HOME TIES.—On the evening of June 25th, a large number of people, young and old assembled at Tyrone Hall for the purpose of seeing "Home Ties" staged by the Hope River Dramatic Society. The players who arrived by car from Hope River were very kindly received at the parochial house by Rev. Father Herrell. They then proceeded to the hall, each one determined that "Home Ties" should be enjoyed by all present. Although expecting something good from Hope River, the audience were completely taken by surprise, so well was each part performed, and showed their appreciation of the excellent entertainment by almost continual laughter and applause. The play consisted of four acts with a cast of nine characters, four males and five females. Between the acts of the play pleasing specialties were rendered. There was also a sale of candy. At the conclusion of the play, both the cast and the director, Rev. W. V. MacDonald were the recipients of a great number of complimentary remarks regarding the pleasing entertainment they had provided, which was brought to a close by the singing of the National Anthem. Following is the cast of characters: Martin Winn, with memories of the past—James Herrel; Aunt Melissa, Martin's sister—Miss Emily Dolron; Ruth, Martin's daughter—Miss Marion Pendergast; Leonard Everett, and Harold Vincent, two of Ruth's suitors—John O'Connor and Ernest DeLong; Alma Wayne, Ruth's college friend—Miss Marguerite Currie; Mrs. Poplin, with symptoms—Miss Helen Gallant; Josiah Tizzard, Admiral of Mrs. Poplin, Conny LeClair; Lindy Jane, who helps around—Miss Selma Currie.

WONNAQUA.—LING.—The home of Mr. and Mrs. Norman Ling, Wheatley River, was the scene of a very pretty wedding on the evening of Wednesday, June 16th, when the Rev. R. H. Baxter united in marriage their daughter, Verna Mary to Mr. Bernsiey Wonnacott, son of Mr. Silas Wonnacott, Hunter River. The winsome bride looked very girlish and lovely as she entered the parlor on her father's arm to the strains of the wedding march, beautifully rendered by Miss Amy Smith, friend of the bride. The young couple were unattended. The bride wore a gown of peach silk crepe trimmed with silver. The only ornament worn was a beautiful string of pearls, the gift of the groom. After the ceremony the guests, about sixty in number, repaired to the dining room where all partook of a daintily prepared supper. Scarcely was the supper over when the sound of horns and of bells announced the arrival of the charivari. They were a well dressed, splendidly behaved crowd and provided much amusement during the evening. After being generously treated they took their departure, wishing the happy young couple every success. About midnight Mr. and Mrs. Wonnacott left for their home in Hunter River. Mrs. Wonnacott's going away costume was a navy pointed tulle suit with figured silk crepe blouse and gray hat. The numerous presents received both at the wedding and a "shower" previously tendered, testified the popularity of the young couple.

YESTERDAY'S PICNIC.—The St. James Sunday School picnic to Stanhope Lane yesterday was one of the most enjoyable held in years. There was a very large attendance of children, parents and visitors all eager for a real good outing at the shore. The tide was ideal, the little ones paddled to their hearts' content while the older ones took part in the sports, games, etc., winning liberal prizes, which were greatly admired. Supper was laid in a large marquee erected for the occasion and ice cream was served in abundance. After tea Mr. Tom Rogers auctioned off the over abundance of cake and found ready buyers. Everybody had a lovely time and motored home in the cool of the evening. Great credit is due those who planned the picnic and thanks are extended to all who assisted and arranged the tents and other accessories which added so much to the pleasure of the outing.

American League NEW YORK, July 5.—Chicago and St. Louis won their games in the American League on Sunday while the contest between New York and Washington at the Capital was halted at the end of the sixth by a storm. The score was tied, 4-4. Only three games were scheduled. Chicago had a trifle the better of a southpaw's pitching battle with Shaute and St. Louis' only run was scored in the first inning on a pass to Speaker and Burns' 35th two base hit of the season. Shaute was a puzzle for five innings but weakened slightly in the sixth and eighth, allowing enough runs to lose. At Detroit, Wells, the big gun of the Tigers' pitching staff, celebrated the Fourth of July by blowing up in the first inning and Chicago took a commanding lead which Detroit never threatened. The score was 7-2. Faber kept twelve Detroit hits scattered, while the White Sox bunched theirs in the first and seventh for six of their runs. ABBIES AND WESTVILLE IN DOUBLE-HEADER

Word has been received by Mr. W. J. Macdonald, president of the Abbeville Club that the Westville baseball team will play a double-header with the Abbies on Thursday at 6 p. m., and on Friday at 1.30 p. m. This double event promises to be the best put on here this season. Last year the Westville team clinched score of 14 to 4, increasing their way to the semi-finals of the Nova Scotia league, losing League, so that Charlottetown out by a hair's-breadth to the last baseball game will be assured of a New Glasgow nine. The Abbeville team's exhibition of the game next on their part are determined to Thursday and Friday.

