—SERIOUSLY ILL — Word has been received by Mrs. Elizabeth Walker, Kelvin, of the serious illness of her daughter-in-law, Mrs. James Walker, Broadview. She was in town transacting business, when she was stricken with paralysis. She was carried to the home of Mr. A. L. Brown and at latest reports was still unconscious.

—ISLANDER DEAD.—Word was received recently in Grand River of the death of Mrs. Kenneth McDonald at her home in Providence, R. I. The sad event occurred on January 11th, just one month after the death of her husband. Mr. McDonald was struck by a motor truck on December 8th, 1927, and died three days later. Mrs. McDonald had been ill for some months and no doubt the shock of her husband's tragic death hastened her own. Mr. and Mrs. McDonald were formerly residents of Grand River, having gone to the United States some twenty years ago. Mrs. McDonald was the only child of the late Mr. and Mrs. John Brown, she leaves a grown-up family in Providence, R. I.—N.

BOOK COVER.

Bits of oil cloth can be stitched to fashion a book cover which will help keep fresh the delicately tinted covers of new novels.

Stop the Cough.—Coughing is caused by irritation in the respiratory passages and is the effect to dislodge obstructions that come from inflammation of the mucous membrane. Treatment with Dr. Thomas' Electric Oil will allay the inflammation and in consequence the cough will usually stop. Try it and you will be satisfied.

SEE US FIRST

During the month of February it is our intention to hand out to our customers and friends \$5,000 in General Merchandise at prices that will astonish the public. If we save you money on certain articles you will have that much more to spend in the community. But in giving you the benefit of low prices we would ask you in future to co-operate with us so that our sales may be increased. Before sending your money out of the Province, give us an opportunity to serve. It may be to your advantage. No harm in talking it over. See us first.

—MUNN'S ROAD.—Everybody is busy in the woods these days, cutting and hauling firewood logs, trap-stuff, building material, etc. and saw-mill lumber in Munn's Henry Jarvis' saw-mill is kept pretty busy. Mr. Jarvis has purchased an additional block of lumberland, that portion of the Rutland property, south of the Railway, very convenient and splendid growth of spruce and fir lumber. He was surveying it this week.—Messrs. Alton Robertson, Daniel L. McDonald, Willie Fraser, Lewis Rose and Genge Rose, who own the woods land here on the Valley Road were all getting the metres and bounds of their lumber and firewood lands straightened out all week. They had Mr. McDonald, Surveyor, of Hermannville. —Mr. Frank Mossey, Jr., Mgr. of the Mossey Store, is busily hauling lumber to Jarvis' Mill, for a dwelling house which he is to erect in the Spring. —Lobster fishing is apparently to go on this season same as ever for the packers and fishermen are beginning to get out trap material. —Munn's Road produced last year season, (1926), an immense quantity Brown-top one miller, Henry Jarvis, took 400 lbs. in total alone, but this year owing to discouragement, only about one third the quantity was taken. —Frank Mossey, Merchant, has left on a two months visit to Boston and other N. E. towns to visit friends, and take a well-earned vacation.
