiled his shutout today by slamming out a home run with one on in the fifth.

Early Wynn limited Boston Red Sox to scattered singles as Washington Senators scored a 2-1 victory at Washington to even the American League series. Wynn's second triumph of the year.

Facing Yank Terry, Joe Kuhel lashed out a triple with two out in the sixth and the next batter, third baseman Torres, came through with a two bagger. The Senators sewed up the game in the eighth with Bob Ortiz's single, a walk, and Torres one base.

## 13th Inning Homer Is Feature At Cincinnati

By the Associated Press

Frank McCormick's 13th inning homer broke up a scoreless two hour 20 minute ball game at Cincinnati yesterday as Cincinnati Reds won their second straight national league game from St. Louis, 1-0.

It was the tall first baseman's first circuit clinch of the year and the first for 11 hits as the Reds have given Bucky Walters in 22 minutes.

Aside from Big Mac's roundtrip

only two extra base blows marked the game both doubles, by Eddie Miller with one away in the second and by Walker in the third with two down.

Elwyn Fletcher Roe pitched Pittsburgh Pirates to a 6-1 national league victory over Chicago Cubs at Pittsburgh, allowing the Bruins but seven well scattered hits.

Meanwhile the Pirates were collecting 12 from Less Fleming in the sixth with two on.

## Brighton Horseshoe Club Plans Season

The Brighton Horseshoe Club, which has been in operation for the past several years, has laid plans for a bigger and better season this coming one.

In regard to members Manager Jack McCourt has stated that anyone wishing to join will be cordially welcomed.

A meeting of club members is to be held in the near future at which plans will be made for the coming season and any prospective members are asked to be present. The date of the meeting will be announced later.

## PROBLEMS

(Continued from page 1)

need of commodities to reestablish the devastated areas of the world will furnish a ready market for our products. But we cannot hope to maintain a permanent high standard of living if the standards of other nations are allowed to drift back to a state of depression.

"So far as national or local efforts may be effective, the various plans proposed for social security and public expenditures on reconstruction projects are sound if they are treated as complements of, but not if they are regarded as substitutes for, a healthy productive and industrial development.

## P. E. I. PROSPECTS

"For this Province we look mainly to agriculture, fishing and the tourist industry. Markets are the principal difficulty as other primary producers can readily produce bountiful harvests if reasonably good markets are assured. We can, however, take better advantage of the markets which offer if we concentrate on the quality of products, and endeavour to carry out, within the Province, a greater proportion of the processing of the products of farms and fisheries.

"Rural electrification, the discovery of oil or natural gas, and the exploitation of our established facilities for air travel and transport are developments which might even more than offset the handicaps which we have often felt as a result of our isolated position to supply by air such markets as Halifax, Boston, Montreal, Newfoundland and even Europe.

"In the meantime, no one can better provide himself with the equipment necessary for post-war activities than by purchasing Victory Bonds. The Rotary Club and all its friends are urged to 'Put Victory First' and ensure the early and emphatic success of the 6th Victory Bond Campaign."

## April Issue of College Times

The April issue of the "College Times", a magazine whose contents are written and edited by the students of Prince of Wales College, has just made its appearance. The magazine is a fine example of the excellence of its editorial staff and the literary ability of many of the students. The selection of Guineo's poem "Of Moderation and Tolerance" for the front page shows fine sense of discrimination and appropriateness in these days of world turmoil. The contents are well written and are finely done.

## Active Year For Navy League Club

KENTVILLE, N.S., April 26 — (CP) — During 1943, 1,776,263 persons made use of Navy League of Canada hostels, clubs and recreation centres, the League's annual meeting was told today in the report of the Dominion Council.

Forty-one delegates met here in the League's 27th annual meeting, the report of the Dominion Council, received at the first business session, said League establishments served 540,000 meals and provided 172,721 beds last year. It put into operation these new services:

A club for naval ratings at Digby, N.S., with 80,000 men using it; a similar club at Pictou, N.S., which served 23,800 ratings, the Halifax Forum, where 288,000 members of the three armed forces found recreation during the year; a merchant officer's club at Sydney, N.S., used by 10,500; a similar club in Halifax, where 40,150 officers were accommodated; a club for naval officers in Halifax, used by 19,245; and a merchant navy officers' club at Saint John, N.B., which issued 14,235 members' cards.

To meet pressing need in Victoria; an extension to the Navy League's Prince Robert House was necessary. The report further showed that many other services had been provided, that 600 survivors had been cared for and that in Halifax alone 7,557 merchant seaman had been nursed back to health.

## Cost Of 11-Day Air Assault On Continental Fortress

LONDON, April 26 — (AP) — The 11-day-old assault on Hitler's continental fortress, the world's greatest sustained aerial bombardment, has cost the allies 2,300 airmen.

It has cost 973 planes valued at approximately \$50,000,000. Figuring the value of the aircraft lost and the value of the technical equipments, given the airmen lost with them, the offensive has cost the Allies at least \$100,000,000.

The Allied Command considers the cost a reasonable price for the results obtained. More than 700 fighters of the enemy's precious front-line strength have been destroyed, and damage has been done to Axis air plants which may knock months off the war.

Of the 2,300 missing airmen most are believed to be prisoners of war to Axis air plants which may knock months off the war.

## Are You a Sufferer From Rheumatic Pains?

These pains come from an inflammation in the muscles and are generally caused by a deposit of poison in the blood called uric acid which produces the irritating and painful effect that causes many days and nights heavy with pain.

During the past 60 years Canadian people have found that by purifying the blood stream, Burdock Blood Bitters aids them to enjoy freer body movement with less rheumatic pain. B. B. helps to keep up the system and clear up the uric acid in the blood, and probably help fortify the system against future attacks.

FOR SHAVING ECONOMY, MY MONEY GOES ON BLUE GILLETTE BLADES

Red Barber

— Ace Reporter on Gillette's "Cavalcade of Sports" — says:

"AND one good reason why Blue Gillette Blades are genuine money-savers is that they are made of steel hard enough to cut glass—which means they take an edge and hold it for one swell shave after another.

"What's more, you'll find that this extra-keen, extra-durable Blue Gillette Blade not only lasts far longer than ordinary blades, but also gives you easier shaves."
