THE GUNS
The guns of the BIG CITY have been raking the country with deadly fire for more than forty years. The town, has been ruined by this constant hammering. But deadly as this catalog siege is, WE have weapons in our OWN possession that are able to beat back the siege guns. The trouble is we DON'T USE these weapons. We have allowed ourselves to be bombarded without retreating. Yet OUR weapons, if USED, mean victory to US. Reason, Knowledge, Common Sense, Community Pride, Co-Operation—THESE are our weapons. OUR town can beat back any siege from the outside. But it is up to each one of US to KNOW this, to USE this knowledge. And having learned it, we must work at it. Then, let every man, woman and child ENLIST in this Trade-at-Home campaign. Let us beat back the siege guns.
