ABOUT YOUR COMPLEXION.

A yellow, muddy complexion tells of derangements of the liver and indicates the presence of bile poison in the blood. Dr. Chase's Kidney-Liver Pills set the liver and kidneys in action, purify the blood, cleanse the system, and assure a healthy glow to the complexion. As a family medicine Dr. Chase's Kidney-Liver pills are of inestimable value.

Some Dealers Think They Have a Monopoly of Buying Furniture
Let them think so, it does nobody any harm, and it pleases them. But for fear the public might be led away by their extravagant utterances, we humbly rise to remark that we have been and are still buying from almost every manufacturer in this broad Dominion—and further we are content to sell at a much smaller profit than most people are. We would like the opportunity of showing you our furniture and would like you to compare, and we think we can convince you that what we say is true.
