

**MADAM CLOUTRE'S STORY**  
 French Canadian Lady furnishes an interesting story with a happy ending.  
 VALRACINE, Que., October 21 (Special).—Pirre Cloutre and his good wife are highly respected citizens of this place. Madam Cloutre has been very ill. Her kidneys were affected and her general health was bad. Her husband was sick at heart to see his loved wife gradually getting worse and he sought every thing that he thought would do her good. He tried many medicines and treatments, but she did not improve.  
 At last he heard of Dodd's Kidney Pills and he at once brought two boxes for her. Madam Cloutre tells the rest of the story in these words: "From the first dose I began to improve. I continued, and now I can say I am perfectly cured. My case was one of long standing and very acute, and we cannot say too much for Dodd's Kidney Pills."

**POOR RELIEF OF BRITISH EMPIRE.**  
 The sum of \$11,230,000 (\$56,430,000) a year is spent in poor relief in the British empire, nearly \$2,000,000 (\$10,000,000) of which goes in salaries of relieving officers and similar expenses.

**C. C. RICHARDS & CO.**  
 Dear Sirs,—I have great faith in MINARD'S LINIMENT, as last year I cured a horse of Ringbone with five bottles.  
 It blistered the horse, but in a month there was no ring-bone and no lameness.

**LOSS OF FLESH.**  
 If you find yourself falling below normal weight there is danger. The use of fish oils can temporarily add fat, but will never build up health and tissue. Dr. Chase's Nerve Food acts through the blood and nervous system and carries new life and energy to every nook and corner of the body. It regulates the various organs of the body, makes the appetite good, adds healthy flesh, and replaces the tissues wasted by disease. Naturally and gradually this food cures, restores color to the cheeks, increases the weight of the body and thoroughly overcomes disease.

**COAST OF DEER FOREST.**  
 Deer forests are much more expensive in Scotland than grouse moors. They range from £1000 to £4000, or even £5000 for the season, according to the sport obtained and whether the place gives salmon fishing and grouse shooting as well as deer stalking.

**CHILLED to the Bone?** A teaspoonful of Pain-Killer in a cup of hot water sweetened will do you ten times more good than rum or whisky. Avoid substitutes there is but one Pain-Killer. Peery Davis, 25c. and 50c.

**Expression of Thanks.**  
 LONG CREEK,  
 Oct. 21st, 1901.  
 TO REV. JOHN GOODWILL, PASTOR  
 CANOE COVE CHURCH OF SCOTLAND.

DEAR SIR: We the undersigned on behalf of Derry L. O. L., No. 1189, beg leave to tender our thanks to you for your kind reference to us in your sermon on Sunday, Oct. 13th. We know that you labored under a disadvantage in not knowing beforehand that you were to address a body of Orangemen. Yet we can confidently say that seldom has it been our opportunity to listen to a more logical and appreciative address than that delivered by you from the text, 4th Chapter of Malachi, part of the 2nd verse, "But unto you that fear my name shall the son of righteousness arise with healing in his wings." We hope and trust Rev. Sir, that those divine principles so ably expounded by you will sink deep into the hearts of all true Orangemen present, and that we will henceforth cherish that liberty for which our forefathers died—that of an open Bible.

Your remarks in reference to the death of our beloved Grand Master were timely and by no means sparse in their deliverance. We hope you will yet be spared to again address us on the principles of Orangemen.

Signed on behalf of Derry L. O. L.  
 DONALD McDUGGALL,

**THE EDITOR'S MAIL.**  
 Our Silent Pastors.

SIR—I am sure that every true Christian will honor you for the brave stand you have taken in bold and manfully denouncing the late Sabbath violation. Our citizens may well be proud to know that there is at least one editor here, who "dare to be a Daniel,—dare to stand alone," dare to speak out plainly, when even our pastors are silent on the subject of Sabbath observance. The question arises—Why are our pastors silent? Are they afraid of offending the Premier or some officials? Are they thinking of the leaves and fishes? Surely not. City Pastors, follow the example of some of your brethren in the country, and remain silent no longer. Dare to do your duty. Show the careless worldlings that you value the praise of God more than the gold, or honor which cometh from men. Be loyal and true to the Master. Speak out plainly and fearlessly in defence of the holy day. With all your eloquence denounce the sin of Sabbath breaking and He who commanded us to Remember the Sabbath day to keep it holy will bless you both here and hereafter.

A DEFENDER OF THE SABBATH.

# BABY'S OWN TABLETS

All children in every home in the country need at some time or other a medicine such as Baby's Own Tablets, and this famous remedy has cured many a serious illness and saved many a little life.

Mothers insist upon having it because it contains no opiate or harmful drugs. It is purely vegetable, sweet and pleasant to take and prompt in its effect.

## For Simple Fevers,

colic, constipation, disordered stomach, diarrhoea, irritation accompanying the cutting of teeth and indigestion Baby's Own Tablets are a certain cure. In fact, in almost any disorder common to children these tablets should be given at once and relief may be promptly looked for.

Never give the babies so-called soothing medicines which simply put them into an unnatural sleep. These tablets are small, sweet, pleasant to take and prompt in action. Dissolved in water, they will be taken readily by the smallest infant. They cost 25 cents a box.

You can find them at your druggist's, or, if you do not, forward the money direct to us and we will send the tablets prepaid.
