**Four Facts For  
Sick Women  
To Consider**

Lydia E. Pinkham's Vegetable Compound  
Has an Unequalled Record of Cures—  
Mrs. Pinkham's Advice Is Confiden-  
tial, Free, and always Helpful

FIRST.—That almost every operation  
in our hospitals performed upon women  
becomes necessary through neglect of  
such symptoms as backache, irregular  
and painful menstruation, leucorrhoea,  
displacements of the uterus, pain in  
the side, burning sensation in the stom-  
ach, bearing-down pains, nervousness,  
dizziness and sleeplessness.

SECOND.—The medicine that holds  
the record for the largest number of  
absolute cures of female ills is Lydia  
E. Pinkham's Vegetable Compound. It  
regulates, strengthens and cures  
diseases of the female organism as  
nothing else can.

For thirty years it has been helping  
women to be strong, curing backache,  
nervousness, kidney troubles, all uter-  
ine and ovarian inflammation, weak-  
ness and displacements, regulating  
menstruation perfectly and overcom-  
ing its pains. It has also proved itself  
invaluable in preparing for childbirth  
and the change of life.

THIRD.—The great volume of unsol-  
icited and grateful testimonials on file  
at the Pinkham Laboratory at Lynn,  
Mass., many of which are from time to  
time published by permission, give ab-  
solute evidence of the value of Lydia  
E. Pinkham's Vegetable Compound and  
Mrs. Pinkham's advice.

FOURTH.—Every ailing woman in  
Canada is asked to accept the follow-  
ing invitation. It is free, will bring  
you health and may save your life.

Mrs. Pinkham's Standing Invitation  
to Women.—Women suffering from any  
form of female weakness are invited to  
promptly communicate with Mrs. Pink-  
ham, at Lynn, Mass. All letters are  
received, opened, read and answered  
by women only. From symptoms given,  
your trouble may be located and the  
quickest and surest way of recovery  
advised. Out of the vast volume of ex-  
perience in treating female ills Mrs.  
Pinkham probably has the very knowl-  
edge that will help your case. Surely,  
any woman, rich or poor, is very foolish  
if she does not take advantage of this  
generous offer of assistance.

Sufferers from Rheumatism  
are earnestly advised to give a  
trial to

**PUTTNER'S  
EMULSION**

This old established remedy, so  
long and favorably known through-  
out the Maritime Provinces has  
been found singularly efficacious in  
relieving and curing rheumatism.  
This is due to the powerful altera-  
tive effect of the cod liver oil  
which neutralizes and eliminates  
the rheumatic poison from the  
blood—as well as to the other nerve  
tonics with which it is combined.  
Use only PUTTNER'S the or-  
iginal and best Emulsion.

**THE WORLD OVER  
Thousands of Mothers  
are using  
DR. CODERRE'S  
INFANTS' SYRUP**

For Children's ailments, you cannot but  
admit the fact that this preparation  
is one of merit and is all what is  
claimed for it. It is safe, pleasant  
and soothing for children teething,  
and a prompt checker of bowel and  
stomach troubles.

Physicians and Professional  
nurses recommend it.

In purchasing, see that Dr. Co-  
derre's signature and portrait is on  
every wrapper. Beware of the many  
Symplicin pills in a similar form and  
made to look like Dr. Coderre's.  
Price, 25c. per bottle, or by mail  
on receipt of price.

Last night ended the skating season in  
Crystal rink. The season has been an ex-  
ceptionally good one. Throughout the  
whole winter the ice has been in the very  
best condition; only the last few days has  
any sign of softness been noticeable. The  
management has also been highly com-  
mendable, everything being done for the  
comfort and pleasure of the patrons. The  
Boys' Own Band too is deserving of much  
credit for the splendid music furnished.  
A together Crystal Rink has during the  
winter just passed been a most popular  
place for recreation and amusement.  
There is still plenty of ice in the rink,  
and should the weather turn a little cold-  
er skaters may expect to enjoy a few  
special nights on the steel blades.