HORSE NOTES "The Speed Spook" A Fast and Exciting Production

Lewis Cox the "Geers" of Canada is now located at Upton Park Farm where he has four head in training, all owned by the proprietor. These are Adazoff, 2.18 1/2, a three-year-old by Azoff by the sire of Peter Manning. This horse's first two dams have thirteen in the list. Adazoff obtained her mark on the trot, but Cox has him on the pace, and is eligible to the slow paces. Radiant, 2.21 1/4 and eligible to the 2.30 mixed is in good shape, having been watered. This horse is by Arthur Melnik, there is no doubt this mare's speed, and Law is naturally will teach her the necessary racing manners. Doctor Setzer, the third member is a beautiful five-year-old gelding and eligible to the 2.40 trots. This horse is a world of speed and being an Axworthy Bingen-Peter the Great, should go the route. The fourth member of the string is Devilset, a two-year-old by Longset, 2.06 1/4 and out of Devilish Dorothy, 2.16. There are also two Longset yearlings, one a pacer and the other a trotter, which Mr. Cox intends to work a little later on in the season. Judging by the way Willard Kelly drove the Pup in Summerside he is destined to be one of the finest race drivers that Canada has produced. Ruby Aubrey was in fine form in Summerside Dominion Day, she won her race easily and has the ear marks of a high class trotter, and shows a great improvement over last year. Her admirers are loud in praise of Mac Steele her trainer and driver. Some of the spectators however felt that she should have been penalized in the last heat for not maintaining her position in the stretch. She went across the Pup's bow and it became necessary for Kelly to take back and go out around. There was no protest on the part of Kelly or Mr. Campbell the owner of the Pup, but judges should automatically deal with such a situation for the best interests of horse racing. Much regret was felt when the news of Soldier Boy's death was reported after the first heat in the 2.40 class. The general public sympathy.

City League Baseball

At the Abbeville grounds this evening at 6 o'clock the second game of the second section in the City League Baseball Schedule will take place when the Rovers and Stars will meet on the Diamond for their first clash in the second section. This game should be a good one, as both teams are out to win the decision, so that both teams intend to tighten up and play ball from the first call, this is the only spirit for the teams to show in the remaining games of the League other-wise the interest will wane out, and this is particularly true if they should dish up the same brand of ball as shown in the last few clashes. Any player can be readily excused for missing a function as hot one missing a difficult high one, but there is no excuse for any player to throw the ball all over the lot, so let the players tighten up and the fans loosen up for the remaining games and make the long walk to the grounds worth while.

A number of the older enthusiasts of this game have suggested to us on numerous occasions that we touch upon this matter in our columns so that we hope this little hint will have the necessary effect to bring about a quot organization in the city and bring the old game back to its popularity of being one of the best and most pleasant forms of outdoor recreation and friendly competitions for old and young alike in our city.

Like Clouded Jewels

Naturally pretty teeth are hidden by a dingy film coat. Don't hide yours any longer. Accept this remarkable dental test that restores "off-color" teeth to whiteness, and firms gums. A new method in clearing up cloudy teeth, in giving "off-color" teeth an almost dazzling whiteness has been found. Leading dentists urge it widely. For it protects the teeth and firms tender gums. It works by removing a dingy film that forms on your teeth, and dulls them by absorbing discolorations from food, smoking, etc. A slippery film you can feel with your tongue; and that invites germ growth, decayed teeth and gum troubles. Old-type dentifrices failed to remove it successfully. That's why brushing fails you. Beneath it are the teeth you envy in others. One's whole appearance changes as clear, white teeth come. The name is Pepsodent. Thousands now employ it. The makers will send you a tube to try. Or obtain large tube for a few cents at your druggist.
