EXTENSIVE preparations are being made to entertain the crowd at Tignish on the 23rd inst. A large contingent will go from the city to understand in charge of one of the bands from the Capital, and Summerside will not be behind in the race. The greatest, the largest gathering of the season for our friends in the west.

AMONG the special features at the Mammoth Tea Party to be held at Tignish on Wednesday next will be music by our best city band, and exhibitions of dancing by "Sappho" the celebrated colored wonderer. Chas. Dalton, Esq. will have specimens of black foxes from his farm which are well worth going to Tignish to see. We would ask our friends to remember the 23rd and join the crowd who leaves this city by special train at 5:30 in the morning.

FREDERICK D. COOK, formerly of this town, at present here on a visit and who claims to have "attained to the highest experience in the spiritual Christian life that ever was attained on earth since the beginning of creation, or can be attained to while living in the flesh," will speak in the Market Hall on Sunday afternoon next. His subject will be sanctification of spirit, soul and body or the fullness of Jesus' blessing. The speaker gives as his object "to convince all ungodly men of the existence of a loving Christ and of judgement to come, and at the same time to bring to naught, by the power of the Holy Ghost, oceans of controversy and ideas that now exist amongst some of the most eminent ecclesiastics." [Such pretensions carry their own refutation with them.—Guardian.]

Men's Clothing.—Look your legs over and see if they don't need a new pair of trousers. Then come here and look our trousers over. We have every pattern from the sober stripe to the lively plaid, from the largest to the smallest size, from the \$1.50 kind to those priced at \$5.—Prowse Bros. 17 3/4

White Dress Good.—One naturally turns to white as the wear for an especially hot day. Seems like there is a suggestion of ice and snow in its color, that keeps off the fierce rays of the sun. Certain it is that it is the cooler and most durable of colors. See our big window this week for white goods.—Prowse Bros. 17 3/4

Stern's Fashionable Livery
Fashionable Livery means stylish rigs; that they are rubber tired, drawn by live and well groomed horses; that we have every style of wagon and carriage that a man of reason could ask for—in fact rigs that compare favorably with those from the finest private stables in town. Our turn-outs haven't got that "Livery stable-rig" stamp about them. This is very reasonable weather for drivers—roads are excellent and the air bracing. Use telephone if you like—100.
